Random Violence How We Talk About New Crimes And New Victims

Christopher Birkbeck

Random Violence How We Talk About New Crimes And New Victims:

Random Violence Joel Best, 1999-03-02 Random Violence is a deft and thought provoking exploration of the ways we talk about and why we worry about new crimes and new forms of victimization Focusing on so called random crimes such as freeway shootings gang violence hate crimes stalking and wilding Joel Best shows how new crime problems emerge and how some quickly fade from public attention while others spread and become enduring subjects of concern Best s original and incisive argument illuminates the fact that while these crimes are in actuality neither new nor epidemic nor random the language used to describe them nonetheless shapes both private fears and public policies Best scrutinizes the melodramatic quality of the American public s attitudes toward crime exposing the cultural context for the popularity of random violence as a catch all phrase to describe contemporary crime and the fallacious belief that violence is steadily rising He points out that the age race and sex of homicide victims reveal that violence is highly patterned Best also details the contemporary ideology of victimization as well as the social arrangements that create and support a victim industry that can label large numbers of victims He demonstrates why it has become commonplace to declare war on social problems including drugs crime poverty and cancer and outlines the complementary influence of media activists officials and experts in institutionalizing crime problems Intrinsic to all these concerns is the way in which policy choices and outcomes are affected by the language used to describe social problems

Collective Morality and Crime in the Americas Christopher Birkbeck, 2013 This book examines the nature of collective morality as it materializes in public commentary about crime in the Americas and identifies the ways in which the moral community is talked into being and how the imagined moral universe is mapped

Courting Disaster, intimate Stalking, Culture, and Criminal Justice Jennifer L. Dunn, Crime and Criminal Justice in American Society Randall G. Shelden, William B. Brown, Karen S. Miller, Randal B. Fritzler, 2015-06-22 Today s headlines vividly illustrate the importance of understanding aspects of the criminal justice system too often ignored While the second edition of Crime and Criminal Justice in American Society includes the most recent statistics on the police courts and corrections its provocative current examples also spur critical thinking about justice in the United States The authors offer an alternative interpretation of criminal justice rarely presented in traditional textbooks or by the media They encourage readers to examine their beliefs about crime punishment and the law Discussions in the chapters about how African Americans Hispanics whites women juveniles the rich and the poor experience crime and the criminal justice system contribute context for understanding different viewpoints The poor and minorities are the most likely to be caught in the net of criminal justice but inequities have consequences for everyone Reflection on various perspectives provides helpful input for assessing attitudes and for becoming actively involved with issues that have significant consequences Eighteen thoroughly revised chapters present historical backgrounds theories and emerging issues New to the second edition is a chapter on veterans involved in the criminal justice system Affordable succinct and engaging this textbook presents the key concepts of the

criminal justice system at less than half the cost of many competing textbooks

The New Punitiveness John Pratt, David Brown, Mark Brown, Simon Hallsworth, Wayne Morrison, 2013-06-17 Throughout much of the western world more and more people are being sent to prison one of a number of changes inspired by a new punitiveness in penal and political affairs This book seeks to understand these developments bringing together leading authorities in the field to provide a wide ranging analysis of new penal trends compare the development of differing patterns of punishment across different types of societies and to provide a range of theoretical analyses and commentaries to help understand their significance As well as increases in imprisonment this book is also concerned to address a number of other aspects of the new punitiveness firstly the return of a number of forms of punishment previously thought extinct or inappropriate such as the return of shaming punishments and chain gangs in parts of the USA and secondly the increasing public involvement in penal affairs and penal development for example in relation to length of sentences and the California Three Strikes Law and a growing accreditation of the rights of victims The book will be essential reading for students seeking to understand trends and theories of punishment on law criminology penology and other courses

