Randall Jarrell A Literary Life:

Randall Jarrell William H. Pritchard, 1990-04-19 This elegantly written study concentrates on the complex interaction between Jarrell's life and work describing and commenting on his most important poems and prose but also focusing on the significant events and experiences of his life Pritchard dramatizes the ambiguous character of the man a worshipper of childhood deeply at odds with his own early years a wonderfully commonsensical and humorous critic whose imagination was haunted by darker patterns of story and myth **A Study Guide for Randall Jarrell's "The Woman at the Washington Zoo"** Gale, Cengage Learning, A Study Guide for Randall Jarrell's The Woman at the Washington Zoo excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **A Study Guide for Randall Jarrell's "Losses"** Gale, Cengage Learning, 2016 A Study Guide for Randall Jarrell's Losses excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Poems by Robert Frost** Robert Frost, 2001-04-01 A collection of two of Robert Frost's most celebrated poems in their original form A Boy's Will and North of Boston The publication of A Boy's Will 1913 and North of Boston 1914 marked the debut of Robert Frost as a major talent and established him as the true poetic voice of New England Four of his volumes would win the Pulitzer Prize before his death in 1963 and his body of work has since become an integral part of the American national heritage This is the only edition to present these two classics in their original form A Boy's Will introduced readers to Frost's unmistakable poetic voice and in North of Boston we find two of his most famous poems Mending Wall and The Death of the Hired Man With an introduction by distinguished critic and Amherst professor William H Pritchard and an afterword by poet and critic Peter Davison this centennial edition stands as a complete and vital introduction to the work of the quintessential modern American poet **WLA**, 2009 **A New Way of Seeing** Michael Sarnowski, 2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet's proximity to combat as the chapters in turn focus on an infantryman Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a

Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences *A New Way of Seeing* offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans [The Oxford Companion to English Literature](#) Dinah Birch,2009-09-24 Written by a team of more than 150 contributors working under the direction of Dinah Birch and ranging in influence from Homer to the Mahabharata this guide provides the reader with a comprehensive coverage of all aspects of English literature **Oxford Treasury of Sayings and Quotations** Susan Ratcliffe,2011-10-13 Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth Includes a list of themes and a keyword index [An Emotional History of the United States](#) Peter N. Stearns,Jan Lewis,1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions *Selected Letters of Robert Penn Warren* Robert Penn Warren,2011-06-14 The years 1969 and 1979 bookend a volatile and divisive decade in American history As an articulate and sagacious witness to the era of the Vietnam War Watergate America s Bicentennial Jimmy Carter and the national malaise Robert Penn Warren produced a phenomenal body of work in these years securing his place in the canon of American poetry This fifth volume of *Selected Letters of Robert Penn Warren* provides insight into Warren s inspiration during a remarkably productive era and will prove an essential resource and testament to his life and work **Reading the Middle Generation** **Anew** Eric Haralson,2006-04 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in

the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets biographical historical deconstructionist and more formalist accounts this book re examines their between ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature s nation and U S race relations and ethnic conflicts Reading the Middle Generation Anew also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets

The New York Public Library Literature Companion Staff of The New York Public Library, 2001-11-06 Pick up The New York Public Library Literature Companion to check the dates of Marcel Proust s Remembrance of Things Past or to find out how James Joyce s Ulysses changed U S obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and The Matrix or sidetracked by the fascinating history of The New Yorker Designed to satisfy the curious browser as well as the serious researcher this exciting new resource offers the most up to date information on literature available in English from around the world from the invention of writing to the age of the computer Interwoven throughout the more than 2 500 succinct and insightful entries on Creators Works of Literature and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive Readers will discover for instance that Walt Whitman was fired from his government job after his personal copy of Leaves of Grass was discovered in his desk by the Secretary of the Interior who was scandalized by it that James Baldwin remembered listening to blues singer Bessie Smith playing her till I fell asleep when he was writing his first book and that a publisher turned down the serialization rights to Gone with the Wind saying Who needs the Civil War now who cares Looking for information about book burning or how many Nobel laureates have come from Japan You ll find it here Trying to remember the name of that movie based on a favorite book Read the Variations section you ll be amazed at the pervasive presence of great literature in today s entertainment From Aristophanes to Allende from Bergson to Bloom the biographical entries will inform readers about the men and women who have shaped and are shaping the literary world Look into Works of Literature to discover the significance of Beowulf The Fountainhead Doctor Zhivago and nearly 1 000 other titles Check the Dictionary of Literature to find out what the critics and theorists are talking about And if you wish to delve even deeper Websites for Literature and Literary Factbooks and Handbooks are just two of the bibliographies that will point readers in the right direction Unique in scope and design and easy to use The New York Public Library Literature Companion will be at home on every reader s shelf Whether you are immersed in Stephen King or King Lear this book has the insights facts and fascinating stories that will enrich your reading

