CRUMEY IRWIN (ANDREW.),2025 **Rapture of the deep** ,2005 *Rapture of the Deep* David Grindberg,2014-04-14 In the middle of the night the doorbell rings and Jennifer Johnson is pulled from a deep sleep Outside her front door stand two police officers messengers bearing tragic news Joe Jen s recently estranged husband is missing the victim of a scuba diving accident Joe Puck Johnson is a master carpenter He is quiet thoughtful and passionately loves his deeply scarred wife Their separation unwanted painful and immersed in unfinished business is now punctuated by this unfathomable loss Tom Hyden is a high profile banker He has the perfect home the perfect wife the

perfect child the perfect everything yet beneath the surface of his well manicured life Tom carries a dark and shameful secret Born and raised in the small Iowa town of Lake Pulaski these two men cannot remember a time before their friendship It is a bond most recently sealed by their mutual love of scuba diving Beneath the waves diving provides a peaceful respite However on the surface their worlds are reeling and the peace they so desire is being torn asunder Both men find their families disintegrating and their lives twisting apart the result of events they cannot talk about even with each other So Tom and Joe are lost and they must now take a journey that for one will lead to tragedy and the other redemption **Deep River**

comparative study of two of the most popular and influential intellectual and spiritual traditions of West Africa Tijani Sufism and Ifa Employing a unique methodological approach that thinks with and from rather than merely about these traditions Oludamini Ogunnaike argues that they contain sophisticated epistemologies that provide practitioners with a comprehensive worldview and a way of crafting a meaningful life Using theories belonging to the traditions themselves as well as contemporary oral and textual sources Ogunnaike examines how both Sufism and Ifa answer the questions of what knowledge is how it is acquired and how it is verified Or more simply What do you know How did you come to know it How do you know that you know After analyzing Ifa and Sufism separately and on their own terms the book compares them to each other and to certain features of academic theories of knowledge By analyzing Sufism from the perspective of Ifa Ifa from the perspective of Sufism and the contemporary academy from the perspective of both this book invites scholars to inhabit these seemingly foreign intellectual traditions as valid and viable perspectives on knowledge metaphysics psychology and ritual practice Unprecedented and innovative Deep Knowledge makes a significant contribution to cross cultural philosophy African philosophy religious studies and Islamic studies Its singular approach advances our understanding of the philosophical bases underlying these two African traditions and lays the groundwork for future study **Rapture of the**
