## **Ranger Mosby:**

**Mosby's Rangers** Jeffry D. Wert, 1991-09-15 A Simon Schuster eBook Simon Schuster has a great book for every reader

**Mosby's Rangers** Jeffry D. Wert, 2015-05-26 No single battalion was more feared during the Civil War than the 43rd Battalion of Virginia Cavalry As one contemporary said They had all the glamour of Robin Hood all the courage and bravery of the ancient crusaders Better known as Mosby's Rangers they were an elite guerrilla unit that operated with stunning success in northern Virginia and Maryland from 1863 to the last days of the war In this vivid account of the famous command of John Singleton Mosby Jeffry D Wert explores the personality of this iron willed commander and brilliant tactician and gives us colorful profiles of the officers who served under him Drawing on contemporary documents including letters and diaries this is the most complete and vivid account to date of the fighting unit that was so hated by General Ulysses S Grant that he ordered any captured Ranger to be summarily executed without trial [Ranger Mosby](#) Virgil Carrington Jones, 1944 During the years 1864-65 Col John S Mosby and his rebel rangers tormented Union troops in Northern Virginia This definitive account of the crafty flamboyant partisan and the havoc he raised is an out and out page turner **Mosby's Rangers** James J. Williamson, 1896 *The Edge of Mosby's Sword* Gordon Blackwell Bonan, 2009-10-09 The Edge of Mosby's Sword is the first scholarly volume to delve into the story of one of John Singleton Mosby's most trusted and respected officers Colonel William Henry Chapman Presenting both military and personal perspectives of Chapman's life Gordon B Bonan offers an in depth understanding of a man transformed by the shattering of his nation This painstakingly researched account exposes a soldier and patriot whose convictions compelled him to battle fiercely for Southern independence whose quest for greatness soured when faced with the brutal realities of warfare and who sought to heal his wounded nation when the guns of war were silenced Born into a wealthy slave owning family Chapman was a student of the fiery secessionist rhetoric of antebellum Virginia who eagerly sought glory and adventure on the battlefields of the Civil War Bonan traces Chapman's evolution from an impassioned student at the University of Virginia to an experienced warrior and leader providing new insight into the officer's numerous military accomplishments Explored here are Chapman's previously overlooked endeavors as a student warrior leader of the Dixie Artillery and as second in command to Mosby including his participation in the capture of Harpers Ferry the battering of Union forces at Second Manassas and his ferocious raids during the 1864 Shenandoah Valley campaign Bonan reveals fresh perspectives on the intrepid maneuvers of Mosby's Rangers the hardships of war and Chapman's crucial role as the right hand of the Gray Ghost But while Mosby recognized him for his bravery and daring the fame Chapman sought always eluded him Instead with his honors and successes came disillusionment and sorrow as he watched comrades and civilians alike succumb to the terrible toll of the war The end of the struggle between North and South saw Chapman accept defeat with dignity leading the Rangers to their official surrender and parole at Winchester With the horrors of the war behind him he quickly moved to embrace the rebuilding of his country joining the Republican party

