Rake His Times Duke Of Buckingham

Joseph Roach

Rake His Times Duke Of Buckingham:

Sir Robert Clayton and the Origins of English Deposit Banking 1658-1685 Frank T. Melton, 2002-08-22 Based upon the most extensive early banking archive known to survive this book is the first major study of Stuart banking since R D Richards s *The Early History of Banking in England* 1928 It traces the origins and growth of banking from the late sixteenth century to the 1720s through two generations of a scriveners bank established in 1638 by Robert Abbott and perpetuated by his nephew Robert Clayton and John Morris With deposits from landowners rents and stock sales these bankers practised as moneylenders and money brokers for another sector of the gentry needing capital to offset the effects of the Great Rebellion and an agricultural depression After 1660 Clayton and Morris integrated mortgage security into banking practice This study examines the elaborate stages of land assessment and legal change which enabled bankers to offer large scale long term securities to their clients a pattern followed later by other banks such as Childs Hoares Martins and Coutts [The Mistresses of Cliveden](#) Natalie Livingstone, 2016-06-14 For fans of *Downton Abbey* comes an immersive historical epic about a lavish English manor and a dynasty of rich and powerful women who ruled the estate over three centuries of misbehavior scandal intrigue and passion Five miles from Windsor Castle home of the royal family sits the Cliveden estate Overlooking the Thames the mansion is flanked by two wings and surrounded by lavish gardens Throughout its storied history Cliveden has been a setting for misbehavior intrigue and passion from its salacious deadly beginnings in the seventeenth century to the 1960s Profumo Affair the sex scandal that toppled the British government Now in this immersive chronicle the manor s current mistress Natalie Livingstone opens the doors to this prominent house and lets the walls do the talking Built during the reign of Charles II by the Duke of Buckingham Cliveden attracted notoriety as a luxurious retreat in which the duke could conduct his scandalous affair with the ambitious courtesan Anna Maria Countess of Shrewsbury In 1668 Anna Maria s cuckolded husband the Earl of Shrewsbury challenged Buckingham to a duel Buckingham killed Shrewsbury and claimed Anna Maria as his prize making her the first mistress of Cliveden Through the centuries other enigmatic and indomitable women would assume stewardship over the estate including Elizabeth Countess of Orkney and illicit lover of William III who became one of England s wealthiest women Augusta of Saxe Gotha the queen that Britain was promised and then denied Harriet Duchess of Sutherland confidante of Queen Victoria and a glittering society hostess turned political activist and the American born Nancy Astor the first female member of Parliament who described herself as an ardent feminist and welcomed controversy Though their privileges were extraordinary in Livingstone s hands their struggles and sacrifices are universal Cliveden weathered renovation and restoration world conflicts and cold wars societal shifts and technological advances Rich in historical and architectural detail *The Mistresses of Cliveden* is a tale of sex and power and of the exceptional women who evaded exploited and confronted the expectations of their times Praise for *The Mistresses of Cliveden* Theatrical festivities political jockeying and court intrigues are deftly described with a verve and attention to

domestic comforts that show the author at her best Livingstone's portraits of strenuous and assertive women who resisted subjection sometimes deploying their sexual allure to succeed on other occasions drawing on their husband's wealth are astute spirited and empathetic *The Wall Street Journal* Missing *Downton Abbey* already This tome promises three centuries of scandal power and intrigue and Natalie Livingstone definitely delivers *Good Housekeeping* Lively The current chatelaine the author herself deserves no small credit for keeping the house's legend alive Any of her action filled chapters would merit a mini series *The New York Times Book Review* Though the personal tales and tidbits are fascinating and the sensational details of these women's lives will intrigue *Downton Abbey* devotees the real star of the story is Cliveden Booklist Lovers of modern English history and the scandals that infiltrated upper crust society will find much to enjoy in this work *Library Journal*

