THE COMING OF WAR

JAMES M. MCPHERSON

# Ordeal By Fire Vol 1 The Coming Of War

**Peter Zavodnyik**

## **Ordeal By Fire Vol 1 The Coming Of War:**

*Ordeal by Fire, Vol. 1: The Coming War* James M. McPherson, 2000-06-27      *Lincoln's First Crisis* William Bruce Johnson, 2020-07-21 Lincoln's First Crisis concerns five of the most consequential months in American history December 1860 through April 1861 When Abraham Lincoln swore his oath as president the United States was disintegrating Seven states had seceded and as many as eight seemed poised to join them depending upon how the new president handled the secession crisis and its flashpoint Fort Sumter in South Carolina the heart of the rebellion The fate of the republic hung in the balance The Sumter crisis has been hotly debated and deeply researched for more than 150 years In this thoughtful reassessment William Bruce Johnson combines thorough research and the latest historiography with a litigator's methodical analysis and a storyteller's eye for meaningful detail Shortly after taking office Lincoln decided upon a plan to avoid war with the seceded states while keeping his inaugural promise to maintain a Union military presence in the South Because he chose not to reveal his plan to anyone rumors soon spread that he was simply afraid to act One source of such rumors was Lincoln's secretary of state William Henry Seward Resentful that Lincoln had deprived him of the Republican nomination and convinced that Lincoln lacked the political sophistication necessary to deal with the secession crisis Seward decided to negotiate with the Confederacy on his own and in secret General Winfield Scott meanwhile the Union's most senior military officer had for a decade depended upon Seward for political advice and now considered himself under orders from Seward not the president Johnson traces how Seward and Scott sabotaged Lincoln's plan From this account from his examination of various personalities such as that of Fort Sumter's commander Major Robert Anderson and from his granular research into aspects of the Order of Battle in Charleston Johnson has here constructed a new narrative of this crucial period culminating in a new theory of how and why the Civil War began as it did and how and why if the new president's orders had been properly carried out by Seward and Scott it might have been averted      [The Age of Strict Construction](#) Peter Zavodnyik, 2007-10 The Age of Strict Construction explores the growth of the federal government's power and influence between 1789 and 1861 and the varying reactions of Americans to that growth      **Frederick Douglass and the Fourth of July** James A. Colaiaco, 2007-06-26 An important look at Frederick Douglass pivotal July 4th 1852 speech in which he identified the grand American Dilemma the critical contradiction between slavery and our nation's ideals and set the stage for his life's work      *The Urban South and the Coming of the Civil War* Frank Towers, 2004 Book Review      *Ordeal by Fire* James M. McPherson, 1982 Written by a leading Civil War historian and Pulitzer Prize winner this text describes the social economic political and ideological conflicts that led to a unique tragic and transitional event in American history The third edition incorporates recent scholarship and addresses renewed areas of interest in the Civil War Reconstruction era including the motivations and experiences of common soldiers and the role of women in the war effort      *The Filleys* Donald Southerton, 2005-06 The Filleys 350 Years of American Entrepreneurial Spirit provides snapshots into American

entrepreneurship history for a broad readership through a series of biographic essays These stories centering on the accomplishments of one family provide vivid insights into entrepreneurialism in America spatially across the country and temporally over three centuries Author Don Southerton guides the reader through multiple generations of the Filley family beginning in 17th century Puritan New England The saga includes the rise of the Yankee trader land speculation and the development of American manufacturing The Filley business endeavors represent a slice of the American entrepreneurial experience Moreover this experience was shared by many thousands of other Americans whose families can be traced to colonial times Together they raised families embraced capitalism and built this country The portraits of people and events in this saga provide us with a revealing and instructive glimpse into times long gone and allow us to connect vicariously to a part of our collective past

**Natural Protest** Michael Egan, Jeff Crane, 2009-05-07 From Jamestown to 9 11 concerns about the landscape husbanding of natural resources and the health of our environment have been important to the American way of life Natural Protest is the first collection of original essays to offer a cohesive social and political examination of environmental awareness activism and justice throughout American history Editors Michael Egan and Jeff Crane have selected the finest new scholarship in the field establishing this complex and fascinating subject firmly at the forefront of American historical study Focused and thought provoking Natural Protest presents a cutting edge perspective on American environmentalism and environmental history providing an invaluable resource for anyone concerned about the ecological fate of the world around us

**The American Civil War** Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

**Two Miserable Presidents** Steve Sheinkin, 2009-07-07 New York Times bestselling author and Newbery Honor recipient Steve Sheinkin gives young readers the causes and curses that divided America into Union and Confederate nations in Two Miserable Presidents The Amazing

Terrible and Totally True Story of the Civil War illustrated by Tim Robinson A Bank Street Best Children s Book of the Year A Beacon of Freedom Award Winner Get the feeling something big is about to happen Welcome to the Civil War one of the scariest saddest and occasionally wackiest stories in American History 1856 Northern and Southern settlers attack each other in Kansas 1858 Congressmen start sneaking guns and knives into the Senate chamber 1860 President James Buchanan is heard wailing I am the last president of the United States Unraveling a very complicated string of events the small things the personal ones the big issues Steve Sheinkin takes readers behind the scenes that led to The Civil War It is a time and a war that threatened America s very existence revealed in the surprising true stories of the soldiers and statesmen who battled it out Chatty and accessible this book does double duty it introduces Civil War history for readers who don t know much about it and supplies browsable commentary for those familiar with the big picture Beginning with a look at the role cotton played in the history his fast paced narrative is broken into short tersely titled vignettes The horrors of slavery and battlefield slaughter are clear as are achievements of Harriet Tubman Frederick Douglass John Brown and many more Booklist Also by Steve Sheinkin Bomb The Race to Build and Steal the World s Most Dangerous Weapon The Notorious Benedict Arnold A True Story of Adventure Heroism Treachery The Port Chicago 50 Disaster Mutiny and the Fight for Civil Rights Undeclared Jim Thorpe and the Carlisle Indian School Football Team Most Dangerous Daniel Ellsberg and the Secret History of the Vietnam War Which Way to the Wild West Everything Your Schoolbooks Didn t Tell You About Westward Expansion King George What Was His Problem Everything Your Schoolbooks Didn t Tell You About the American Revolution Born to Fly The First Women s Air Race Across America

