Random Thoughts From An Aging Mind:

YOUR MAGNETIC MIND: Putting The Law Of Attraction To Work In Your Life Aan D. Frazier, 2012-10-01 Putting the Law of Attraction to Work in Your Life Did you know that the Law of Attraction is already at work in your life That one of the most powerful laws in the universe which has the potential to break you free from feelings of impossibility and perhaps change your life forever has been sitting right under our nose Your Magnetic Mind explains the Law of Attraction in its entirety Once you understand how the Law of Attraction is already working in your life the fun really begins With a sharp awareness of the factors that affect your reality and what you attract you can use the Law of Attraction to accomplish your goals The carefully crafted words of this book will inspire you to realize your mind's unlimited potential Your Magnetic Mind's genesis came from the lack of simple and clear books on the Law of Attraction Author Aan D Frazier states The Law of Attraction is beneficial for all people to know therefore it should be presented in a way that all people can understand **OFFLINE:**

Finding Yourself in the Age of Distractions Desi Anwar, 2020-04-02 This collection of reflections is to remind us of some of the things we can turn our distracted minds to when we can direct our attention to what are in front of us above us and more importantly within us using all the senses that we were all born with They are a rediscovery of some of the things we have forgotten how to do or have put aside in favour of our all-consuming electronic toys and an attempt to help us reconnect once more with our senses and our natural gifts So why not put your smart phones tablets games gadgets and anything with a screen down for a few minutes Take a deep breath and look up Because at the end of the day it is not just any journey we are making but a journey to discover and appreciate who we are and what makes us human *Growing Younger: How to Measure & Change Your Body's Age* Robert F. Morgan, Jane Wilson, 2005-08 *Redesign Your Life in Modern Age* Balvinder Kumar, 2020-02-24 All around us we are witnessing major changes that are transforming our lives because of science and technology In fact multiple revolutions including relating to digital technologies are simultaneously taking place across the world The way we think work interact and connect with others is changing at increasingly fast pace On the one hand the world is becoming a better place to live We are becoming healthier wealthier leading a more comfortable life But sadly at the same time we are becoming more and more unhappy and discontented with our life We are seeing increased incidents of mental illnesses like depression and anxiety life style diseases like diabetes obesity heart and lung diseases The life style diseases are the biggest killers in India Increasingly people are getting addicted to social media Everyone is now busier on mobile or other digital screens too many distractions our attention span is further declining In a broader sense we are getting disconnected from each other and their inner self The whole world is facing a serious challenge as how to cope up with the changing scenario of digital age With this background in mind the author has written his 3rd book titled *Redesign Your Life in Modern Age* His earlier 2 books were first *Man's Spiritual Journey* and second *Awakening the Thinking Mind* The book attempts to touch the whole gamut of subjects which are very relevant and significant to contemporary world The topics

of discussion range from human destiny to our own inner journey From pain suffering mental stress loneliness fear anxiety digital obsession and attention deficit to success pleasure happiness and likewise many other subject matters have been included in the book How each one of us can redesign our life s journey in view of challenges faced in the modern age is the simple mantra behind writing this book **The Aging Mind** Patrick Rabbitt,2014-11-27 No one approaches aging with enthusiasm Activities we accomplish easily in our 20s and 30s become more difficult as we grow old but though change is inevitable recognising and understanding precisely what is happening to our bodies and minds allows us to continue to manage and enjoy our lives Patrick Rabbitt is a cognitive gerontologist who has researched physical and mental aging for over 50 years and so can interpret his personal daily experiences of the aging process through a comprehensive understanding of what gerontological research has revealed about how our bodies and brains age and how these changes affect our everyday experiences and lives Engagingly written Professor Rabbitt s book is a fascinating account of why our sensory and cognitive experiences change as we get older and what these developments mean for our overall physical and emotional well being Describing the latest research the book covers the mental changes that affect our daily lives such as those in memory intelligence attention sleep vision and hearing taste and smell touch and balance anxiety depression and perception of the passage of time It also discusses how far we can keep and develop the skills we have mastered over our lifetimes The book debunks unhelpful myths about the aging process and offers guidance on how we can age better This is an absorbing account of the aging process from one of the most eminent gerontologists working today Its warmth and candour make it an engaging and helpful guide for those interested in understanding their own or their relatives ageing Its rigour and comprehensiveness make ideal for students seeking an accessible alternative to standard textbooks on aging and for health professionals working with older people **Thrown Away: The Trauma of Starting Over After Age Fifty** B.

Corbett,2011-11-14 Older women are thrown away every day by husbands who suddenly want to play Families are broken apart and lives are destroyed Men often cloak for one another helping to destroy womens lives as though it were just another game Shockingly society condones this behavior and thrown away wives are often blamed for getting themselves thrown away Behind many older men driving flashy sports cars are wives whose lives have been completely devastated good women whose identities have been stolen by younger predatory women all too eager to take take over the identity of the wives Besides the financial devastation of the throwaways is overwhelming traumatic stress and an insurmountable burden of struggling to rebuild late in life in a society that undervalues them This book chronicles some of their stories illuminates the truth behind inappropriately labeled midlife crisis of men and exposes the truth about what happens to thrown away women I am sure you will be surprised by what you read **Society Vs You** Sunni T. Connor,2023-04-30 In Society Vs You Sunni T Connor explores the game of life and the laws of the universe that govern our reality With compelling insights and practical advice Connor guides readers through the complexities of societal expectations and encourages them to seek out their own

path in the world The book boldly addresses our scarcity mindsets and how to overcome society's standards enforced on our beliefs Sunni introduces the laws of the universe in a simple yet effective way This book provides distinctive strategies on how to break limiting beliefs how to stop caring what others think and how to change your relationship with your inner self by knowing the power that lies within It's not a book you read once you should reference this book on a consistent basis to ensure you are getting the most out of life

Thrown Away Wives: The Trauma of Starting Over After Age Fifty B Corbett, 2015-05-26 Women need to understand that divorce is no longer a remote possibility particularly if you are fifty years old At that age it is a likelihood Women in mid life are often thrown away always traumatized by being thrown away and never prepared Being over fifty and thrown away in today's society can be devastating on a number of levels including of course emotionally but particularly financially This book will give you some things to think about and help you be prepared It's worth reading ladies