Handbook of Constructionist Research James A. Holstein, Jaber F. Gubrium, 2013-10-21 Constructionism has become one of the most popular research approaches in the social sciences But until now little attention has been given to the conceptual and methodological underpinnings of the constructionist stance and the remarkable diversity within the field This cutting edge handbook brings together a dazzling array of scholars to review the foundations of constructionist research how it is put into practice in multiple disciplines and where it may be headed in the future The volume critically examines the analytic frameworks strategies of inquiry and methodological choices that together form the mosaic of contemporary constructionism making it an authoritative reference for anyone interested in conducting research in a constructionist vein

When Crime Waves Vincent Sacco, 2005-05-11 Despite its wide usage the concept of the crime wave has rarely been given explicit and detailed attention by criminologists It is important that we understand where they come from how they develop and what their consequences are When Crime Waves offers an in depth exploration of a large number of social issues involved in the study of crime waves Issues such as how and why crime rates change over time why some types of crime and not others come in waves and the role played by the mass media politicians and interest group leaders in the promotion of crime waves are discussed to help students develop analytical skills and apply them to real world situations

Key Features Critically examines the phenomenon of crime waves in an engaging fashion Provides multiple perspectives via historical and contemporary examples throughout the book Delves into the role played by politicians and the media in creating the perception that a crime wave has occurred Presents themes of myth making cultural imagery and social constructionism When Crime Waves is intended to be a supplementary text for undergraduate criminology and sociology courses including Introduction to Criminology and Criminal Justice Crime when and where crimes occur and what contributes to the views on crime held by the police lawmakers and members of the general public

Permission to Shoot? Jyoti Belur, 2010-09-27 Extrajudicial executions have blighted parts of the world for generations but criminological coverage has been superficial and selective in that it has concentrated on South America giving the impression that this is a problem specific to that part of the world and associated with military rule dictatorial regimes and colonial heritage Permission to Shoot Police Use of Deadly Force in Democracies brings a new dimension to the problem of police abuse of deadly force by concentrating on India and the United States both large democracies and vibrant superpowers In the book the research is based on primary sources interviews with police officers of varying ranks those who are involved in the killings those who facilitate such operations and those who are mute spectators The book deals with universal fundamental themes such as what makes ordinary decent human beings do horrible things What motivational techniques and justifications are used to override social norms governing moral conduct centring on the sector of society mandated to use deadly force against civilians Why in a democratic country the abuse of police powers appears to be overtly and tacitly encouraged Permission to Shoot seeks to provide broad guidelines and recommendations for reforms in policing policy and practice in developing countries The research peels back the lies and deceit that surround this issue but more than that it shows how those lies and deceit act to support the practice itself The Dark Side of the Ivory Tower John J. Sloan III, Bonnie S. Fisher, 2010-09-30 A cursory reading of the history of US colleges and universities reveals that campus crime has been part of collegiate life since the Colonial Era yet it was not until the late 1980s that it suddenly became an issue on the public stage Drawing from numerous mass media and scholarly sources and using a theoretical framework grounded in social constructionism this text chronicles how four groups of activists college student advocates feminists victims and their families and public health experts used a variety of tactics and strategies to convince the public that campus crime posed a new danger to the safety and security of college students and the ivory tower itself while simultaneously convincing policymakers to take action against the problem Readers from a range of disciplinary interests will find the book both compelling and valuable to understanding campus crime as a newly constructed social reality Surveillance Sean P. Hier, Josh Greenberg, 2010-01-01 Surveillance is commonly rationalized as a practice to address existing political or social problems such as crime fraud and terrorism This book explores how surveillance disguised as managing risk or reducing harm can cause a range of problems including poverty over policing and exclusion The scholars represented in this volume interrogate the moral and ideological bases and material effects of surveillance practices and systems in diverse cultural and institutional arenas policing consumerism welfare administration disaster management popular culture moral regulation news media social movements and anti terrorism campaigns Surveillance addresses and asks us to consider the question How can we ensure a future in which surveillance and its consequences are not accepted as normal or necessary features of modern life **Terror Post 9/11 and the Media** David L. Altheide, 2009 Throughout the world the mass media are responsible for shaping the form and content of experiences In this book David L Altheide examines how the mass media

including news and popular culture have cast terrorism propaganda and social control post 9 11 Altheide shows how fear works with terrorism to alter discourse social meanings and our sense of being in the world Emphasis is placed on the different institutional interventions and how these particular stories become framed and inform the wider media narratives of terror The author argues that post 9 11 we are witnessing the emergence of new communication formats that not only constitute counter narratives but also shape future communicative experience The text is suitable for scholars and students interested in the ongoing relationship between the media and terror post 9 11 **The Relativity of Deviance** John

