Bender, 2015-11-16 Upon its publication in 1871 Charles Darwin s *The Descent of Man and Selection in Relation to Sex* sent shock waves through the scientific community and the public at large In an original and persuasive study Bert Bender demonstrates that it is this treatise on sexual selection rather than any of Darwin s earlier works on evolution that provoked the most immediate and vigorous response from American fiction writers These authors embraced and incorporated Darwin s theories insights and language creating an increasingly dark and violent view of sexual love in American realist literature In *The Descent of Love* Bender carefully rereads the works of William Dean Howells Henry James Elizabeth Stuart Phelps Sarah Orne Jewett Kate Chopin Harold Frederic Charles W Chesnutt Edith Wharton and Ernest Hemingway teasing from them a startling but utterly convincing preoccupation with questions of sexual selection Competing for readership as novelists who best grasped the real nature of human love these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself Influenced more by *The Descent of Man* than by *The Origin of Species* Bender s novelists built upon Darwin s anthropological and zoological materials to anatomize their character s courtship behavior returning consistently to concerns with physical beauty natural dominance and the power to select a mate Bringing the

resources of the history of science and intellectual history to this the first full length study of the impact of Darwin s theories in American literature Bender revises accepted views of social Darwinism American literary realism and modernism in American literature forever changing our perceptions of courtship and sexual interaction in American fiction from 1871 to 1926 and beyond [The Secret Place](#) Al Lacy, Joanna Lacy, 2011-06-01 Handsome accomplished Dr Erik Linden veers between heroism and accolades failure and despair in this fascinating new historical novel A recent medical graduate in nineteenth century Switzerland Erik finds himself in a crisis of faith after his former fiancée dies on his operating table Should he give up performing surgery Should he abandon his homeland and seek a better life in a freer place Meanwhile lovely young Dova a friend in Erik s hometown faces murderous avengers after identifying them to the authorities even as she struggles with an affection that she must keep quiet As the two young people cope with love s longings on opposite shores can they find the serenity of God s covering in [The Secret Place](#) **Final Justice** Al Lacy, 2011-07-06 Silver Moon is in her teens when her Cheyenne village is destroyed by Colonel John Chivington s cavalry unit As Silver Moon grows she becomes consumed with hatred until her one goal is to kill the man responsible But when a smallpox epidemic breaks out among the Cheyenne Christian nurse Breanna Baylor Brockman comes to care for the sick and the nurse s compassion for Silver Moon and her people begins the girl s journey toward conversion and healing **Reunited in Love (The Maverick Billionaires, Book 9)** Bella Andre, Jennifer Skully, 2024-06-20 She s the love he foolishly let go Ava Harrington brilliant billionaire businesswoman has conquered the world And yet scarred by a love lost fifteen years ago she s built a wall around her heart swearing off love forever Ransom Yates s culinary genius has taken him to the pinnacle of success as a magnetic celebrity chef But that success came at a devastating price when he left behind the woman who held the key to his heart Their reunion is anything but sweet when Ava must swallow her pride and seek Ransom s help though he s the last person she ever wanted to turn to in a crisis But the sparks flying between them are hotter than ever and their undeniable chemistry reignites their long buried passion with steamy kisses and sultry nights Ransom can t help but fall for the woman he never stopped loving But Ava s heart is still hardened with the memory of how their long ago affair ended Can they find a second chance at love Or is their love forever lost in the ashes of their past REUNITED IN LOVE is part of Bella Andre and Jennifer Skully s bestselling series about The Maverick Billionaires While it can easily be read as a standalone story you ll likely enjoy reading the other books too THE MAVERICK BILLIONAIRES SERIES Breathless In Love Reckless In Love Fearless In Love Irresistible In Love Wild In Love Captivating In Love Unforgettable In Love Endless in Love Reunited in Love About the Authors Bella Andre is the New York Times USA Today Publishers Weekly and Wall Street Journal bestselling author of The Sullivans The Maverick Billionaires and the Married in Malibu series Her novels have been 1 bestsellers around the world and she has sold more than 10 million books so far Known for sensual empowered stories enveloped in heady romance Publishers Weekly her books have been Cosmopolitan Magazine Red Hot Reads twice and have been translated into ten
