Corporate Legal Compliance Handbook, 3rd Edition Banks

and Banks, 2020-06-19 Corporate Legal Compliance Handbook Third Edition provides the knowledge necessary to implement or enhance a compliance program in a specific company or in a client's company. The book focuses not only on doing what is legal or what is right, the two are both important but not always the same, but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods.

Islamic Fundamentalism 3rd Edition Youssef M. Choueiri, 2010-04-22 The world of Islamic fundamentalism has become more or less a daily preoccupation not only of journalists and scholars but more importantly of almost all governments and security services across the globe. This book presents a striking analysis of how and why Islamism and Jihadism have become such potent contemporary political forces, shedding new light on a much misunderstood situation. This revised edition offers an analytical survey of the modern and contemporary Islamist movements by linking their emergence and potency to the historical background of Muslim societies and their encounter with Western globalism. Thus it also locates the advent of new Islamist espousals of democratic governance. It includes an entirely new section dealing with post-1997 aspects, a section on al-Qaeda and the aftermath of 9/11, as well as a discussion of the global reach of Islamism. This comprehensive volume explores the advent of a new wave of Islamism and its manifestations in Western countries, concluding with an overall evaluation of the future prospects of Islamism and alternative Western policies ranging from direct confrontation to political dialogue.