Curra,2019-10-21 The Relativity of Deviance is a primer on the constructivist perspective on deviance the idea that deviance cannot be explained in terms of absolutes nor can it be understood apart from its social setting The book is frequently used alongside all of the major core deviance textbooks on the market It answers such questions as What is deviant What is deviant behavior How should the deviant be treated Why is the same act sometimes praised and sometimes condemned Readers will see that what qualifies as deviance varies from place to place time to time and situation to situation The book explores some of the most frequent contexts for deviant behavior in ways that challenge definitive or objective judgments The Fifth Edition has been updated to include the most current developments in American society including deviance at the highest levels of national politics and corporate life sex abuse scandals the opioid crisis and the growing decriminalization of marijuana

Encyclopedia of Murder and Violent Crime Eric Hickey, Ph.D.,2003-07-22 Click Additional Materials for downloadable samples As a good encyclopedia does the Encyclopedia of Murder and Violent Crime brings together articles that offer diverse insights into the topic while at the same time giving the reader a feel for its overall scope AGAINST THE GRAIN This carefully researched and excellently presented compendium will be a welcome addition to all libraries REFERENCE USER SERVICES QUARTERLY Murder and violent crime take many forms Who are the perpetrators What do they have in common and how are they different The Encyclopedia of Murder and Violent Crime presents the latest research insightful commentary and true crime case studies to help in the understanding and deterrence of one of society s gravest problems Although there is no easy or single answer to the question of why people kill or commit violent crimes this important new reference work provides a wealth of information to create a background for cogent analysis Written for a Wide Audience The Encyclopedia of Murder and Violent Crime is intended for a wide audience including school public and university libraries It will also prove invaluable to those who report violent crime s unfolding stories such as mass media news outlets television and radio stations editorial offices of magazines and newspapers Criminal justice professionals will also find it valuable and fascinating balance of academic research and true crime material they can relate to in their own experience Edited by the World s Leading Authority on Multiple Homicide Offenders Eric W Hickey Ph D enjoys a worldwide reputation for his work with serial killers sex crimes workplace violence stalking and the Unabomber case A professor of criminal psychology at California State University Fresno and adjunct professor for Fresno City College and the California

