National Museum In Warsaw Guide Galleries And Study Collections:

National Museum in Warsaw Muzeum Narodowe w Warszawie, 2001 *Oskar Hansen - Opening Modernism* Aleksandra Kedziorek, Lukasz Ronduda, 2014-06-15 Following an international conference organized at the Museum of Modern Art in Warsaw in 2013 Oskar Hansen *Opening Modernism* analyzes diverse aspects of the architectural theoretical and didactical oeuvre of Oskar Hansen who was the Polish member of Team 10 a group of architects that challenged standard views of urbanism more than fifty years ago In chronicling the impact of Hansen's theory of Open Form on architecture urban planning experimental film and visual arts in postwar Poland this volume traces the flow of architectural ideas in a Europe divided by the Cold War Through discussions of the ideas of openness and participation in state socialist economies Oskar Hansen *Opening Modernism* offers new insights into exhibition design and the interrelations of architecture visual arts and the state

Curating Art Janet Marstine, Oscar Ho Hing Kay, 2021-12-30 *Curating Art* provides insight into some of the most socially and politically impactful curating of historical and contemporary art since the late 1990s It offers up a museological framework for understanding watershed developments of curating in art museums Representing the plurality of theory and practice around the expanded field of relational curating the book focuses on curating that prioritises the quality of relationships between people and objects between institutions and people and among people It has wide international breadth with particularly strong representation in East and Southeast Asia including four papers never before translated into English This Asian cluster illuminates the globalisation of the field and challenges dichotomies of East and West while acknowledging distinctions within specific but often transnational cultural spheres The compelling philosophical perspectives and case studies included within *Curating Art* will be of interest to students and researchers studying curating exhibition development and art museums The book will also inspire current and emerging curators to pose challenging but important questions about their own practice and the relationships that this work sustains

From Museum Critique to the Critical Museum Katarzyna Murawska-Muthesius, Piotr Piotrowski, 2016-03-03 Since the late nineteenth century museums have been cited as tools of imperialism and colonialism as strongholds of patriarchalism masculinism homophobia and xenophobia and accused both of elitism and commercialism But could the museum absorb and benefit from its critique turning into a critical museum into the site of resistance rather than ritual This book looks at the ways in which the museum could use its collections its cultural authority its auratic space and resources to give voice to the underprivileged and to take an active part in contemporary and at times controversial issues Drawing together both major museum professionals and academics it examines the theoretical concept of the critical museum and uses case studies of engaged art institutions from different parts of the world It reaches beyond the usual focus on western Europe America and the World including voices from as well as about eastern European museums which have rarely been discussed in museum studies books so far
