National Treasure: A Gates Family Mystery Westward Bound Disney Book Group, Catherine Hapka, 2008-12-23
Matthew Gates's older brother Thomas is convinced a treasure lies hidden with someone or something named Charlotte. But Matthew wants treasure that is more accessible. So when in 1848 the first rumors of gold in California start spreading, Matthew eagerly leaves his family behind and goes West to seek his fame and fortune. A year later, Matthew is part of the original Forty Niners with a claim and no money yet. But then he overhears a fellow miner discussing odd glyphs found in his mine, and Matthew's family instincts kick in. He sets out to see if the glyphs lead to something bigger than all the gold in California, and in the process stumbles upon a group of Forty Niners who will stop at nothing to claim a fortune. Set during some of the most important moments in American history, the Gates Family Mysteries follow the ancestors of Benjamin Franklin Gates, immortalized by Nicholas Cage, as they search for treasure and strive to clear their family name.

And as new territories are claimed and named, two siblings discover the high price of freedom. Adam Benjamin Gates and his twin sister Rebecca have heard their father's tales of his part in the Revolutionary War and his discovery of a great treasure that helped the Patriots. But they have grown tired of living in the past and long for the adventure and excitement promised in this newborn country. When they hear whispers of a voyage to be undertaken to explore the recently purchased Louisiana Territory, the siblings are determined to take part. Soon Adam and Rebecca find themselves on a dangerous journey into uncharted lands. But the greatest danger is yet to come when they learn of a treasure hidden deep in the wilderness. Set during some of the most important moments in American history, the Gates Family Mysteries follow the ancestors of Benjamin Franklin Gates, immortalized by Nicholas Cage, as they search for treasure and strive to clear their family name.

Riley Poole's Book of Secrets Aubrey Paris, 2026-05-05
Someone did something in history and had fun. Great.

Wonderful This is how National Treasure 2004 fan favorite character Riley Poole feels about oft repeated stories of the distant past dismissive and uninspired Poole clearly gravitates toward lesser known tales from history the kind typically missing from high school classrooms In this book franchise expert Aubrey Paris explores historical mysteries capable of piquing the interest of Poole and his fellow enthusiasts of myths that could be true Paris pairs well publicized tales Roanoke colony Salem witches with lesser known events Mecklenburg Declaration Blair House and surprising real world topics plucked straight from the films scripts Templar treasure president s book offering the latest historical interpretations while examining myriad questions that inevitably remain The resulting unofficial unauthorized National Treasure history book will capture the imaginations of even the most skeptical students of the past including Riley Poole himself while inviting an enticing thought How might Poole s niche knowledge of the unexplained contribute to National Treasure s future storylines
