Rascally Cake:

The Rascally Cake Jeanne Willis, 1995 Rufus O Parsley wouldn't eat supper unless it was ghastly Wormcast butties tubes of glue pans of slugs in slimy stew He decides to bake an extra specially revolting cake but then the cake starts trying to eat him This book won the 1995 FCBG Children's book award for Best Picture Book *Drama and Reading for Meaning Ages 4-11* Lorraine S. Harrison, 2022-04-19 *Drama and Reading for Meaning Ages 4-11* contains over 40 creative drama ideas to help develop reading for meaning in the primary school The wide range of clearly explained structured and engaging drama activities will appeal to all primary practitioners who wish to develop more creative approaches to the teaching of reading The activities show how drama can develop some of the skills associated with reading for meaning such as empathising with characters feelings exploring settings and themes and making inferences based on evidence The step by step activities range from familiar classroom drama strategies such as freeze frames and hot seating to less well known approaches involving whole class drama experiences The book also serves as an introduction to using drama as a learning medium with advice on how to set the ground rules and clear explanations of the drama strategies Each chapter has a detailed explanation of what to do followed by a number of examples linked to quality texts including poetry and non fiction From bringing books to life in reception and Years 1 and 2 to peeling back the layers of meanings in Years 3 to 6 all the drama activities in this book are designed to improve reading for meaning and help motivate children to read for pleasure making this an essential resource for all primary settings **The Really Useful Drama Book** Roger McDonald, 2017-07-14 *The Really Useful Drama Book* offers busy primary school teachers a collection of step by step drama sessions inspired by high quality picturebooks that will engage children and promote enjoyable learning across the curriculum Lively and thoughtful the interactive drama sessions are structured around a wide range of texts including wordless picturebooks postmodern picturebooks short stories well known texts by recognisable authors and some you may not have come across before all chosen for their power to foster curiosity The step by step sessions can also be adapted to incorporate your own ideas and passions allowing you to structure them for the topics you're exploring with your class Each session is structured around two texts and offers a guide to the drama strategies used teaching objectives ideas for writing opportunities problems emotions and challenges to explore and a clear guide to exploring each text Ten key themes are explored Suspense Prejudice Friendship Rhyme and rhythm War and conflict Nature Overcoming fear Possessions and obsessions Dreams Short stories With a focus on the crucial role of imagination in the classroom *The Really Useful Drama Book* helps reclaim a purposeful passionate pedagogy and shows teachers how drama can place children right at the heart of a story encouraging their desire to ask questions solve problems and search out new information Teaching English Creatively Teresa Cremin, 2009-06-26 What does it mean to teach English creatively to primary school children How can you successfully develop pupils engagement with reading and writing skills *Teaching English Creatively* demonstrates the potential of creative teaching to develop children's knowledge skills

understanding and attitudes Underpinned by theory and research it also offers informed and practical support to both students in initial teacher education and practising teachers who want to develop their teaching Illustrated by examples of children s work this book explores the core elements of creative practice in relation to developing engaged readers writers speakers and listeners Creative ways to explore powerful literary non fiction visual and digital texts are offered throughout Key themes addressed include meaning and purpose play and engagement curiosity and autonomy collaboration and making connections reflection and celebration the creative involvement of the teacher Stimulating and accessible with contemporary and cutting edge practice at the forefront Teaching English Creatively includes a wealth of innovative ideas to enrich literacy practice Written by an experienced author with extensive experience of initial teacher education and English teaching in the primary school this book is an essential purchase for any professional who wishes to embed creative approaches to teaching in their classroom

Stepping Stones Neil Griffiths, Anne Pratt, Sylvia Wright, 2001 Designed to address the Foundation Curriculum the Early Learning Goals from the QCA and the Scottish Curriculum Framework 3 5 This book offers Early Years education and is a child centred activity based resource for nursery stage It is based on and correlated to the Foundation Stage Curriculum

Essential Primary Grammar Debra Myhill, Susan Jones, Helen Lines, Annabel Watson, 2016-02-16 Essential Primary Grammar is an invaluable resource to ensure that you are firmly equipped to teach grammar It helps you get to grips with your knowledge of grammar for the national curriculum including the spelling punctuation and grammar test as well as providing you with some tried and tested ways to teach grammar Underpinned by a series of research studies which have investigated the teaching of grammar it will support you in how to teach grammar in creative and meaningful ways whilst supporting you in developing your own fundamental knowledge of grammar Uniquely the book takes a systematic step by step approach to explain the grammatical terminology specified in the national curriculum It also illustrates how you might develop children s grammatical knowledge by offering a range of practical activities which are rich meaningful and support children s development as confident and curious language investigators Key features include Easy to read chapters which systematically focus on grammatical subject knowledge at word phrase and clause level Guidance in each chapter addressing typical grammar problems or misconceptions and some grammar jokes Inspiring suggestions for teaching activities to help children develop grammatical knowledge in meaningful learning contexts Reference to authentic children s books to illuminate the grammatical explanations and suggested teaching activities Ideas on how high quality talk about grammar and texts can be fostered in the classroom

