The Sikh Religion Max Macauliffe, 1909 Women and the Sikh Diaspora in California Nicole Ranganath, 2024-05-31 This book charts the transoceanic history of South Asian women in California through their speech and songs across the twentieth century Nicole Ranganath reimagines the history of the South Asian diaspora through an examination of gender and the dynamic interplay of water and land in the cultural history of Sikhs a faith and cultural community that emerged in the Punjab region of north South Asia over 550 years ago It shows how the history and music of transoceanic communities in this case Sikhs spilled beyond the boundaries of regions empires and nation states It emphasizes the heterogeneity of the South Asia diaspora by uncovering the distinct history of women s migration experiences as well as an alternative oceanic imaginary among Sikhs that envisions unity in the cosmos It foregrounds the pivotal role that women played in transforming Sikh communities in California through songs and female affinities Based on six years of fieldwork in rural northern California it explores song as a window into the interior lives of Sikh women through their performance of diverse genres gadar anti colonial songs folk music hymns and autobiographical songs This sonic history of South Asian women in the diaspora dislodges dominant paradigms in diaspora studies and oceanic humanities that depict men as mobile and women as stationary Women and the Sikh Diaspora in California will interest scholars of migration South Asia and South Asian American studies oceanic humanities Sikh studies music and women s studies It is also essential reading for anyone who is curious about global music and migration as well as Sikh history **The Sikh Zafar-namah of Guru Gobind Singh** Louis E. Fenech, 2013-01-31 Louis E Fenech offers a compelling new examination of one of the only Persian compositions attributed to the tenth Sikh Guru Guru Gobind Singh 1666 1708 the Zafar namah or Epistle of Victory Written as a masnavi a Persian poem this letter was originally sent to the Mughal emperor Aurangzeb d 1707 rebuking his most unbecoming conduct Incredibly Guru Gobind Singh s letter is included today within the Sikh canon one of only a very small handful of Persian language texts granted the status of Sikh scripture As such its contents are sung on special Sikh occasions Perhaps equally

surprising is the fact that the letter appears in the tenth Guru's book or the Dasam Granth in the standard Gurmukhi script in which Punjabi is written but retains its original Persian language a vernacular few Sikhs know Drawing out the letter's direct and subtle references to the Iranian national epic the Shah namah and to Shaikh Sa'di's thirteenth century Bustan Fenech demonstrates how this letter served as a form of Indo-Islamic verbal warfare ensuring the tenth Guru's moral and symbolic victory over the legendary and powerful Mughal empire Through analysis of the Zafar namah Fenech resurrects an essential and intriguing component of the Sikh tradition its Islamicate aspect *Exploring Gender and Sikh Traditions* Doris R.

Jakobsh, 2021-09-01 This volume gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies The intersections of religion and gender are here explored based on an understanding that both are socially constructed Far from being static as so often presented in world religions textbooks religious traditions are constantly in flux responding to historical cultural and social contexts So too is the Sikh tradition in terms of practices ideologies rituals and notions of identity We here conclude that a Sikh tradition does not exist instead there are numerous forms thereof In this volume Sikhism is presented as a collection of Sikh traditions Gender studies in line with women's liberation masculine and feminist studies have long examined and have long deconstructed the patriarchy but also move to identify other subordinate dominant relations between individuals Indeed there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis as is evidenced by the varied contributions in this volume *Handbook on Sikhs for the Use of Regimental Officers* Robert Worgan Falcon, 1896 [The Sikh Review](#), 2011

Hair Scott Lowe, 2016-07-28 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things Hair a primary marker of our mammalian nature is an extraordinary indicator of economic and social standing political orientation religious affiliation marital status and cultural leanings among other things The meanings of hair are deep powerful and so strongly embedded in cultural conditioning that they are usually understood unconsciously and all the more strongly for that In untangling its myriad meanings Scott Lowe reveals just how little we control our hair no matter the style each and every passer by decides on its significance anew From Hittites to hippies and Pentecostals to porn stars Hair combs through a ubiquitous personal yet public object a charged and carefully managed dead thing Object Lessons is published in partnership with an essay series in The Atlantic **Travel and Exploration** Samuel Carter Gilmour, Eustace Alfred Reynolds-Ball, 1909 *Sketch of the Sikhs* John Malcolm, 1810 *Through the Sikh War* George Alfred Henty, 1894

