Bellesiles,1999-03 Examining the role of violence in America s past this collection of essays explores its history and development from slave patrols in the colonial South to gun ownership in the 20th century The contributors focus not only on individual acts such as domestic violence murder duelling frontier vigilantism and rape but also on group and state led acts such as lynchings slave uprisings the establishment of rifle clubs legal sanctions of heterosexual aggression and invasive medical experiments on women s bodies **An Illustrated History of Central Oregon** ,1905 *Louisiana Voyages* Martha Reinhard Smallwood Field,2006 Toward the end of the 19th century journalist Field traveled by boat and buggy around Louisiana writing columns under the name of Catharine Cole for the New Orleans Daily Picayune Her work spread to other papers and she was read widely throughout the South This collection details her journeys around the state in the 1890s With evocative and adjective filled prose she describes the beauty as well as the practical aspects of Louisiana life including shrimp drying levee building and the cost of land Field conjures up vivid images of the places she visits such as the town that lifts its comb of roof and gray gable and soft colored adobe chimneys from out the clumps and clouds of the chinaberry tree The editors both retired professors of English at Clemson University add brief introductions to each piece Although Field s travel adventures depict a time without modern convenience when women were not expected to journey alone her enjoyment of travel for its own sake resonates with readers today Recommended for Louisiana libraries and for academic libraries with a Southern history collection Janet Clapp Athens Clarke Cty Lib Athens GA Copyright 2006 Reed Business Information Library Jour Reinventing the American Thoroughbred Gary A. O'Dell,2025-06-10 Most equine authorities consider Alexander Keene Richards 1827 1881 one of the nineteenth century s most significant Thoroughbred importers and breeders Born in Georgetown Kentucky and orphaned as a toddler Richards was adopted by his grandfather from whom he inherited not only the family farm in Georgetown but also Transylvania a cotton plantation in East Carroll Parish Louisiana Horses

fascinated Richards from an early age and as his passion deepened he became convinced that the key to improving the stamina of the Thoroughbred in an era when American racing consisted of grueling long distance competitions was to crossbreed American horses with the magnificent steeds of the Middle East As Reinventing the American Thoroughbred recounts Richards traveled thousands of miles on expeditions into the heart of Syria to obtain Arabian stock of the purest blood He became the first American indeed the first Westerner to venture into the desert to bargain directly with nomadic tribesmen for their horses Richards transported the animals back to his grandfather s farm near Georgetown which he transformed into a premier breeding establishment called Blue Grass Park He also used his Transylvania plantation in Louisiana for similar purposes Richards relied on Ansel Williamson an enslaved horse trainer to prepare his Thoroughbreds for racing Williamson developed a reputation as one of the best handlers in the nation The Civil War interrupted Richards s equine breeding experiment Dependent on southern cotton produced by enslaved labor for his wealth Richards sided with the Confederacy and was appointed volunteer aide de camp by General John C Breckinridge During his brief military career he served at Vicksburg and later in the attack on Baton Rouge In late 1862 he received Breckinridge s permission to travel to England to purchase artillery for the general s Kentucky brigade Richards remained in London for the remainder of the war returning to the United States after receiving amnesty Bankrupt he spent the rest of his life attempting to rebuild Blue Grass Park as a nationally recognized Thoroughbred facility Richards s life story chronicled here for the first time by Gary A O Dell is an epic tale of adventure experimentation and devastation that illuminates the grand history of the American

the Republican Party to gain and maintain power there It was only with the collapse of state level Republican power in 1877 that Democratic forces in the parish were able to dismantle local Republican political control and gradually constrict Black freedoms The Merchants' Capital Scott P.