The Papers of William Penn, Volume 1 William Penn, 1981-01-29 This first volume spanning the first thirty five years of William Penn's life from 1644 to 1679 documents his activities as a young Quaker activist *The Alexander Pope Encyclopedia* Pat Rogers, 2004-03-30 Alexander Pope 1688-1744 was the most important English poet of the 18th century as well as an essayist satirist and critic Many of his sayings are still quoted today His *Essay on Criticism* shaped the aesthetic views of English Neoclassicism while his *Essay on Man* reflected the moral views of the Enlightenment He participated fully in the critical debates of his time and was one of the few poets who supported himself through his writing This reference conveniently summarizes his life and works Included are several hundred alphabetically arranged entries on Pope's works subjects that interested him historical events that impacted Pope's life and work cultural terms and categories Pope's family members and acquaintances major scholars and critics and various other topics related to his writings The entries reflect current scholarship and cite works for further reading The encyclopedia also provides a chronology and concludes with a selected general bibliography Because of Pope's central importance to the Enlightenment this book is also a useful companion to 18th century literary and intellectual culture

The Papers of William Penn, Volume 1 Mary Maples Dunn, Richard S. Dunn, Richard Alan Ryerson, Scott M. Wilds, Jean R. Soderlund, 2016-04-01 This first volume spanning the first thirty five years of William Penn's life from 1644 to 1679 documents his activities as a young Quaker activist

Censorship and Conflict in Seventeenth-Century England Randy Robertson, 2011-04-30 Censorship profoundly affected early modern writing *Censorship and Conflict in Seventeenth Century England* offers a detailed picture of early modern censorship and investigates the pressures that censorship exerted on seventeenth century authors printers and publishers In the 1600s Britain witnessed a civil war the judicial execution of a king the restoration of his son and an unrelenting struggle among crown parliament and people for sovereignty and the right to define liberty and property This battle sometimes subtle sometimes bloody entailed a struggle for the control of language and representation Robertson offers a richly detailed study of this censorship contest and of the craft that writers employed to outflank the licensers He argues that for most parties victory not diplomacy or consensus was the ultimate goal This book differs from most recent

works in analyzing both the mechanics of early modern censorship and the poetics that the licensing system produced the forms and pressures of self censorship Among the issues that Robertson addresses in this book are the workings of the licensing machinery the designs of art and obliquity under a regime of censorship and the involutions of authorship attendant on anonymity

The Encyclopedia of British Literature, 3 Volume Set Gary Day, Jack Lynch, 2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the Restoration of the English monarchy to the onset of the French Revolution Comprises over 340 entries arranged in A Z format across three fully indexed and cross referenced volumes Written by an international team of leading and emerging scholars Features an impressive scope and range of subjects from courtship and circulating libraries to the works of Samuel Johnson and Sarah Scott Includes coverage of both canonical and lesser known authors as well as entries addressing gender sexuality and other topics that have previously been underrepresented in traditional scholarship Represents the most comprehensive resource available on this period and an indispensable guide to the rich diversity of British writing that ushered in the modern literary era 3 Volumes www.literatureencyclopedia.com

Philosophy and Religion in Enlightenment Britain Ruth Savage, 2012-04-26 Philosophy and Religion in Enlightenment Britain explores some of the themes and issues that exercised thinkers concerned with religion and philosophy and their interrelatedness in the period known as the long eighteenth century while illustrating the techniques and style of intellectual history as practised in the early twenty first century The volume will encourage further understanding of the influences that were current at the time that some of the most significant works in western philosophy were written and use primary materials to achieve this The essays presented here have been specially commissioned from both established distinguished collaborators and young up and coming scholars to illustrate the breadth and diversity of philosophy in the late seventeenth and eighteenth centuries This was a period when ideas were being formed and developed against a background of evolving views in science politics and religion and in light of their implications for traditional religious belief and thought The figures examined range from Locke and Hume to lesser known personalities who provide a different perspective on the intellectual environment of the time such as Samuel Halliday Martin Clifford and Henry Scougal In addition the volume contains new transcriptions of two revealing works by Hume a letter illustrating his later attitude to political theory and an early essay on ethics and chivalry