**Peacekeeping on the Plains** Tony R. Mullis,2004 Operations in the 1850s and assist military historians in their understanding of these activities as they relate to the twenty first century Jacket

**Party, Process, and Political Change in Congress, Volume 1** David W. Brady,Mathew Daniel McCubbins,2002 This book argues that despite the scholarly emphasis on 20th century congressional history it is necessary to study the nation s first 150 years in order to understand more fully the evolution and functioning of the modern Congress

**Turning Points of the American Civil War** Chris Mackowski,Kristopher D. White,2018 Although most Americans believe that the Battle of Gettysburg was the only turning point of the Civil War the war actually turned repeatedly Turning Points of the American Civil War examines key shifts and the context surrounding them demonstrating that the war was a continuum of watershed events

**War and the Art of Governance** Nadia Schadlow,2017-03-01 Success in war ultimately depends on the consolidation of political order Nadia Schadlow argues that the steps needed to consolidate a new political order are not separate from war They are instead an essential component of war and victory The challenge of governance operations did not start with the wars in Iraq and Afghanistan The US Army s involvement in the political and economic reconstruction of states has been central to all its armed conflicts from large scale conventional wars to so called irregular or counterinsurgency wars Yet US policymakers and military leaders have failed to institutionalize lessons on how to

consolidate combat gains into desired political outcomes War and the Art of Governance examines fifteen historical cases of US Army military interventions from the Mexican War through the wars in Iraq and Afghanistan Improving future outcomes will require US policymakers and military leaders to accept that plans timelines and resources must be shaped to reflect this reality before they intervene in a conflict not after things go wrong Schadlow provides clear lessons for students and scholars of security studies and military history as well as for policymakers and the military personnel who will be involved in the next foreign intervention

**Over Lincoln's Shoulder** Bruce Tap,1998 A history of the activities of the Committee on the Conduct of the War COCOW established by the American Congress shortly before the beginning of the Civil War The study focuses on the nature of its power and influence on military policy in order to show its true impact Congressional Record United States. Congress,1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Journal of the Civil War Era* William A. Blair,2011-06-01 The University of North Carolina Press and the George and Ann Richards Civil War Era Center at the Pennsylvania State University are pleased to Publish The Journal of the Civil War Era William Blair of the Pennsylvania State University serves as founding editor Table of Contents for this issue Volume One Number Two volume 1 number 2 June 2011 Table of Contents Articles a kristen foster We Are Men Frederick Douglass and the Fault Lines of Gendered Citizenship kathryn s meier No Place for the Sick Nature s War on Civil War Soldier Mental and Physical Health in the 1862 Peninsula and Shenandoah Valley Campaigns brandi c brimmer Her Claim for Pension Is Lawful and Just Representing Black Union Widows in Late Nineteenth Century North Carolina Review Essay frank towers Partisans New History and Modernization The Historiography of the Civil War s Causes 1861 2011 Book Reviews Books Received Professional Notes daniel e sutherland The Seven O Clock Lecture Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century

**Chancellorsville's Forgotten Front** Chris Mackowski,Kristopher D. White,2013-05-01 The first book length study of two overlooked engagements that helped turned the tide of a pivotal Civil War battle By May of 1863 the stone wall at the base of Marye s Heights above Fredericksburg Virginia loomed large over the Army of the Potomac haunting its men with memories of slaughter from their crushing defeat there the previous December They would assault it again with a very different result the following spring This time the Union troops wrested the wall and high ground from the Confederates and drove west into the enemy s rear The inland drive stalled in heavy fighting at Salem Church Chancellorsville s Forgotten Front is the first book to examine Second Fredericksburg and Salem Church and the central roles they played in the final

Southern victory Authors Chris Mackowski and Kristopher D White have long appreciated the pivotal roles these engagements played in the Chancellorsville campaign and just how close the Southern army came to grief and the Union army to stunning success Together they seamlessly weave their extensive newspaper archival and firsthand research into a compelling narrative to better understand these combats which usually garner little more than a footnote to the larger story of Stonewall Jackson s march and fatal wounding Chancellorsville s Forgotten Front offers a thorough examination of the decision making movements and fighting that led to the bloody stalemate at Salem Church as Union soldiers faced the horror of an indomitable wall of stone and an undersized Confederate division stood up to a Union juggernaut

The Civil War Diaries of Cassie Fennell Whitney A. Snow, 2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war s end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow s compilation adds to the now growing genre of women s Civil War diaries Insightful and engrossing The Civil War Diaries of Cassie Fennell is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation

William Henry Seward John M. Taylor, 1996-10 From Kirkus Reviews A friendly yet not uncritical biography of the secretary of state in the Lincoln and Andrew Johnson Cabinets Taylor who chronicled his father s life in General Maxwell Taylor 1987 offers neither much original scholarship nor
