

An underwater photograph of a clear plastic bottle floating in the ocean. The bottle is partially submerged, with its cap and top half visible above the water surface. The water is a deep blue-green color. In the background, a city skyline is visible through the water, with buildings of various heights and colors. The overall scene suggests environmental pollution and its impact on marine life.

**Ransomed, Redeemed, and Forgiven** David H. McIlroy, 2022-07-05 Images connected to money are found frequently in the Bible and in the hymns and songs Christians sing The ideas of ransom redemption and forgiveness are a key part of how the work of Jesus on the cross is described But what do the pictures of ransom redemption and forgiveness actually mean How would they have been understood by the first hearers of the gospel How do they link to kidnapping slavery and debt Using practical examples from his experience as a banking lawyer and from history David McIlroy shows how power money and sin combine to trap us leaving us in desperate need of a redeemer to rescue us This book will deepen your understanding of Jesus s death enrich your worship and inspire you to share and demonstrate the transformative power of the salvation achieved through the cross and resurrection

Amazing Grace Kenneth W. Osbeck, 2002-05-01 This revised best seller is an inspiring daily devotional based on 366 great hymns of the faith It contains a portion of each hymn along with Scripture readings meditations and practical applications
