Gene V. Palmer

Orest Somov Russian Fiction Between Romanticism And Realism:

Orest Somov John Mersereau (Jr.),1989 **Folk Horror** Dawn Keetley,Ruth Heholt,2023-04-15 While the undisputed heyday of folk horror was Britain in the 1960s and 1970s the genre has not only a rich cinematic and literary prehistory but directors and novelists around the world have also been reinventing folk horror for the contemporary moment This study sets out to rethink the assumptions that have guided critical writing on the genre in the face of such expansions with chapters exploring a range of subjects from the fiction of E F Benson to Scooby Doo video games and community engagement with the Lancashire witches In looking beyond Britain the essays collected here extend folk horror s geographic terrain to map new conceptualisations of the genre now seen emerging from Italy Ukraine Thailand Mexico and the Appalachian region of the US

The Witches of Kyiv Orest Somov,2016-11-04 In *The Witches of Kyiv and Other Gothic Tales* by Orest Somov the supernatural is present throughout Ukraine from a cemetery in Kyivan Rus to an isolated forest cottage in the seventeenth century Kozak era to the society ballrooms of Somov s own world the early nineteenth century Gothic horror appears in many guises including witches warlocks demons and vengeful rusalka Strange soothsayers and malevolent visitors represent the forces of good and evil In her foreword Dr Svitlana Kryz describes Somov as an initiator of an indigenous literary tradition of the Gothic in the Ukrainian literary canon Native folk traditions ghost stories and European Romanticism are twisted together in Somov s imaginative tales most of which are published here in English for the first time **Alexander Bestuzhev-Marlinsky and Russian Byronism** Lewis Bagby,2010-11-01 *Rivers in Russian Literature* Margaret Ziolkowski,2020-11-20 *Rivers in Russian Literature* focuses on the Russian literary and folkloric treatment of five rivers the Dnieper Volga Neva Don and Angara Each chapter traces within a geographical and historical context the evolution of the literary representation of one river Imagination may endow a river with aesthetic or spiritual qualities ethnic national or racial associations or commercial or agricultural symbolism of many kinds Russian literary responses to these five rivers have much to tell us about the society that produced them as well as the rivers they treat Distributed for UNIVERSITY OF DELAWARE PRESS **Nikolai Gogol** Yuliya Ilchuk,2021-02-01 One of the great writers of the nineteenth century Nikolai Gogol was born and raised in Ukraine before he was lionized and canonized in Russia The ambiguities within his subversive ironic works are matched by those that surround the debate over his national identity This book presents a completely new assessment of the problem rather than adopting the predominant either/or perspective wherein Gogol is seen as either Ukrainian or Russian it shows how his cultural identity was a product of negotiation with imperial and national cultural codes and values By examining Gogol s ambivalent self fashioning language performance and textual practices this book shows how Gogol played with both imperial and local sources of identity and turned his hybridity into a project of subtle cultural resistance Ilchuk provides a comprehensive account of assimilation and hybridization of Ukrainians in the Russian empire arguing that Russia s imperial culture has depended on Ukraine and the participation of Ukrainian intellectuals in its

development Ilchuk also introduces innovative computer assisted methods of textual analysis to demonstrate the palimpsest like quality of Gogol s texts and national identity **Romantic Russia** ,1997 *Studies in Short Fiction* ,1990

Twentieth-century Short Story Explication ,1989 **Slavic Review** ,1991 American quarterly of Soviet and East European studies varies **Russian Literature--overview and Bibliography** Gene V. Palmer,2002 The great names of Russian literature read like a who s who of great names in the world literature Dostoyevsky Tolstoy Pushkin Chekhov Bunin Pasternak Solzhenitsyn But there are only a handful of the legions of extraordinary writers that formed the basis of Russian literature Russian literature is a rich tapestry reflecting life in a complex world of political turmoil religious fervour climate extremes and conditions for daily life which would stupefy the average European or American This book presents an overview of Russian literature as well as a comprehensive bibliography including English language sources accessed by subject author and titles indexes **Russian romanticism** Lauren G. Leighton,2011-10-10 No detailed description available for Russian romanticism **Bibliography of Slavic Literature** Dasha Culic Nisula,2001-07-20 Nisula covers materials published in the United States and abroad since 1989 covering Slavic literature from the medieval period to the end of the twentieth century The three main sections are meticulously structured to cover all the dimensions of geographical space literary genres topics authors and time The first section examines general works on Slavic literature namely Slavic bibliographies journals and library holdings The second one frames the bibliographic sources within the Slavic geographic perimeter East Central and South Europe while the final section considers regional and national literature One of the richest European cultures reveals itself in the pages of this book and all those who want to understand the multiple aspects of Slavic literature can find in this an essential guide **The American Bibliography of Slavic and East European Studies** ,1992 Provides information on East Central Europe and the former Soviet Union **Nineteenth-century Russian Literature in English** ,1990 Catalogs items published from the 1890s through 1986 covering both general topics and 69 writers The bibliographies of individual writers are divided into sections on translations and on criticism The translations include collected works other books and publications in anthologies and journals [The Cambridge History of Russian Literature](#) Charles Moser,1992-04-30 An updated edition of this comprehensive narrative history first published in 1989 incorporating a new chapter on the latest developments in Russian literature and additional bibliographical information The individual chapters are by well known specialists and provide chronological coverage from the medieval period on giving particular attention to the nineteenth and twentieth centuries and including extensive discussion of works written outside the Soviet Union The book is accessible to students and non specialists as well as to scholars of literature and provides a wealth of information **Twentieth-century Short Story Explication** Warren S. Walker,1993 Contains nearly 32 500 entries that provide a bibliography of interpretations that have appeared since 1900 of short stories published since 1800

Bibliographic Guide to Soviet and East European Studies ,1980 **Forthcoming Books** Rose Arny,1989-05 **The**

Ardis Anthology of Russian Romanticism Christine Rydel, 1984
