Raising Balanced Children In An Unbalanced World:

Raising Balanced Children in an Unbalanced World Elaine K. McEwan-Adkins,1991 *Raising 4 Dimensional Children in a 2 Dimensional World* Tim McCarthy,2021-07-15 Worried about Whether You re being a Good Parent Maybe you have a newborn and you don t know what to expect Maybe your child gets angry and you don t understand why Maybe your child spends too much time on the Phone or Gaming Don t fret You have what it takes to get the results you desire with a little help New Knowledge is the First Step It s hard to solve a problem if you don t understand the problem You probably never realized that your child actually develops in 4 Dimensions The Physical Mental Emotional and Spiritual Neglecting even one dimension can be a source of problems When you understand your child s capabilities and limitations in each of the 4 Dimensions at each specific age you will see more clearly why he or she is acting that way Taking Action is the Second Step Knowledge isn t really power until it is put into action Once you have the theory you need practical solutions that will give you results You need clear actions you can take with your child to help him her develop in each dimension *Raising 4 Dimensional Children in a 2 Dimensional World* is a book that gives you both It has the knowledge you need and it also gives you over 400 educational and fun activities to help your child reach new milestones in growth in each dimension It s the Instruction Manual for Parenting that you didn t get with your child Parenting can be tough but you don t need a degree in psychology or education to raise your child because this book has the results of years of educational and psychological research explained in simple language then coordinates those results with easy and fun activities that your children will love Now is the time to develop a new relationship with your children using activities to enjoy the quality time you have after school after work and on weekends Parenting can be easy and even fun when you have the right tools You CAN do this

Tai Chi: the Way of Balance in an Unbalanced World Phil Robinson,2011-03-04 With a picture of Mr Robinson teaching his grandson the back page reads Mr Robinson a Master of Yang Tai Chi had undertaken two projects The first is to hand down to his grandson 46 years of knowledge and experience in the Martial Arts The second is to hand down this knowledge and experience to you through the pages of this book Much effort has been taken to give the reader a complete guide to Tai Chi in a language that is uncomplicated and yet very detailed This book is like none of the other books about Tai Chi you have ever seen This book written through the eyes of a Master raised in the South not only tells you of the history and origin of Tai Chi but explains how Tai Chi can be such a positive influence in your life The breathing the relaxation the harmony the exercise the philosophy the self defense the health and healing created in ancient China all come together in this book as a means to benefit you today This is a must read for everyone from the complete novice to the experienced in Tai Chi