forever With four major research centers and 85 branch libraries The New York Public Library is internationally recognized as one of the greatest institutions of its kind Founded in 1895 the library now holds more than 50 million items including several world renowned collections of literary manuscripts and rare books Among the books published from the library in recent years are The New York Public Library Desk Reference 1998 The Hand of the Poet 1997 Letters of Transit Reflections on Exile Identity Language and Loss 1999 A Secret Location on the Lower East Side Adventures in Writing 1960 1980 1998 and Utopia The Search for the Ideal Society in the Western World 2000 *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry

Oxford Dictionary of Quotations by Subject Susan Ratcliffe, 2010-03-11 Over 7 000 quotations arranged by subject for easy look up Nearly 600 subjects covered from Memory and Humour to Television and Weddings **The New**

Encyclopedia of Southern Culture M. Thomas Inge, Charles Reagan Wilson, 2014-02-01 Offering a comprehensive view of the South's literary landscape past and present this volume of The New Encyclopedia of Southern Culture celebrates the region's ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original Encyclopedia this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship **The Cambridge**

Companion to the Literature of World War II Marina MacKay, 2009-01-22 The literature of World War II has emerged as an accomplished moving and challenging body of work produced by writers as different as Norman Mailer and Virginia Woolf Primo Levi and Ernest Hemingway Jean Paul Sartre and W H Auden This Companion provides a comprehensive overview of the international literatures of the war both those works that recorded or reflected experiences of the war as it happened and those that tried to make sense of it afterwards It surveys the writing produced in the major combatant nations Britain and the Commonwealth the USA Japan Germany France Italy and the USSR and explores its common themes With its chronology and guide to further reading it will be an invaluable source of information and inspiration for students and scholars of modern literature and war studies **The Letters of Robert Lowell** Robert Lowell, 2007-03-20 These letters document the evolution of Lowell's work and illuminate another side of his life his deep friendships with other writers his manic depression

his marriages to three prose writers and his involvement with the antiwar movement of the 1960s The Cambridge Companion to Modernism Michael Levenson, 1999-02-11 In The Cambridge Companion to Modernism ten eminent scholars from Britain and the United States offer timely new appraisals of the revolutionary cultural transformations of the first decades of the twentieth century Chapters on the major literary genres intellectual political and institutional contexts film and the visual arts provide both close analyses of individual works and a broader set of interpretive narratives A chronology and guide to further reading supply valuable orientation for the study of Modernism Readers will be able to use the book at once as a standard work of reference and as a stimulating source of compelling new readings of works by writers and artists from Joyce and Woolf to Stein Picasso Chaplin H D and Freud and many others Students will find much needed help with the difficulties of approaching Modernism while the essays original contributions will send scholars back to this volume for stimulating re evaluation Thomas Hardy Harold Bloom, 2009 Provides reviews of six prominent works by the poet Thomas Hardy along with criticism and thematic analysis of other works and a short biography of the poet In Solitude, for Company Wystan Hugh Auden, 1995 The third volume of Auden Studeis presents Auden in maturity and includes a large amount of previously unpublished prose by him The book concentrates on the relatively unexplored area of Auden s post 1940 writings and the letters essay and lectures printed here demonstrate the Goethean scope of his intellect which ranged easily from psychoanalysis to theology archaeology to politics In Solitude for Company contains two hitherto unpublished and little known lectures The first of these introduced by Nicholas Jenkins is on the theme of vocation delivered during the troubled war years when Auden was examining his own vocation The second lecture was given near the end of the poet s life on the subject of the value of the work of Sigmund Freud Katherine Bucknell precedes this with the first full length examination of Auden s intensely ambivalent relation to Freud Auden s correspondence with his close friends James and Tania Stern reveals much new and important biographical information and Edward Mendelson s further supplement to the Auden Bibliography provides an extensive listing of all published letters by Auden In addition distinguished literary critics including David Bromwich Lawrence Lipking Edna Longley and Michael Wood together with the nonagenarian communist Edward Upward contribute to a symposium on one of this century s most famous poems In Praise of Limestone

Eventually, you will categorically discover a extra experience and realization by spending more cash. yet when? realize you take that you require to get those all needs bearing in mind having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more nearly the globe, experience, some places, subsequently history, amusement, and a lot more?