School of Professional Psychology Dr Hickey has published and lectured extensively on the etiology of violence and serial crime His book *Serial Murderers and Their Victims* 2 nd Edition is used as a primary text in colleges and universities and by law enforcement in the study of the nature of violence criminal personalities and victim offender relationships Hickey s research is widely quoted and often is the subject of interviews in the media including National Public Radio BBC The Discovery and Learning Channels Larry King Live 20 20 and Court TV He recently developed a cyber stalking training course for the National District Attorney s Association and the American Prosecutor s Research Institute His latest research a study of 220 victims of stalking examines the psychology and classification of stalkers victim offender relationships intervention and deterrence strategies for potential offenders and modes of victim assistance Contributions From Over 100 Experts in the Field The Encyclopedia of Murder and Violent Crime contains 200 entries covering long documented classifications such as Serial Killers and Organized Crime to cutting edge topics of Cyber Stalking Kids Who Kill and Terrorism Leading educators psychologists sociologists anthropologists and criminal justice professionals share their experience and insights on everything from Aggression and Antisocial Personality Disorder to the infamous Zodiac Murders A Unique Compilation The Encyclopedia of Murder and Violent Crime explores the topic in great detail looking at a multitude of issues from all angles academic and professional research theoretical background and actual case studies This combined approach provides a well rounded overview with both theory and its historical evidence Key Features Edited by one of the highest profile experts in the field of murder and violent crime Over 600 pages and 50 photographs Handy easy to use Reader s Guide Comprehensive bibliographies for every article Appendix of key criminological theorists More than 100 contributors in the fields of criminology criminal justice psychology sociology and anthropology More than 200 comprehensive entries from the types of murder and violent crime and infamous perpetrators to motivation profiling deterrence investigation and punishment Concise case studies of serial murderers infamous crimes and their investigations Essays on criminal terms and pathologies Brief definitions of relevant legal and criminological terms boxed and included with major entries Examines a Broad Range of Issues Air Rage Assassins and Professional Killers Batterers Child Killers Columbine School Shooting Community Attitudes Toward Violent Offenders Corporate Violence The Criminally Insane The Death Penalty including the experience of Death Row DNA Profiling Domestic Violence Elder Abuse Ethnic Cleansing Genocide the Holocaust Euthanasia and Medical Murders Forensic Science and Crime Scene Investigation Gun Control Hate Crimes How Courts Handle Murder and Violent Crime Manson Family Mass Murderers Motives for Murder Murder Suicide Pedophilia Poisoners Sex Crimes Stalking Street and Prison Gangs Terrorists Workplace Violence Plus a Detailed Look at Serial and Team Killers Beltway Snipers Boston Strangler Albert DeSalvo Ted Bundy Comfort Zone Killers Dana Gray Green River Killings Hog Trail Killings Jack Gilbert Graham Jack The Ripper Jeffrey Dahmer Johann Otto Hoch Bluebeard Karla Holmulka Paul Bernardo Killer Clown John Wayne Gacy Martha Beck and Ray Fernandez Russian Ripper Andrei Chikatilo Son of Sam David Berkowitz U S and

International Organized Crime Al Capone Charles Arthur Pretty Boy Floyd Frank Costello Gambino Crime Family Genovese Crime Family Giovanni Falcone Jimmy Hoffa Terrorism Osama Bin Laden Timothy McVeigh Special Reference Section on Definitions in Homicide Attempted Murder Criminal Homicide Criminal Intent Culpabilities Defenses Felony Murder Rule Motivations for Perceptions of Rates Thanatology Types of Recommended Libraries Academic school public and university coporate special private libraries and reference libraries for criminal justice agencies and the news media Social Problems Donileen Loseke, 2017-07-05 This collection of focused essays is directed at several levels of students of social problems It is accessible to the uninitiated who are not familiar with the constructionist literature and aimed at those who are not particularly interested in subtle theoretical and empirical issues of concern to academics studying social problems from constructionist perspectives Some readings focus on the construction of problems by scientists and other professionals others examine the work of social activists mass media and social service personnel Among the topics included are studies of social inequalities and individual deviance a comparison of the images of social problems in the United States with those in other countries and an examination of the importance of politics and power in constructing public images of social problems Constructionist perspectives have become the leading theoretical approach for sociology and allied fields in studying social problems Yet constructionists impact on the teaching of social problems has been far less dramatic Undergraduate courses on social problems are often subject to a theoretical barrage of eclectic perspectives Just as the first social problems textbooks did almost a century ago textbooks continue to present a series of unrelated chapters each devoted to a particular social problem Social Problems is an effort at systematic analysis rather than random thought on the subject Social Problems presents detailed case studies demonstrating how constructionist perspectives can actually be applied to understand particular social problems While these articles can be read alone the editors have organized these selections to correspond with the chapter topics in the second edition of Donileen Loseke s Thinking about Social Problems an accessible introduction to constructionist approaches At the same time some instructors who use this edited collection might wish to provide th

