Pilgrimage Of A Presbyterian Collected Shorter Writings:

Pilgrimage of a Presbyterian John H. Leith, 2001-01-01 Though probably best known for his scholarship on John Calvin Leith's work in the church and the academy has earned him honors in many areas The collection of writings reveals some of his areas of expertise including not only Calvin but the history of the Presbyterian Church civil rights and integration a Christ centered faith theological education issues of sexuality and the nature of the church *Pilgrimage of a Presbyterian* is a thorough representation of the diversity of Leith's accomplishments and includes photographs and a complete bibliography of his writings Reformed Theology and the Style of Evangelism (Stapled Booklet) John H. Leith, 2010-07-01 The responsibility to

bear witness to the gracious presence of God in Jesus Christ in Jerusalem and in all Judea and Samaria and to the end of the earth has been the perennial task of the Christian community from the beginning But the style and form of evangelism has varied according to time and place There is no one way of evangelism as the history of Christians witnessing and confessing their faith makes very clear The life of the Christian community has been and is enriched by a variety of evangelistic styles and by multiple theological confessions There is however a limit to possible Christian theologies and the preeminent theological task of the church is to test its proclamation by the word of God in Jesus Christ as attested in scripture to see that it is within the boundary There is also a limit to the legitimate styles of evangelism Some styles of evangelism corrupt and others strengthen the witness but more significantly style always betrays the real content There is an intimate but seldom seen connection between a person's thought and his style which Alfred North Whitehead defined precisely as the ultimate morality of mind The purpose of this paper is to relate Reformed theology to the form and style of evangelism The paper presupposes that evangelism as shaped by Reformed theology is a valid and effective form of evangelism but it does not presuppose that such form of evangelism is the only form that has validity or effectiveness It is hoped that the proposal will be the occasion for self criticism in the work of evangelism and for renewal of theological and ecclesiastical life in the Reformed tradition *An Introduction to Reformed Theology* William P. Wood, 2023-05-16 An Introduction to Reformed

Theology is a rich resource of selections from the preaching and teaching of John H Leith a well respected Presbyterian pastor and Reformation scholar A new pastoral leader could find guidance for a funeral service A seminary student might discover how the Nicene doctrine of the person of Jesus Christ can give depth to sermons for a contemporary congregation A teacher may find help from the history of theology to guide students in Christian formation and life These essays deal with the topics of evangelism pastoral caring for each other and living as a Christian in secular society The author gives practical applications with the deep conviction that faith frames the mystery of God's creation of human beings and nurtures them from childhood through the pilgrimage of life with the promise of a new heaven and a new earth the hope for eternal life An extensive bibliography of sources is included for those who want to probe further and study more closely Anyone looking for a deeper understanding of basic Christian beliefs will enjoy this book **Journal of Presbyterian History** ,2001
