Options Trading Matthew Warren Hedge,2020-06-10 STOP Trading Options like Gambling Learn How to Stick there is a cost to not dealing with this If you don t do something about it get worse What most people do while trading options and losing money is they treat this business like a gamble and guesswork thinks they are missing some technical aspects some secret sauce and pro tips buying tons of overhyped courses But for most people none of that works The primary problem is because of hitting the market unprepared even though most people assume that they are prepared Tips never make you successful learning can This one of the biggest reasons makes the traders lose money Yes you may get some small temporary gain never works in the long run Trying to get into many trades without a strategic Risk Reward assessment is a blunder for you Whenever you trade emotionally it s an invitation to disaster And finally you probably end up losing confidence and an opportunity which could be your prominent source of income And what happens if you do nothing If you keep doing what you ve been doing You never get the real taste of trading remain stuck in the cycle of never ending losses And finally you complain about the business model and remain broke How i discovered the secrets of options trading Nothing secret a compilation of systematic scientific approach based on the specific principles of options trading Here s the story I tried everything out there just like you After wasting much hard earned money being frustrated and going through all the hardships i decided to dedicate a year to learn apply and test every day and night I was not the same trader I successfully managed and multiplied my investment and did the same to my friends and family More than that a proven psychological systematic was discovered With the encouragement of my friends and family it reached you It worked for these people and it will work for you I went from a stupid broker to a successful trader in one year living my dream life but what s impressive is what happened to other people The book contains Options Trading For Beginners Options Trading Strategies Now it s your turn go ahead and make a successful living in options
