Alone with the Horrors Ramsey Campbell, 1994 Thirty nine chronologically arranged horror stories spanning thirty years of the author's career Ramsey Campbell Keith M. C. O'Sullivan, 2023-05-15 This book pays overdue attention to the British writer Ramsey Campbell a key figure in the post 1970s boom in Anglo American horror fiction Despite a huge output and receiving every accolade within his field over a long career Campbell has not yet been accorded anything like the wider critical recognition given to his contemporary Stephen King This study concentrates also on Campbell's neglected novels and novellas rather than the short stories for which he has been better known The book Ramsey Campbell establishes the author's unique prose style denoted by a haunted self consciousness about the act of writing and role of readership and his distinctive mediation of the Gothic tradition religiously agnostic politically liberal and ethically humane For the first time Campbell's works are interpreted in the contexts of trends in postmodernist and posthumanist thought and compared explicitly to King's and his contribution to both Gothic studies and wider contemporary literature is appraised *Secret Story* Ramsey Campbell, 2025-03-14 You're an underpaid civil servant who dreams of chucking it all to become a famous author You live with your overbearing mother who always seems to interrupt when you're writing a key scene Who always wants to know why you haven't brought home a nice girl What you really are is a writer A brilliant one too though like any