The Social Construction of Crime: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you

need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com Terrorism and the Politics of Fear David L. Altheide, 2017-06-27 This thoughtful text demonstrates how the mass media constructs a politics of fear in the United States Using a social interactionist perspective the chapters examines such issues as the expansion of surveillance on the Internet the construction of a terrorism fighting hero to promote patriotism the use of social media by terror groups the fear of the other fostered by the refugee crisis and western radicalization as well as the mass mediated reaction to recent terrorist attacks Also covered are the politics of fear involving disease Ebola Zika social control efforts and harsh attacks on American governmental officials for not keeping people safe from harm All chapters in this new edition have been updated with descriptions and relevant analysis of significant events including two Israeli Hamas wars terrorism attacks e g Boston Marathon Charlie Hebdo San Bernadino etc global reactions often hostility to refugees in the United States and especially Europe the development of ISIS surveillance Wiki Leaks Snowden NSA and the growing significance of social media The text explains how the social construction of fear is used to steer public and foreign policy arguing that security policies to protect the citizenry from violence have become control systems that most often curtail privacy and civil liberties **The SAGE Dictionary of Criminology** Eugene McLaughlin, Professor John Muncie, 2001-05-08 Eugene McLaughlin and John Muncie have brought together for the first time the work of some 70 academics and practitioners worldwide to produce the definitive reference and research tool for criminological studies and related fields The Sage Dictionary of Criminology is informed by the principle that criminology is a contested contradictory and interdisciplinary discourse marked by constant incursion interactions translations deviations and transgressions It is this diversity that makes the study of crime and criminal justice both complex and challenging The dictionary sets out and explores traditional and emergent agendas in criminological studies to not only reveal its grounding in a myriad of theoretical and conceptual *Reinventing Justice* James L. Nolan Jr., 2021-07-13 Drug courts offer radically new ways to deal with the legal and social problems presented by repeat drug offenders often dismissing criminal charges as an incentive for participation in therapeutic programs Since the first drug court opened in 1989 in Florida close to 600 have been established throughout the United States Although some observers have questioned their efficacy no one until now has constructed an overall picture of the drug court phenomenon and its place in an American history of the social control of drugs Here James Nolan examines not only how therapeutic strategies deviate from traditional judiciary proceedings but also how these differences reflect changes afoot in American culture and conceptions of justice Nolan draws upon extensive fieldwork to analyze a new type of courtroom drama in which the judge engages directly and regularly with the defendant turned client lawyers play a reduced and less adversarial role and

treatment providers exert unprecedented influence in determining judicially imposed sanctions The author considers the intended as well as unexpected consequences of therapeutic jurisprudence for example behavior undergoes a pathological reinterpretation guilt is discredited and the client s life story and ability to convince the judge of his or her willingness to change take on a new importance Nolan finds that fueled in part by the strength of therapeutic sensibilities in American culture the drug court movement continues to expand and advances with it new understandings of the meaning and practice of justice

Criminology Chris Hale, Keith Hayward, Azrini Wahidin, Emma Wincup, 2013-06-13 Criminology is a broad ranging and stimulating introduction that is ideal for undergraduates approaching the subject for the first time Each chapter is written by an expert in their field and includes a range of learning features designed to help students engage with the material covered

Criminal Justice John R. Fuller, 2013 Criminal Justice Mainstream and Crosscurrents uses a distinctive crosscurrents theme to teach students about the complexities of the criminal justice system and help them think critically about critical issues

Finding specific Random Violence How We Talk About New Crimes And New Victims, especially related to Random Violence How We Talk About New Crimes And New Victims, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Random Violence How We Talk About New Crimes And New Victims, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Random Violence How We Talk About New Crimes And New Victims books or magazines might include. Look for these in online stores or libraries. Remember that while Random Violence How We Talk About New Crimes And New Victims, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Random Violence How We Talk About New Crimes And New Victims eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Random Violence How We Talk About New Crimes And New Victims full book , it can give you a taste of the authors writing

style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Random Violence How We Talk About New Crimes And New Victims eBooks, including some popular titles.

FAQs About Random Violence How We Talk About New Crimes And New Victims Books

What is a Random Violence How We Talk About New Crimes And New Victims PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Random Violence How We Talk About New Crimes And New Victims PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Random Violence How We Talk About New Crimes And New Victims PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Random Violence How We Talk About New Crimes And New Victims PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Random Violence How We Talk About New Crimes And New Victims PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
