Order And Might:

Order and Might Nathan Rotenstreich, 2012-02-01 This is a systematic philosophy of politics and the state As few contemporary books do Order and Might provides a general theory exploring the structure of socio political experience It not only addresses such issues as the nature of freedom justice sovereignty and the relation between rights and obligations but also defines the systematic connections between them Rotenstreich relates political theory to history and morality and develops the theory through careful formulations of all of the traditional categories Without expounding the great political theorists this book is a continued conversation with them Plato and Aristotle Machiavelli and Hobbes Hegel and Marx Weber Berlin and Rawls

International Relations, Political Theory and the Problem of Order N. J. Rengger, 1999-11-04 This book seeks to offer a general interpretation and critique of both methodological and substantive aspects of International theory
