Rampant Reaper A Charlie Greene Mystery:

The Rampant Reaper Marlys Millhiser, 2025-09-23 Millhiser outdoes herself yet again in *The Rampant Reaper* an effort sure to leave both loyal fans and new readers clamoring for the next installment of this unconventional and engaging series. Literary agent and amateur sleuth Charlie Greene accompanies her mother to her great great aunt's funeral under great duress after all Charlie herself is adopted and this part of her extended family has never made her feel that welcome. Plus it's in Myrtle Iowa about as far from Charlie's life as a high powered California literary agent as one can get. But she agrees to go. How bad could it be. In one of Marlys Millhiser's quirky offbeat mysteries that is the world's biggest rhetorical question. Because someone may be offing the elderly in this midwestern town's only nursing home and it falls to Charlie the suspicious outsider to put all the pieces together. Dealing with a passel of wacky relatives she's never met and a vicious killer as well won't be the easiest task she's ever been handed but Charlie's good humor and recently acquired investigative experience should be more than enough to finish the job. That is if she can escape the prying eyes that seem to peer at her from every corner of the tiny town.

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live. Of course mystery readers do not share one simplistic world. They live in urban suburban and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor young or old conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999. This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979. It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008. *Bowker's Guide to Characters in Fiction* 2007, 2008-02 *Books In Print* 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Publishers Weekly*, 2002 **Library Journal**, 2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section.
