Matthew Lee Miller

Mennonite Identity In Conflict Studies In Religion And Society Vol 19:

Mennonite Identity in Conflict Leo Driedger, 1988 Mennonites still comprise one of the most markedly rural ethno religious groups in North America but are urbanizing faster than other groups This study illustrates how they have survived how they are changing and how they have dealt with internal and external conflict in the process *Bridging Troubled Waters* Paul Toews, 1995 The Mennonites like many smaller immigrant religious groups initially lived on the margins of North American society The twentieth century brought them into the economic and cultural mainstream That adaptation is the subject of the eleven essays and autobiographies of *Bridging Troubled Waters* The essays are written by notable Mennonite scholars John H Redekop Ted Regehr Katie Funk Wiebe and others The autobiographies by David Ewert Waldo Hiebert and J B Toews sparkle with insight into the transitions they and their people navigated during these momentous decades 1940 1960 *Subject Guide to Books in Print* ,1996 **Mennonite Life** Cornelius Krahn, 1988 *Books in Print* ,1991

Forthcoming Books Rose Arny, 2002-04 **Canadian Books in Print** ,1989 *John Howard Yoder* Earl Zimmerman, Zachary J. Walton, Gerald J. Mast, Ted Grimsrud, 2014-11-11 This book argues that for John Howard Yoder both theology in particular Christology and ethics are expressions of the meaning of the narrative of Jesus All such statements are relative to a particular context which means that theology and ethics are always subject to reaching back to the narrative in order to restate the meaning in new and ever changing contexts This methodology is visible in Yoder's Preface to *Theology* which has been little used in most treatments of Yoder's thought Yoder has been characterized as standing on Nicene orthodoxy criticized for rejecting Nicene orthodoxy called heterodox and designated a postmodern thinker to be interpreted in terms of other such thinkers None of these characterizations adequately locates the basis of his methodology in the narrative of Jesus Thus John Howard Yoder *Radical Theologian* aims to go beyond or to supersede existing treatments with its demonstration that Yoder is a radical theologian in the historical meaning of radical that is as one who returns to the root For Christian faith this root is Jesus Christ Parts II and III of the book explore the sources of Yoder's approach and its application in several contemporary contexts **The Sociology of Mennonites, Hutterites and Amish** Donovan E.

Smucker, 2006-01-01 No detailed description available for *The Sociology of Mennonites Hutterites and Amish* **Religion Index Two** ,1998 **Looking in the Other Direction** Teun van der Leer, 2023-09-22 In this study Teun van der Leer tells the story of the Believers Church Tradition a tradition mainly rooted in the so called Radical Reformation which prefers to be called a movement or rather a renewal movement Its name is a program a vision and a way of being church Based on extensive source research this book describes and analyzes the defining characteristics of this so called third type of church and investigates its ecumenical value With an extensive description of its nature of faith the church hermeneutical discernment and mission this book colors a movement within the church landscape that has never been mapped in such detail before As such the book provides an in depth introduction to this ecumenically important but still a bit underexposed

movement and makes a substantial contribution to the ecumenical ecclesiological debate about the church and its future

Library Journal, 2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Books in Series*, 1979 *Baptists and War* Gordon L. Heath, Michael A. G. Haykin, 2015-03-11 While Baptists through the years have been certain that war is hell they have not always been able to agree on how to respond to it This book traces much of this troubled relationship from the days of Baptist origins with close ties to pacifist Anabaptists to the responses of Baptists in America to the war in Vietnam Essays also include discussions of the English Baptist Andrew Fuller s response to the threat of Napoleon how Baptists in America dealt with the War of 1812 the support of Canadian Baptists for Britain s war in Sudan and Abyssinia in the 1880s the decisive effect of the First World War on Canada s T T Shields the response of Australian Baptists to the Second World War and how Russian Baptists dealt with the Cold War These chapters provide important analyses of Baptist reactions to one of society s most intractable problems Security after Christendom John Heathershaw, 2024-02-13 We live in the wealthiest and most heavily defended world in history so why do we feel so insecure In a secular world what does Christian theology have to say about this problem Security after Christendom combines practical examples social scientific research and an ecumenical approach to political theology to answer these questions It argues that Christendom was a plural phenomenon of imagined security communities of East and West whose unravelling continues to have implications for global politics today as dramatically illustrated by Russia s war in Ukraine While notions of a new Christendom are idolatrous and delusional secular imaginaries of national security or the liberal international order are both destructive and unstable True security radical inclusion nonviolent protection and abundant provision is an eschatological phenomenon inaugurated by Christ Security after Christendom is neither found in faithful government nor an exclusive church as polis approach but in relations of tension where the fallen powers are continuously confronted by prophetic practices A post Christendom community expresses its love for the world by seeking its security providentially limiting the disorders of the secular age and offering glimmers of a new earth *Sociological Abstracts*, 1991 **The American YMCA and Russian Culture** Matthew Lee Miller, 2012-12-14 In The American YMCA and Russian Culture Matthew Lee Miller explores the impact of the philanthropic activities of the Young Men s Christian Association YMCA on Russians during the late imperial and early Soviet periods The YMCA the largest American service organization initiated its intense engagement with Russians in 1900 During the First World War the Association organized assistance for prisoners of war and after the emigration of many Russians to central and western Europe founded the YMCA Press and supported the St Sergius Theological Academy in Paris Miller demonstrates that the YMCA contributed to the preservation expansion and enrichment of Eastern Orthodox Christianity It therefore played a major role in preserving an important part of pre revolutionary Russian culture in Western Europe during the Soviet period until the repatriation of this culture following the

collapse of the USSR The research is based on the YMCA s archival records Moscow and Paris archives and memoirs of both Russian and American participants This is the first comprehensive discussion of an extraordinary period of interaction between American and Russian cultures It also presents a rare example of fruitful interconfessional cooperation by Protestant and Orthodox Christians **America, History and Life** ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Historical Abstracts** ,1999 Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography,1978-11
