Random Notes on Red China, 1936-1945, by Edgar Snow. [Foreword by John K. Fairbank.]. Edgar Snow, John King Fairbank, 1957 Random Notes on Red China Edgar Snow, 1968 **Random Notes on Red China, 1936-1945** Edgar Snow, 2011-08-01 *Random Notes on Red China, 1936-1945* Edgar Snow, John K. Fairbank, 2020-10-26 Information and observations collected by the author between 1936 and 1945 on a wide array of topics including military tactics internal rivalries Mao's rise to power and the Sian incident Foreword by John King Fairbank *Random Notes on Red China* John King Fairbank, 1957 *Mao's China and After* Maurice Meisner, 1999-04 Presents a revised account of the revolution of 1966 1969 Examines the social and political consequences of the upheaval Deng Xiaoping Democracy movement Tienanmen Incident Mao Zedong The hundred flowers Great Leap Forward Mao: A Biography Ross Terrill, 1999 Everyone who came in close contact with Mao was taken aback at the anarchy of his personal ways He ate idiosyncratically He became increasingly sexually promiscuous as he aged He would stay up much of the night sleep during much of the day and at times he would postpone sleep remaining awake for thirty six hours or more until tension and exhaustion overcame him Yet many people who met Mao came away deeply impressed by his intellectual reach originality style of power within simplicity kindness toward low level staff members and the aura of respect that surrounded him at the top of Chinese politics It would seem difficult to reconcile these two disparate views of Mao But in a fundamental sense there was no brick wall between Mao the person and Mao the leader This biography attempts to provide a comprehensive account of this powerful and polarizing historical figure **Random Notes on Red China (1936-1946)**. Edgar Snow, 1957 *Mao's Road to Power* Stuart Schram, 2018-10-24 By 1939 Mao Zedong was a leader in the Chinese Communist Party through his political acumen his organizing energy and his executive ability At the same time his abilities to shift register to maintain a sense of the whole and also of the particular and to absorb seemingly contradictory realities in the social political and military arenas he *The Chinese Red Army, 1927-1963* Edward J.M. Rhoads, 1964-06-30 A comprehensive annotated bibliography dealing with the Chinese Red Army from its beginnings in the 1927 Nanchang uprising to 1964 It includes over 600 items chiefly books pamphlets and articles from military and scholarly journals It also includes some mimeographed papers and unpublished manuscripts which despite their limited circulation are noteworthy in a field where monographic studies are still rare It covers works in Chinese Japanese English Russian French and German Includes a foreword by John M H Lindbeck

Society and History G. L. Ulman, 2011-06-01 No detailed description available for Society and History The Making of China's War with Japan Mayumi Itoh, 2016-10-03 This cutting edge study examines the career of Chinese politician and diplomat Zhou Enlai 1898 1976 and assesses his leadership role in the Communist Party of China's CPC strategy against the Japanese invasion of China which established the foundation for post World War II Sino Japanese relations It considers how Zhou dealt with Japanese imperialism during his midcareer from the May Fourth Movement to the formation of the second

United Front between the Chinese Nationalist Party KMT and the CPC against Japan which paved the way for the Chinese victory in the second Sino Japanese War Addressing significant moments such as the Manchurian Incident and the Xi an Incident it provides a thought provoking reexamination of Zhou s involvement in the May Fourth Movement of 1919 the first national grassroots movement in the modern history of China calling for anti imperialism and nationalism and also of his time in Europe as essential background to understand the birth of the CPC and Zhou s role in it as well as Zhou s collaboration with Zhang Xueliang the culprit of the Xi an Incident Through an in depth analysis of primary sources including Zhou s own writings the oral history of Chinese officials and newly declassified diplomatic archives this work presents a comprehensive and accurate account of Zhou s career against the backdrop of Japanese imperialism *Recast All under Heaven* Xiaoyuan Liu,2010-08-12 [China in Disintegration](#) James E. Sheridan,2008-06-30 After the 1911 fall of the Manchus came the most hideous breakdown in Chinese history Sheridan a Northwestern University scholar concentrates on the Kuomintang movement of Chiang Kai shek insisting that we judge a political force by whether it solves the problems posed to it not as Chiang s partisans prefer by means of what if s Sheridan s focus on the KMT brings more to light than do many surveys of Mao s revolutionaries The KMT failed either to create an effective dictatorship or to mobilize fascist passions which could ensure willingness to sacrifice Thus the difficulty in squeezing enough wealth out of the peasantry to meet a foreign debt which totaled half the national revenue The KMT did ensure that forced opium production took up at least a fifth of Chinese cropland by the 1929 1933 period and they consolidated a soldier recruitment system that approximated Nazi roundups However the book underlines Chiang s failure to give the masses a Strength through Joy spirit and as wartime inflation of 300% gave way to postwar collapse the anti Communist pitch became emptier and emptier The Kuomintang turned into a mere holding operation and faded into chaos Sheridan gives a strong sense of the rapine of the warlords who were Chiang s off and on allies and of the feeble heritage of Sun Yat sen s patriotic platitudes He leaves out explicit investigation of the international context while underlining more than most writers Chiang s commitment to repay external debt at the expense of the Chinese people A sound and striking approach to these decades of desperation in the lives of a quarter of the human population if not bypassed in the glut of China books it may encourage students and academics to go further Kirkus Reviews

Esherick, 2022-02-22 A free open access ebook is available upon publication. Learn more at www.luminosoa.org. Yan'an is China's revolutionary holy land, the heart of Mao Zedong's Communist movement from 1937 to 1947. Based on thirty years of archival and documentary research and numerous field trips to the region, Joseph W. Esherick's book examines the origins of the Communist revolution in Northwest China from the political, social, and demographic changes of the Qing dynasty (1644-1911) to the intellectual ferment of the early Republic, the guerrilla movement of the 1930s, and the replacement of the local revolutionary leadership after Mao and the Center arrived in 1935. In *Accidental Holy Land*, Esherick compels us to consider the Chinese Revolution not as some inevitable peasant response to poverty and oppression but as the contingent product of local, national, and international events in a constantly changing milieu.
