Luminous Fairytales for our Little Darlings LUCIE TICHÁ,2014-05-29 This story book full of positive energy is written not only for our little loved ones but for our big loved ones as well the mothers and fathers grandmothers and grandfathers and everyone else It has the luminous task of bringing LOVE into everyone's heart enlightening opening and thus creating order in our hearts leaving only the most important thing LOVE This is the greatest force capable of interconnecting all people animals and nature From all my heart I hope my book shows you that love is everywhere even where we least expect it A life full of love is joyful and vibrant Where love is missing it is sad and gloomy Our ideas affect our actions either positively or negatively They are either good when they come from the heart or bad when our hearts are empty or closed Fairytales should teach and show us that each of us is a unique magical being who through magical words or helpful deeds can change not only our own life but also the life of those around us We can make others happy We have been given great power and it is up to us to use it well Some fairytales show us that everyone is different but at the same time that we have our many similarities They also show that mutual help is stronger than one-sided aid The magic words thank you and please can fulfill your wishes and make your dreams come true Using colors other fairytales heal and harmonize teaching us that illness can also be cured by using bright white light Some of the stories show us how we can change the atmosphere and energy levels either by tidying up or simply smiling cheerfully Read these energy-filled tales to your darlings at bedtime because their effect before and during sleep are the strongest The stories influence dreams which affect the children all through the night This method of passing luminous information to the child's world through fairytales is most beautiful It will act as luminous medicine and fuel their pristine souls Our little darlings will feel harmonized and happy which is the most important thing we can want for them **American Short-horn Herd Book, Containing Pedigrees of Short-horn Cattle** American Short-horn Breeders' Association,1914 **The American Short-horn Herd Book** Lewis Falley Allen,William T.