Cultivating Sikh Culture and Identity Bob van der Linden, 2024-11-18 Cultivating Sikh Culture and Identity explores the development of modern Sikh identities through the concept of cultivation of culture It investigates diverse but repeatedly overlapping Sikh encounters in the fields of art music and philology and considers their role in the making of a continuous living tradition The volume focuses particularly on the imperial encounter and intellectual interaction between coloniser and

colonised It emphasises the enduring importance of the modern rational approach of the Singh Sabha Tat Khalsa reformers in defining a normative Sikh tradition In so doing the author reflects on the importance of philological research and the complexity of modern knowledge production in relation to the formation of cultural identities The chapters offer a critical historical overview of the changes in the performance and reception of Sikh devotional music in the context of the community's successive encounters with the Mughals the British and globalisation They also provide new insights into the life and work of Max Arthur Macauliffe author of the classic *The Sikh Religion* 1909 and a contextualised discussion of contemporary Sikh drawings by Emily de Klerk Taking a global interdisciplinary approach this book will be of particular interest to scholars of religion South Asian Studies and history

Almost Brown Charlotte Gill, 2024-08-20 A Canadian masterpiece Toronto Star A tender and incisive memoir tracing the journey of a biracial globe trotting family that reckons with diversity race and identity from the award winning author of *Eating Dirt* It wasn't simply a question of skin or belonging or the Englishness of Mom or the Indianness of Dad or some murky middle state in between It had become a curry of emotion and allegiance and identity everything cooked together all at once With an Indian father and an English mother young Charlotte Gill's family houses a dizzying blend of two distinctly different cultures featuring turbans and tube socks chana masala and Cherry Coke Until one day the family implodes Her parents divorce her intercultural world fractures and a silence falls between Charlotte and her father Charlotte heads off to university Inheriting her family's nomadic nature she takes off backpacking and eagerly wears her passport down to a pulp And as the years pass her father's absence feels heavier a loss that only seems to grow She begins to unravel how connection to family is inextricably linked to identity her childhood her understanding of race and diversity and her ability to reclaim space for forgiveness and love *Almost Brown* is an exploration of diasporic intermingling involving two deeply eccentric parents from worlds apart and their half brown children who experience the paradoxes of life as it's lived between race checkboxes It's a funny turbulent and ultimately heartwarming memoir about the brilliant messiness of a mixed race family and a search for answers to the question What are you

Anvil of Moonlight William Weyr, 2011-07-28 Tobin Riley a boy raised on dangerous streets is obsessed with someday going to the moon To get there he needs a first tier education and to be one of the best in a vital competitive field And he'll do whatever it takes to make that happen Just when life is in a groove things get twisted Tangled in a web of events pulled from the streets into society's mainstream life for Tobin becomes complicated and even more dangerous Snared in a plot to dismantle the very agency that can take him to Luna he is caught between a ruthless bomber and the realization of his dream The bomber wants him dead but Tobin is hard to find and harder to kill What readers are saying A page turner vivid compelling funny and gripping My kind of afternoon Felix St Augustine A great read pure entertainment Action mystery drama fun this book has it all Kat Washburn Tobin kicks ass Parkour and a stolen nuke loved it Couldn't put it down Kyle Tigue Outstanding Tobin Riley is an exciting character I cared about him and loved the story an incredible adventure with a surprise ending Read and enjoy Patti

Mitchell *Package to India* Catherine Madinaveitia, 2012-02-11 If you've ever been on a coach tour anywhere in the world visited India or intend doing so read this You'll be fascinated to join Stella and her tour group as they're beguiled and polarised by a charismatic guide who wizard-like tantalises them with his enthralling anecdotes The crescendos of his tales are counterpointed by tensions and conflicts among the tourists the interplay of their relationships develops as they bowl along the roads of India in their air conditioned coach Stella the wry narrator is unwillingly fascinated others in the group find love or loss

Junior Steps in RE. Michael Keene, Jan Keene, 1997 Aiming to meet the key demands of the SCAA model syllabi and LEA agreed syllabi this series covers the educational and legal requirements for RE teaching The pupils' books contain information discussion material and activities and each double page spread provides two half hour lessons per week Suggestions for further work are included in the photocopiable teacher's books of which this is the first

The Collected Novels Khushwant Singh, 2000-10-14 This volume brings together all the novels except *The Company of Women* by India's most widely read and celebrated author Included here are the classic *Train to Pakistan* that describes the tragedy of Partition through the love story of a Sikh dacoit and a Muslim girl *I Shall Not Hear the Nightingale* which deals with the conflict in a prosperous Sikh family of Punjab in the 1940s and the best selling *Delhi* a vast erotic irreverent magnum opus centred on the Indian capital
