**Ordinary People Dancing** Eibhear Walshe, 1993      **Ordinary People Dancing** Eibhear Walshe, 1993      **Kate O'Brien and Spanish Literary Culture** Jane Davison, 2017-10-18 One of the most important Irish novelists of the twentieth century Kate O'Brien 1897-1974 was also a pioneer of women's writing. In a career that spanned almost fifty years, nine novels, nine plays, two travelogues, and copious criticism O'Brien rebelled against the narrow nationalism and restrictive Catholicism prevalent in independent Ireland. In this highly original approach to O'Brien's work, Davison traces the influence of three leading Spanish writers: Jacinto Benavente, Miguel de Cervantes, and Teresa of Avila. O'Brien's lifelong fascination with Spanish literature and culture offered an oblique way of resisting the Catholic and conservative imperatives of the Irish Free State. In a series of close comparative readings, Davison identifies the origin of O'Brien's creative disinhibition and ultimately situates her within a tradition of dissident Irish women writers.

**Kate O'Brien and the Fiction of Identity** Aintzane Legarreta Mentxaka, 2014-01-10 Kate O'Brien's work is now widely considered canonical in the English language, and the author herself an icon for Ireland seeking to reinvent itself. O'Brien's novel *Mary Lavelle*, banned upon publication in 1936, is a key work of the twentieth century that has suffered from critical neglect despite its wider popularity with readers. This book reexamines *Mary Lavelle*, exploring its role in the modernist canon and its importance to political and queer activism. The novel's biographical and autobiographical experimentation is of particular note. Through the lens of this crucial novel, the oeuvre of Kate O'Brien is recontextualized and reassessed.

**Back to the Present, Forward to the Past** International Association for the Study of Irish Literatures. Conference, 2006 The island of Ireland, north and south, has produced a great diversity of writing in both English and Irish for hundreds of years, often using the memories embodied in its competing views of history as a fruitful source of literary inspiration. Placing Irish literature in an international context, these two volumes explore the connection between Irish history and literature in particular the Rebellion of 1798 in a more comprehensive, diverse, and multi-faceted way than has often been the case in the past. The fifty-three authors bring their national and personal viewpoints as well as their critical judgements to bear on Irish literature in these stimulating articles. The contributions also deal with topics such as Gothic literature, ideology, and identity, as well as gender issues, connections with the other arts, regional Irish literature in particular that of the city of Limerick, translations, the works of Joyce, and comparisons with the literature of other nations. The contributors are all members of IASIL, International Association for the Study of Irish Literatures. *Back to the Present, Forward to the Past: Irish Writing and History since 1798* will be of interest to both literary scholars and professional historians, but also to the general student of Irish writing and Irish culture.

**Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 *The Reader's Guide to Lesbian and Gay Studies* surveys the field in some 470 entries on individuals, Adrienne Rich, arts and cultural studies, dance, ethics, religion, and philosophical issues, Monastic Traditions, historical figures, periods, and ideas, Germany between the World Wars, language

literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      *Gay and Lesbian Literary Heritage* Claude J. Summers, 2014-02-25 The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work. It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth, critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions. Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world. New articles in this volume feature authors such as Michael Cunningham, Tony Kushner, Anne Lister, Kate Millet, Jan Morris, Terrence McNally, and Sarah Waters, essays on topics such as Comedy of Manners and Autobiography, and overviews of Danish, Norwegian, Philippine, and Swedish literatures as well as updated and revised articles and bibliographies.

*A History of the Irish Novel* Derek Hand, 2011-03-10 Derek Hand's *A History of the Irish Novel* is a major work of criticism on some of the greatest and most globally recognisable writers of the novel form. Writers such as Laurence Sterne, James Joyce, Elizabeth Bowen, Samuel Beckett, and John McGahern have demonstrated the extraordinary intellectual range, thematic complexity, and stylistic innovation of Irish fiction. Derek Hand provides a remarkably detailed picture of the Irish novel's emergence in the seventeenth and eighteenth centuries. He shows the story of the genre is the story of Ireland's troubled relationship to modernisation. The first critical synthesis of the Irish novel from the seventeenth century to the present day, this is a major book for the field and the first to thematically, theoretically, and contextually chart its development. It is an essential, entertaining, and highly original guide to the history of the Irish novel.

*Narrating Irish Female Development, 1916-2018* Jane Elizabeth Dougherty, 2024-12-31 *Narrating Irish Female Development, 1916-2018* studies narratives of Irish female and feminized development, arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly. The first full-length study of the Irish female coming-of-age story, the book develops a feminist psychoanalytic narratology derived from the belated oedipalization of Joyce's Bildungsroman to read these stories. This study argues that all Irish maturation stories are shaped by the uneven and belated maturation story of the Irish republic itself, which took as its avatar the Irish woman whose citizenship in that republic was unrealized, as indeed was her citizenship in an Irish republic of letters. Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce's work.

*Impure thoughts* Michael G. Cronin, 2017-10-03 *Impure thoughts* is the first study of the twentieth-century Irish Catholic Bildungsroman. This comparative examination of six Irish novelists tracks the historical evolution of a literary genre and its significant role in Irish culture. With chapters on James Joyce and Kate O'Brien, along with studies of Maura Laverty, Patrick Kavanagh, Edna O'Brien, and John McGahern, this book offers a fresh new approach to the study of twentieth-century Irish writing and of the twentieth-century novel. Combining the study of literature and of archival material, *Impure thoughts* also develops a new interpretive framework.