and beginning a forty two year career at the IRS enforcing Federal law throughout the South In the end Chapman s life is a study in contradictions nationalism and reconciliation slavery and liberty vengeance and chivalry Ranger Mosby Virgil Carrington Jones ,1944 **The Mosby Myth** Paul Ashdown,Edward Caudill,2002 Confederate Colonel John Singleton Mosby 1833 1916 was only one of a number of heroes to emerge during the Civil War yet he holds a singular place in the American imagination He is the irrepressible rebel with a cause the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader Mosby was the fabled Gray Ghost of the Confederacy a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C The Mosby Myth is the first book devoted to explaining Mosby s place in American culture myth and legend The book provides not just a biography of John Mosby s life but a study of his legacy Well written and informative this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture **PRODUCT DESCRIPTION** **Don Troiani's Civil War** Don Troiani,Brian Pohanka,1999-07 AVAILABLE FOR THE FIRST TIME IN PAPERBACK with gatefold cover Over 50 000 copies sold in hardcover Don Troiani probably knows more about how Civil War soldiers looked and were equipped than anyone else since the veterans themselves His paintings are unparalleled in evoking Civil War military culture both on the battlefield and in camp Gary W Gallagher author of The Confederate War Don Troiani is unsurpassed at recreating with absolute fidelity the decisive moments of great battles Stephen W Sears author of Chancellorsville In the world of historical painting Don Troiani stands alone universally acclaimed for the accuracy drama and sensitivity of his depictions of America s past His Civil War paintings and limited edition prints hang in the finest collections in the country and are noted internationally as well Don Troiani s Civil War the first collection of his Civil War art to appear in book form is a chronological depiction of every face of the war His most famous and popular works most of which are in private collections and unavailable for viewing are all represented here many rarer pieces which are not even available in print form are also included Beleaguered Winchester Richard R. Duncan,2007-06-01 During the Civil War the strategically located town of Winchester Virginia suffered from the constant turmoil of military campaigning perhaps more than any other town Occupied dozens of times by alternating Union and Confederate forces Winchester suffered through three major battles including some seventy smaller skirmishes In his voluminous community study of the town over the course of four tumultuous years Richard R Duncan shows that in many ways Winchester s history provides a paradigm of the changing nature of the war Indeed Duncan reveals how the town offers a microcosm of the war slavery collapsed women assumed control in the absence of men and civilians vied for authority alongside an assortment of revolving military commanders Control over Winchester was vital for both the North and the South Confederates used it as a base to strike the Baltimore and Ohio Railroad and conduct raids into western Maryland and Pennsylvania and when Federal forces occupied the town they threatened Staunton Lee s breadbasket and the Virginia Central Railroad At various times during the war generals Stonewall Jackson Nathaniel Banks

Robert Milroy Richard Ewell Jubal Early and Philip Sheridan each controlled the town Guerrilla activity further compounded the region's strife as insecurity became the norm for its civilian population In this first scholarly treatment of occupied Winchester Duncan has compiled a narrative of voices from the entire community including those of groups often omitted from such studies such as slaves women and Confederate dissenters He shows how Federal occupation meant an early end to slavery in Winchester and how the paucity of men left women to serve as the major cohesive force in the community making them a bulwark of Confederate support He also explores the tensions between civilians and military personnel that inevitably arose as each group sought to protect its interests The war Duncan explains left Winchester a landscape of wreckage and economic loss A fascinating case study of civilian survival amid the turmoil of war Beleaguered Winchester will appeal to Civil War scholars and enthusiasts alike

**The Uncivil War** Robert R. Mackey, 2014-08-04 The Upper South Arkansas Tennessee Kentucky and Virginia was the scene of the most destructive war ever fought on American soil Contending armies swept across the region from the outset of the Civil War until its end marking their passage at Pea Ridge Shiloh Perryville and Manassas Alongside this much studied conflict the Confederacy also waged an irregular war based on nineteenth century principles of unconventional warfare In *The Uncivil War* Robert R Mackey outlines the Southern strategy of waging war across an entire region measures the Northern response and explains the outcome Complex military issues shaped both the Confederate irregular war and the Union response Through detailed accounts of Rebel guerrilla partisan and raider activities Mackey strips away romanticized notions of how the shadow war was fought proving instead that irregular warfare was an integral part of Confederate strategy

[Hell Is Being Republican in Virginia](#) David Goetz, 2012-06-05 [A Southern Spy in Northern Virginia](#) Charles V. Mauro, 2019-01-23 The remarkable true story of the woman who sheltered Confederate soldiers and gathered intelligence and the secret book given to her by J E B Stuart As the Civil War raged Confederate brigadier general J E B Stuart entrusted a secret album to Laura Ratcliffe a young girl in Fairfax County as a token of his high appreciation of her patriotism admiration of her virtues and pledge of his lasting esteem A devoted Southerner Laura provided a safe haven for Rebel forces along with intelligence gathered from passing Union soldiers Ratcliffe's book contains four poems and forty undated signatures twenty six of Confederate officers and soldiers and fourteen of loyal Confederate civilians In *A Southern Spy in Northern Virginia* Charles V Mauro uncovers the mystery behind this album identifying who the soldiers were and when they could have signed its pages The result is a fascinating look at the covert lives and relationships of civilians and soldiers during the war kept hidden until now Includes photos and illustrations

