### Orchestra Vol 3:

*Giacomo Puccini* Roger Flury, 2012-06-21 Opera recordings have been with us since the creation of the first wax cylinders. Now at a time when the 25 year reign of the compact disc appears to be coming to an end is the moment to take stock of the history of recordings of arguably the most popular composer of operas Giacomo Puccini. In *Giacomo Puccini A Discography* librarian and music historian Roger Flury looks at each opera chronologically from *Le Villi* to *Turandot* followed by sections on Puccini's instrumental, chamber, orchestral and solo vocal works. Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase. This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters ensuring that the audio recording history of Puccini is free of gaps. Video and DVD issues whether of staged performances or excerpts in concert are not included unless they have been issued in a sound only format. This volume brings together information on nearly 10 000 recordings of Puccini's music. It provides a comprehensive overview of the recorded history of the composer's works and serves as a useful guide for the transfer of recordings from one format to another.

*A Chronicle of First Broadcast Performances of Musical Works in the United Kingdom, 1923-1996* Alastair Mitchell, 2019-06-04 First published in 2001 this work provides detailed information taken from the Programmes as Broadcast daily log of output held at the BBC Written Archives Centre in Caversham. Arranged in chronological order entries are given for broadcasts of first performances of musical works in the United Kingdom and include details of the date of the broadcast, the composer, the title of the work, performers and conductor. In addition to its usefulness as a reference tool the Chronicle enables us to gauge the trends in twentieth century British musical life and the role of the BBC in their promotion.

**Jesús María Sanromá** Alberto Hernández, 2008-05-02 Puerto Rican born Jesús María Sanromá 1902-1984 was one of the leading pianists in the United States. After graduating from the New England Conservatory he embarked on an enviable concert career as official pianist for the Boston Symphony Orchestra as well as soloist with other leading American orchestras. He was an accompanist, a recording artist and a teacher and he also stimulated and commissioned composers to write new music fueled by his eagerness to present it to the general public. Jesús María Sanromá: An American Twentieth Century Pianist is the first biography of this talented performer and one of the first books written about a native Puerto Rican classical musician. The book depicts many facets of Sanromá's life: his youth in Puerto Rico, his training at the Conservatory and abroad, his amazing concert career and collaboration with first class musicians, conductors and composers, his historical performances and recordings and the zenith of his musical life when he returned home. Alberto Hernández provides abundant information about Sanromá's life, career and professional relationships uniquely documenting the pianist's close association and collaboration with Paul Hindemith, Serge Koussevitzky, Walter

Piston Nicolas Slonimsky Vladimir Dukelsky Mrs Edward MacDowell Arthur Fiedler William Primrose and many others Two appendixes offer the complete sound archives and a list of Sanrom s impressive orchestra repertory making this book a valuable reference as well as an informative read for music lovers and students of American and Latin American history