Time to Talk Jean Gross, 2013-05-21 Time to Talk provides a powerful and accessible resource for practitioners to help develop their own skills as well as supporting a whole school or setting approach to speaking and listening Written by the government s former Communication Champion for children it showcases and celebrates effective approaches in schools and settings across the country Jean Gross helpfully summarises research on what helps children and young people develop good language and communication skills and highlights the

importance of key factors a place to talk a reason to talk and support for talk This practical and engaging book also provides whole class approaches to developing all children and young people s speaking and listening skills catch up strategies for those with limited language ways in which settings and schools can develop an effective partnership with specialists such as speech and language therapists to help children with more severe needs examples of good practice in supporting parents carers to develop their children s language skills answers to practitioners most frequently asked questions about speech and language This book is for all school leaders teachers and Early Years practitioners concerned about the growing number of children and young people with limited language and communication skills

The Richness of Art Education Howard Cannatella,2008-01-01 This book is intended for anyone interested in knowing more about arts education It makes a daring contribution to the subject in a clear pragmatic committed and ambitious way The book discusses thoroughly the theory and practice of arts education and what it means to be a teacher of art It is a powerful and inspiring account of the challenges of teaching in the arts that will appeal to anyone in the teaching profession With clarity and engagement The Richness of Arts Education ddresses what it means to be a teacher in the arts Familiarity and knowledge of teaching is checked by the constant relevant examples that the book critically explores The book rethinks some of the real ground of teaching in the arts and encourages a deeper understanding of them Primary and secondary teachers college and university teachers and policy makers will find this book formidable It is a book for today and tomorrow Howard Canatella s The Richness of Arts Education provides a deep philosophical engagement with the arts and art education And if that were not enough it also provides a sustained discussion of the ways in which art education enriches our philosophical understanding of the arts specifically education certainly but also some key issues within philosophy itself In other words Canatella adequately demonstrates the riches that art education entails While the key figures he engages with do not encompass the entire range of possible philosophical perspectives that could be brought to bear on the field of art education an impossible task in any case he engages each figure deeply The scholarly literature in each section is thoroughly explored to highlight the thesis that holds the entire project together the deeply textured quality of art education and the many benefits that we can derive thereof This should be a valuable book to art teachers no doubt but to educators and philosophers too

Creative Teaching: English in the Early Years and Primary Classroom Chris Horner,Victoria Ryf,2007-06-11 Presenting a range of exciting activities that support the development of creative English lessons within the existing structures of the Foundation Curriculum and the National Curriculum this book is packed full of interactive and creative teaching strategies provides guidance on assessing creative work highlights opportunities for creative literacy activities across the curriculum covers ages 3 11

Teaching Young Children Tricia David,1999-03-30 Tricia David starts the book off with a commitment to the importance of relationships The impact of emotional aspects of a school or nursery situation has long been neglected in the UK as is amply demonstrated by the list of criteria for judging the quality of teaching drawn from OfSTED critieria Amen to that Times

Educational Supplement Friday Magazine Teaching Young Children is essential reading for early years teacher trainers and anyone working with young children from birth to eight years old It is an excellent companion volume to one of David s other books Young Children Learning David s many contributions to the literature in early years education has focused on the ways in which societies treat and educate young children Teaching Young Children is an evidence based book which raises important questions concerning the lives of young children and answers them in terms of the values underlying our society David and her colleagues at the Centre for International Studies in Early Childhood have written a compelling book Teaching Young Children is a valuable resource and a must read for those who care about the lives of our youngest citizens International Journal of Early Years Education Teaching Young Children will help students and experienced practitioners to reflect on their own practice observe what is happening in their own and others settings consider ways of developing their pedagogy in the light of evidence from research and their own systematic explorations thus promoting evidence based practice Several chapters consider thinking and practice concerning young children learning in a range of curriculum areas language the arts mathematics physical education IT design and technology science and geography Other chapters deal with assessment the professional development of educators and teachers inspections play special educational needs and evaluating policy and practice Written by experienced practitioners from the centre for International Studies in early childhood Teaching Young Children shows that in the earliest years of childhood all children should experience the delight which can be part of effective pedagogy pedagogy which takes account of the child s individuality and development in the context of changing socio cultural constructions of childhood
