Baby Brother's Blues Pearl Cleage, 2007-02-27 When Regina Burns married Blue Hamilton she knew he was no ordinary man A charismatic R & B singer who gave up his career to assume responsibility for the safety of Atlanta's West End community Blue had created an African American urban oasis where crime and violence were virtually nonexistent In the beginning Regina enjoyed a circle of engaging friends and her own work as a freelance communications consultant Most of all she relished the company of her husband who never ceased to be a source of passion and delight Then everything changed More and more frightened women were showing up in West End seeking Blue's protection from lovers who had suddenly become violent When the worst offenders begin to disappear without a trace the signs all of them grim seem to point toward Blue and his longtime associate Joseph General Richardson Now that Regina is pregnant her fear for Blue's safety has become an obsession that threatens the very heart of their relationship At the same time Regina's friend Aretha Hargrove is desperately trying to redefine her own marriage Aretha's husband Kwame is lobbying for them to leave West End
