Oracles of Nostradamus Charles A. Ward,1999 Nostradamus and other prophets do not prophecy beyond the year 2000 Nostradamus is the most popular and probably the most accurate **Oracles of Nostradamus** Charles Ward,2007-09 Charles A Ward is perhaps the best known of the academics who have endeavored to explain the relevance of Nostradamus prophecies He marshals an impressive array of linguistic and historical facts to back up his position on these enigmatic predictions Charles Ward was a believer and once you ve read his book you will be too Since governments sects and countries will undergo such sweeping changes diametrically opposed to what now obtains that were I to relate events to come those in power now monarchs leaders of sects and religions would find these so different from their own imaginings that they would be led to condemn what later centuries will learn how to see and understand Nostradamus **Oracles of Nostradamus** Charles (ed.) Ward,1940 Oracles of Nostradamus Nostradamus,1982 The 16th century prophecies of modern events by Nostradamus are chronicled The Oracles of Nostradamus Michel De Nostredame,1992-10-01 The Oracles by Nostradamus Charles W. Ward,2009-04-09 Charles Ward is one of the worlds foremost Nostradamus scholars and unlike others interprets the works of the worlds greatest seer using the archaic French Greek and Latin the master originally used to compose his quatrains Ward intuitively speculates as to the methods used by Nostradamus to gain his foresight which in hindsight makes Nostradamus the worlds greatest visionary psychic **Oracles of Nostradamus** C A Ward,2020-10-24 THIS is no doubt a strange book An attempt to gather a meaning out of a few of the involved crabbed and mystical quatrains of the great seer of France the greatest perhaps that the world has ever seen must of necessity be strange My treatment too may possibly seem to many no less strange than the subject matter itself For a prophet says nothing of his own but everything that he says is strange and prompted by some one else and it is not lawful for a wicked man to be an interpreter of God as also no wicked man can be properly said to be inspired but this statement is only appropriate to the wise man alone since he alone is a sounding instrument of God s voice PHILO Heir of Divine Things 52 Bohn ii 146 It is impossible to say whether an inner sense does not really exist in the mind seldom developed indeed but which may have a

power of presentiment All the external senses have their correspondents in the mind the eye can see an object before it is distinctly apprehended why may there not be a corresponding power in the soul The power of prophecy might have been merely a spiritual excitation of this dormant faculty In the matter of prophecy Photius says in his *Amphilochia* that prophecy is by no means necessarily connected with virtue for that Herod pre announced as it were that the Gentile magi Jud a and the world were about to recognize Christ for King and so he desired to make away with him In this way he played the part of prophet to the whole human race Caiaphas he thinks was not conscious of what he said in the mania of a desire to kill his lips prophesied that it was right that one should die to save the whole world Let his blood be upon us and upon our children is a foreboding instinct of the same description In the council of the Pharisees John xi 48 it was prophetic If we let him alone the Romans will come and take away our place and nation and though they followed out then own counsel this is just what happened And see he adds the ass in the Old Testament could forecast future things He was an heretical writer Photius but he was evidently not so far away as the world is now from believing that prophetic endowment is a sense widely distributed to humanity in general These hints alone may furnish us with food for useful meditation Now with all this a reader will very likely say Supposing we grant you the prophetic as a sixth sense to be henceforth reckoned as a permanent though generally latent endowment of the race what is the good of such a sense supposing with you that your prophet can never be understood till after the event has taken place and then only when some drudging interpreter has untwisted his tortuous language and thrown it into the intelligible vernacular The reader first of all should glance over the life of Nostradamus It will be for him to determine whether my vindication of his name from imposture be adequate or not Oracles of Nostradamus - Scholar's Choice Edition Charles A. 1942- Ward,2015-02-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Selected Oracles of Nostradamus* Michel De Nostradame,2012-06 The end of the world The Antichrist Armageddon Nuclear War Global warming The 7 7 London attack The 9 11 New York attack The 1979 Iranian Revolution JFK s assassination World War II Hitler s rise to power Airplanes and their use in war The American Civil War The Industrial Revolution Napoleon s failed invasion of Russia The French Revolution The American Revolution His own death Did