*Mosby and his Men: a record of the adventures of that renowned partisan ranger, John S. Mosby, etc. [With portraits.]* J. Marshall Crawford, 1867

[In Pursuit of a Phantom](#) Arnold M. Pavlovsky, 2008-06 *Mosby and His Rangers* Susan Provost Beller, 1992 Ride with the Gray Ghost of the Confederacy in *Mosby and His Rangers* as a small group of guerilla fighters keep thousands of Union troops tied up defending Washington Presenting the excitement of the raids in the words of the Rangers

the book then carefully puts their controversial tactics within the larger perspective of the resulting Union punishment of civilians

*The Civil War in Books* David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since *The Civil War Day by Day* will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

*75th Rangers* Russ Bryant Susan Bryant, 2005

*Riding in Circles J.e.b. Stuart and the Confederate Cavalry 1861-1862* ,

**A Thousand Points of Truth** V. P. Hughes, 2016-08-18 My interest in Colonel John Singleton Mosby began in 1950 However it wasn t until 2002 that it led to extensive research on the subject centered upon newspaper reports on the man begun during the Civil War and continued throughout and even after his life And while I rejected Virgil Carrington Jones s observation on Mosby contained in the preface of this work I did not contemplate writing this book until an even more disparaging observation came to my attention during my research The comment was contained in an article in the Ponchatoula Times of May 26 1963 as part of a six article series written by Bernard Vincent McMahon entitled *The Gray Ghost of the Confederacy* Mr McMahon in turn based his comment upon General Omar Bradley s judgment of what might have been the postwar life of General George Patton Now substitute Mosby for General Patton in the book *A General s Life* by Omar Bradley I believe it was better for General Patton Mosby and his professional reputation that he died when he did He would have gone into retirement hungering for the old limelight beyond doubt indiscreetly sounding off on any subject anytime any place In time he would have become a boring parody of himself a decrepit bitter pitiful figure unwittingly debasing the legend emphasis mine McMahon however only proffered in his writings the widely accepted view of John Mosby held by many if not most However like General Ulysses S Grant I have come to know Colonel Mosby rather more intimately through the testimony of countless witnesses over a span of 150 years and I believe that it is time for those who deeply respect John Mosby the soldier to now also respect John Mosby the man A century ago the

book of John Singleton Mosby's life closed. It is my hope that this book will validate the claim he made during that life that he would be vindicated by time. V. P. Hughes      **Bear Flag and Bay State in the Civil War** Thomas E. Parson, 2024-12-06 The Second Massachusetts Cavalry included the only organized group of 5 companies totaling 504 men from California to fight in the east during the Civil War. Led by a young Boston aristocrat Colonel Charles R. Lowell, these men began their wartime careers in Northern Virginia in 1862, clashing with the partisan rangers of Major John S. Mosby in a deadly world of guerrilla warfare. In August of 1864, the regiment was assigned to Major General Phil Sheridan's Army of Shenandoah and served through all of the battles in the victorious campaign to clear the valley of Confederates, witnessing the final surrender at Appomattox Courthouse. This account tells what these men from California and Massachusetts accomplished, how they communicated, and how they viewed themselves. The book contains three appendices that list the battle casualties of the regiment during its largest engagements. Photographs and a bibliography are also included.

## **Ranger Mosby Book Review: Unveiling the Power of Words**

In a world driven by information and connectivity, the ability of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Ranger Mosby**, a literary masterpiece that delves deep in to the significance of words and their affect our lives.
