Opting For The Poor Brazilian Catholicism In Transition:

Opting for the Poor Madeleine Adriance, 1986 New Approaches to the Study of Religion Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 *The Poor in Liberation Theology* Tim Noble, 2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church. Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism. The Poor in Liberation Theology questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor. Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an ideological construct but remain icons of God. Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy. *The Church, Dictatorships, and Democracy in Latin America* Jeffrey Klaiber, 2009-09-01 No book in any language equals *The Church, Dictatorships and Democracy in Latin America* for its comparative breadth. Historians, social scientists and general readers will cull from it the conditions needed for the church to play a positive and creative role in furthering human rights and democracy. John A. Coleman, SJ, Loyola Marymount University. Jeffrey Klaiber's book offers a wonderfully informative history of the Church's role in Latin American struggles to defend human rights and achieve democracy. Anyone who has followed with concern and interest these recent struggles from military dictatorships in Brazil and Chile through the violent conflicts in Central America to the most recent struggles in Chiapas, Mexico will find this remarkably comprehensive study of eleven different nations an invaluable text. Arthur F. McGovern, SJ, University of Detroit. This volume provides readers with the first comprehensive view of the church during a defining period of Latin American history. This is an invaluable study by a longtime and astute observer. Edward L. Cleary, OP, Providence College. A compelling account of the role of the church during the dictatorships and internal wars in eleven countries of Latin America by an eminent historian. Gerald H. Anderson, Director of Overseas Ministries Study Center. The Churches and Democracy in Brazil Rudolf von Sinner, 2012-05-04 Brazil is a rapidly emerging country. Brazilian theology, namely the Theology of Liberation, has become well known in the 1970s and 1980s. The politically active Base Ecclesial Communities and the progressive posture of the Roman Catholic Church contrasted with a steadily growing number of evangelicals mostly aligned with the military regime but attractive precisely to the poor. After democratic transition in the mid 1980s the context changed considerably. Democracy, growing religious pluralism and mobility, a vibrant civil society, the political ascension of the Worker's Party and growing wealth, albeit within a continuously wide social gap, are some of the elements that show the need of a new approach to theology. It must be a theology that is both critical and constructive, resisting and cooperative, a theology that is able to give orientation to the

churches valuing and encouraging their contribution in society while avoiding attempts of imposition The Churches and Democracy in Brazil the fruit of years of interdisciplinary study of the Brazilian context and its main churches and theology makes its case for an ecumenically articulated public theology It seeks inspiration mainly in Luther and Lutheran theology emphasizing human dignity freedom trust the disposition to serve and the ability to endure the ambiguities of reality as well as a fresh interpretation of the doctrine of the two regiments These are the fundamental elements of what makes human beings full members of the body politic citizenship their right to have rights and to be able to effectively live them together with their corresponding duties in a move of growing political participation conscious of their religious motivation in view of the commonweal

The Costa Rican Catholic Church, Social Justice, and the Rights of Workers, 1979-1996 Dana Sawchuk, 2006-01-01 Provides a new understanding of the relationship between Church and State in 20th century Costa Rica Understanding the relationship between religion and social justice in Costa Rica involves piecing together the complex interrelationships between Church and State between priests popes politics and the people This book does just that Dana Sawchuk chronicles the fortunes of the country's two competing forms of labour organizations during the 1980s and demonstrates how different factions within the Church came to support either the union movement or Costa Rica's home grown Solidarity movement Challenging the conventional understanding of Costa Rica as a wholly peaceful and prosperous nation and traditional interpretations of Catholic Social Teaching this book introduces readers to a Church largely unknown outside Costa Rica Sawchuk has carefully analyzed material from a multitude of sources interviews newspapers books and articles as well as official Church documents editorials and statements by Church representatives to provide a firmly rooted socio economic history of the experiences of workers and the Catholic Church's responses to workers in Costa Rica

Liberation Theologies Ronald G. Musto, 2020-11-25 First Published in 1991 The following is a comprehensive scholarly bibliography of published materials on the varieties of liberation theology mostly in book form available in English It is intended as an introductory survey to this vast and quickly expanding field for the teacher and student of contemporary theology of biblical hermeneutics and to the interrelationship of politics and religion around the world It will also serve as a comprehensive bibliography *World Catholicism in Transition* Thomas M. Gannon, 1988 *Liberation against Entitlement* Tim Noble, 2022-07-29 Christianity and politics cannot and should not be divided But in times of deep social division how do Christians make political choices that aim to build a society of justice and peace where wholeness and unity reign With special reference to two apparently very different contexts Brazil and the Czech Republic this book delves into this question suggesting that behind a clash of political populisms there is a deeper theological conflict Grace the action of God in the world is understood by some as material reward for their giving and thus as an entitlement to goods financial rewards or narrow national interests For others grace is a gift of God that always goes beyond any attempt to possess it and enables attention to the other especially the other who is poor excluded and oppressed What this means concretely is discussed through a close reading of Pope Francis's *Fratelli Tutti* Another world is possible and this book sets out a vision of what it will look like **Hispanic/Latino Theology** Ada María Isasi-Díaz, Fernando F. Segovia, 1996-01-01 U S Hispanic Latino voices have emerged in the last ten years to become one of the strongest and most creative theological movements in the Americas Fully ecumenical and organized in systematic collaborative framework this major volume features Hispanic theology's sources the Bible church history cultural memory literature oral tradition pentecostalism loci urban barrios Puerto Rico exile liberation social sciences Latina feminists and rich and vigorous expressions mujerista theology popular religion theopoetics

Hispanic Latino Theology not only celebrates the full flowering of U S Latino work it also splendidly reveals the exciting possibilities and future shape of contextual theologies in close touch with the daily realities of struggling people
