# Prose For Our Times

**Briton Hadden, Henry Robinson Luce**

## **Prose For Our Times:**

*Prose for Our Times* M. Zama, 2004-10 The selections are from different writers of prose such as Stephen Hawking Bernard Shaw Jawaharlal Nehru and others The notes have a short write up about the author a glossary paragraph by paragraph explanations for each piece and a short list of reference tasks and writing tasks

**Modernism and Tradition in Ernest Hemingway's In Our Time** Matthew Stewart, 2001 The volume of collected short stories and vignettes *In Our Time* was Ernest Hemingway's first commercial publication Its appearance in 1925 launched the full fledged literary career of this century's most famous American fiction writer And while other later works of Hemingway have eclipsed *In Our Time*'s fame none of Hemingway's subsequent works would again carry the degree of experimentation found in this distinctly modernist masterwork *Modernism and Tradition in Ernest Hemingway's In Our Time* A Guide for Students and Readers is a well paced lucidly written handbook intended to guide university students and teaching faculty towards a better understanding of this complex work It provides a reading of each story and vignette while simultaneously stressing the status of *In Our Time* as a discrete volume Included are discussions of the book's biographical and historical background and considerations of Hemingway's prose style theories of writing formal achievements his literary mentors and influences and the relation between *In Our Time* and his later works Matthew C Stewart is Associate Professor of Humanities and Rhetoric at Boston University

**Poetry as Power** Liuxi Meng, 2007-01-01 In this thought provoking analysis Liuxi Meng profiles eighteenth century poet Qu Bingyun and her development as an artist By giving special attention to her dynamic interaction with contemporaries Meng provides an extensive and detailed picture of the female writer's life and art in the golden age of Chinese women's literature

*Poetry of Our Times* Sharon Osborne Brown, 1928

**The Heritage of Our Times** Ernst Bloch, 2015-10-07 *Heritage of Our Times* is a brilliant examination of modern culture and its legacy by one of the most important and deeply influential thinkers of the 20th century Bloch argues that the key elements of a genuine cultural tradition are not just to be found in the conveniently closed and neatly labeled ages of the past but also in the open and experimental cultural process of our time One of the most compelling aspects of this work is a contemporary analysis of the rise of Nazism It probes its bogus roots in German history and mythology at the very moment when the ideologies of Blood and Soil and the Blond Beast were actually taking hold of the German people The breadth and depth of Bloch's vision together with the rich diversity of his interest ensure this work a place as one of the key books of the 20th century

A Book to Burn and a Book to Keep (Hidden) Zhi Li, 2016-06-07 Li Zhi's iconoclastic interpretations of history religion literature and social relations have fascinated Chinese intellectuals for centuries His approach synthesized Confucian Buddhist and Daoist ethics and incorporated the Neo Confucian idealism of such thinkers as Wang Yangming 1472-1529 The result was a series of heretical writings that caught fire among Li Zhi's contemporaries despite an imperial ban on their publication and intrigued Chinese audiences long after his death Translated for the first time into English Li Zhi's bold challenge to

established doctrines will captivate anyone curious about the origins of such subtly transgressive works as the sixteenth century play *The Peony Pavilion* or the eighteenth century novel *Dream of the Red Chamber* In *A Book to Burn* and *a Book to Keep Hidden* Li Zhi confronts accepted ideas about gender questions the true identity of history's heroes and villains and offers his own readings of Confucius Laozi and the Buddha Fond of vivid sentiment and sharp expression Li Zhi made no distinction between high and low literary genres in his literary analysis He refused to support sanctioned ideas about morality and wrote stinging social critiques Li Zhi praised scholars who risked everything to expose extortion and misrule In this sophisticated translation English speaking readers encounter the best of this heterodox intellectual's vital contribution to Chinese thought and culture

