Ordeal in Algeria Richard Munthe Brace,1960 *Ordeal in Algeria* Richard Munthe Brace,2003-01-01 *Casebook on Insurgency and Revolutionary Warfare* American University (Washington, D.C.). Special Operations Research Office,Paul A. Jureidini,1962 **Stopping Wars** James D D Smith,2018-03-13 This is an attempt to catalogue the reasons why some wars are so difficult to stop even when both sides want the fighting to end Through detailed case studies the book assesses the obstacles and points toward solutions for ending wars more quickly Each chapter is devoted to a specific obstacle which the author analyzes and then illustrates with case studies drawing on such conflicts as the Iran Iraq War the Gulf War and the Yugoslav wars He assesses the role of third parties in trying to persuade people to stop fighting and examines what happens when obstacles to a cease fire cannot be overcome *Casebook on Insurgency and Revolutionary Warfare* ,2012 *For Commanders* ,1961 *Taking Power* John Foran,2005-11-17 *Taking Power* analyzes the causes behind some three dozen revolutions in the Third World between 1910 and the present It advances a theory that seeks to integrate the political economic and cultural factors that brought these revolutions about and links structural theorizing with original ideas on culture and agency It attempts to explain why so few revolutions have succeeded while so many have failed The book is divided into chapters that treat particular sets of revolutions including the great social revolutions of Mexico 1910 China 1949 Cuba 1959 Iran 1979 and Nicaragua 1979 the anticolonial revolutions in Algeria Vietnam Angola Mozambique and Zimbabwe from the 1940s to the 1970s and the failed revolutionary attempts in El Salvador Peru and elsewhere It closes with speculation about the future of revolutions in an age of globalization with special attention to Chiapas the post September 11 world and the global justice movement **The Encyclopedia of the Cold War** Spencer C. Tucker,2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's *The Encyclopedia of the Cold War A Political Social and Military History* offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union *The Encyclopedia of the Cold War* provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time **Near East and North Africa** Foreign Service Institute (U.S.). Center for Area and Country Studies,1968 **Commanders Digest** ,1961

Albert Camus Emmett Parker,1965 The words of this principled French writer and philosopher who was born in Algeria ring strongly today *External Research* United States. Department of State. External Research Division, *The History of the Congregation of Holy Cross* James T. Connelly C.S.C.,2020-12-15 In 1837 Basile Moreau C S C founded the Congregation of Holy Cross C S C a community of Catholic priests and brothers to minister to and educate the people of France devastated by the French Revolution During the centuries that followed the Congregation expanded its mission around the globe to educate and evangelize including the establishment in 1842 of the Congregation s first educational institution in America the University of Notre Dame This sweeping book written by the skilled historian and archivist James T Connelly C S C offers the first complete history of the Congregation covering nearly two centuries from 1820 to 2018 Throughout this volume Connelly focuses on the ministry of the Congregation rather than on its ministers although some important individuals are discussed including Jacques Fran ois Dujari Sr Mary of the Seven Dolors M S C Andr Bessette C S C and Edward Sorin C S C Within a few short years of founding the Congregation Moreau sent the priests brothers and sisters from France to Algeria the United States Canada Italy and East Bengal Connelly chronicles in great detail the suppression of all religious orders in France in 1903 and demonstrates how the Congregation shifted its subsequent expansion efforts to North America Numerous educational institutions parishes and other ministries were founded in the United States and Canada during these decades In 1943 Holy Cross again extended its work to South America With the most recent establishment of a religious presence in the Philippines in 2008 Holy Cross today serves in sixteen different countries on five continents The book describes the beatification of Basil Moreau C S C on September 15 2007 and the canonization of Andr Bessette C S C on October 17 2010 The book will interest C S C members and historians of Catholic history Anyone who wants to learn about the origins of the University of Notre Dame will want to read this definitive history of the Congregation **Language Planning and Policy**

in Africa Richard B. Baldauf,Robert B. Kaplan,2007-01-01 A longer range purpose is to collect comparable information on as many polities as possible in order to facilitate the development of a richer theory to guide language policy and planning in other polities that undertake the development of a national policy on languages This volume is part of an areal series which is committed to providing descriptions of language planning and policy in countries around the world **BOOK JACKET**

Terrorism and the State Kieran McConaghy,2017-08-22 This book investigates the ways in which the particular nature and character of the state can impact upon the effectiveness of counter terrorism efforts and on the trajectory of violent conflicts Here McConaghy not only analyses historical campaigns of terrorism and the response of states to them but also highlights how factors such as emotion intra state cooperation communication and competition have all served to shape conflicts in the past This volume explains what the ramifications of these factors are for academics studying political violence for state elites with counter terrorism responsibility and for individuals or organizations who use violence to achieve their political goals **Entre Hommes** Todd W. Reeser,Lewis Carl Seifert,2008 Despite its debt to French thought for theoretical

constructs masculinity studies have been dominated by work on English language texts and contexts *Entre Hommes* lays the foundation for French and Francophone masculinity studies in both a cultural and theoretical sense This ground breaking volume considers what is meant by French or Francophone masculinities per se and how these identities have or have not changed over time with essays spanning periods from the Middle Ages to the present An introduction situates the study of masculinity within the work of recent French thinkers and essays examine both key writers and recurring cultural images
