Coleman,2009-03-16 Re riting Woman presents the first in depth ethnographic study of Dianic Wicca Its subject Circle of Aradia is a branch of the religion based in the Los Angeles area This religion of by and for women conceives the Divine as exclusively female and has infused feminism into Wicca worldwide Kristy S Coleman combines ethnography with theory to present a full account of what Dianic Witches lived practice looks like and what it means The theorist of focus Luce Irigaray asserts that women must reclaim their own space and imagine the Divine as female to achieve full emancipation Moreover

Irigaray's critical analysis of Western culture creates a subtext that clarifies what is at stake in this practice. Thick description of seasonal rituals dispels fears and stereotypes about Wicca and offers readers a comforting familiarity and shared healing. Coleman employs ritual theory to suggest why and how these rites wield such meaning-altering possibilities. Practitioners' statements that describe a shift in worldview and self-conception elicit Coleman's proposal that Dianic rituals re-write the valuation and meaning of woman. Dianic women's stories reveal both the transformative power of the tradition's practice and the organization's challenges related to power politics.

Flowers of the Night John E. Susko, 2019-11-29 In the early morning hours the author dictated letters to his mother and father who have already passed. These extraordinary prose poems explore topics which embrace paradoxes: how seasons transform into eternity, how silence is filled with sound, and how our neighbors are our gold. Our writer, who has been diagnosed with cancer, has come upon a newfound gift to express his soul. We invite you to come on a journey which will share an uncommon vision of beauty with you. *The Day of rest*, 1876

Vampires, Aliens, and God Douglas Hall, 2025-09-22 No one should give birth in a coffin yet Catherine Dugat, a vampire, awakens in her blood-filled tomb in New Orleans with her future foretold in the pearl-white egg floating to the surface. Thus begins the story of the convergence of three worlds and the profound redemption that will threaten the dominance of one of the world's most powerful vampires. Lucius Marcellus Lucius' legendary life story began 2000 years ago when he was bitten by a powerful vampire while in his mother's womb. His gifts are revealed as he crafts a life of great achievement and is eventually abducted by Aliens. Through his story, largely taken from actual events and the Holy Bible, we learn about the vampire's relationship to the Biblical Nephilim and how they came into being and the interference of the Alien race in God's plan for man. His journey includes encounters with a who's-who's of mankind, including Jesus, Joan of Arc, famous artists, and innovators and world leaders. Lucius settles in New Orleans in 1920. He meets and is smitten by Catherine Dugat, and their mutual destinies are sealed. As Catherine's unusual offspring grows, he reads the Bible, becomes morally prescient, and gives his soul to God. Soon an astonishing event reveals the child's transformative purpose in life, thus insuring his inevitable threat to Lucius.