*Time* Briton Hadden, Henry Robinson Luce, 1923      [A Life in Our Times](#) John Kenneth Galbraith, 2019-07-31 In his memoirs John Kenneth Galbraith recalls amusingly even brilliantly the important and low moments in his life the men and women he met who were great only interesting entertaining or even absurd Galbraith studied agriculture in his native Canada and agricultural economics at UC Berkeley He taught at the University of California served briefly in FDR's administration and went on to Harvard In Cambridge England he discovered the new economics of John Maynard Keynes During World War II in Washington he held the key job of organizing and administering the system of wartime price controls After the war Galbraith directed the survey that interrogated former Nazi leaders to assess the effects of the air war on the German economy He then worked for the State Department as administrator for economic affairs in the occupied countries and served as an editor of *Fortune* when the magazine employed some of the best writers around Galbraith returned to Harvard in 1948 and wrote three of the most influential books on economics of his time *The Affluent Society* *The New Industrial State* and *Economics and the Public Purpose* In these lively memoirs the author relates all of this and more his two major political campaigns with Adlai E Stevenson for whom he was adviser and speech writer and John F Kennedy for whom he campaigned across the country his years as ambassador in India and his long opposition to the Vietnam war And he shares the lessons learned from these experiences On every subject Mr Galbraith is succinct and witty The book is full of strong opinion and proceeds by the vehicle of anecdote The serious business of the book is to trace the steps of its author's astonishingly varied and useful life Mr Galbraith's vigor of expression as well as an account of a period of gloom and psychotherapy prevents the writing from ever sounding impersonal That serious business is also to set the record straight on what his books were about and how he evolved his theory of *The Affluent Society* and *The New Industrial State* as two of his most important works were named on why the bombing of Germany during World War II was less than useless why it was patently unnecessary to wage atomic warfare on Japan and why he came to be a dissenter on the war in Vietnam On inflation On the secular priesthood that once presided at the State Department And enchantingly on such movers and shakers he came to know well as the New Dealer Leon Henderson Paul Baran the most interesting economist I have ever known Bernard M Baruch Adlai E Stevenson John F Kennedy and Lyndon B Johnson Christopher Lehmann Haupt *The New York*

Times As a raconteur and a literary stylist Galbraith stands with the best As entertainment the book is a total success Its charm comes from the combination of Mr Galbraith s smooth comic timing and his not always charitable wit James Fallows The New York Times Galbraith ranks with the most entertaining and provocative political writers in America in this century Without Galbraith the political literature of our time would be far drearier Gaddis Smith Foreign Affairs Galbraith has assembled a well high complete record of what he has been up to professionally at least since leaving his family s Ontario farm The account is fascinating The narrative consistently holds the distinctive Galbraith style that makes all his books read like a nippy breeze Geoffrey Colvin Christian Science Monitor Absorbing and irresistible The New Yorker An enjoyable book full of fun full of wisdom and full of rare insights into the history of our times The New Republic A delightfully teeming book Galbraith s comic voice is a distinctive and durable literary achievement Atlantic Monthly A highly perceptive commentary on all our yesterdays anecdotal amusing animated and above all illuminating John Barkham Reviews Some Eminent Woman of Our Times Mrs. Henry Fawcett, 2020-07-26 Reproduction of the original Some Eminent Woman of Our Times by Mrs Henry Fawcett Introduction to English Literature Henry Reed, 1855 *Some Eminent Women of Our Times* Dame Millicent Garrett Fawcett, 1889 **Lectures on English Literature** Henry Reed, 1858 *The Nation*, 1894 The Westminster Review, 1871 **Anthology of Russian Literature from the Earliest Period to the Present Time: The nineteenth century** Leo Wiener, 1903 *Good Measure* Robert Morgan, 1993-04-01 Robert Morgan a native of the North Carolina mountains and a widely published poet has been writing essays about his craft for more than twenty years This book brings together some of his most thought provoking pieces reflections upon poetry from the dual perspective of poet and critic Morgan begins by examining in succinct and challenging essays the elements of poetry and poetry writing in general emphasizing the poet s responsibility to provide as the title suggest good measure Good measure Morgan cautions means neither facile spontaneity nor the sort of politicization that most often he says forces poets into poses of stylized enlightenment and response Morgan goes on to discuss specific poets with a craftsman s calm authority His reflections upon the American tradition in poetry include a tribute to William Cullen Bryant an illuminating piece on Robinson Jeffers and studies of the contemporary poets A R Ammons Russell Edson and Fred Chappell His look at individual poets also includes dazzling close readings of piece by the French poet Jean Follain In *The Transfigured Body* and *Mica* Morgan presents excerpts form his own notebooks meditations jotted down during the process of composing poems These notes made in passing provide intriguing insights into the work of poetry Finally there are interviews with Morgan by other poets lively discussion of southern writing the experience of being a poet in America today and the influence of Morgan s Appalachian background on his own vocation and career as a poet *Good Measure* sparkles with honesty deep intelligence and most of all Morgan s conviction that a passionate striving for a unattainable perfection is its own reward The indifference of the public the success of the third rate the scorn of critical theorists for whom literary quality is irrelevant none of these is an excuse

for not saying the truth with wit and for not making poems that will shine long after we have ceased our worry and hope
