Retrospect Reminiscences Impressions O:

The Publishers' Circular and Booksellers' Record ,1928 Bulletin of the Brooklyn Public Library Brooklyn Public Library,1928 **Nature's Noblemen** Monica Rico,2013-07-16 DIV In this fascinating book Monica Rico explores the myth of the American West in the nineteenth century as a place for men to assert their masculinity by roughing it in the wilderness and reveals how this myth played out in a transatlantic context Rico uncovers the networks of elite men British and American who circulated between the West and the metropolises of London and New York Each chapter tells the story of an individual who by traveling these transatlantic paths sought to resolve anxieties about class gender and empire in an era of profound economic and social transformation All of the men Rico discusses from the well known including Theodore Roosevelt and Buffalo Bill Cody to the comparatively obscure such as English cattle rancher Moreton Frewen envisioned the American West as a global space into which redemptive narratives of heroic upper class masculinity could be written div The Auk ,1928

American Book Prices Current ,2005 A record of literary properties sold at auction in the United States **Catalog of the Library of the Academy of Natural Sciences of Philadelphia** Academy of Natural Sciences of Philadelphia. Library,1972 *Pastoral Reminiscences* Shepard Kollock,1849 **Black New Orleans, 1860-1880** John W. Blassingame,2008-09-15 Reissued for the first time in over thirty years Black New Orleans explores the twenty year period in which the city's black population more than doubled Meticulously researched and replete with archival illustrations from newspapers and rare periodicals John W Blassingame's groundbreaking history offers a unique look at the economic and social life of black people in New Orleans during Reconstruction Not a conventional political treatment Blassingame's history instead emphasizes the educational religious cultural and economic activities of African Americans during the late nineteenth century Blending historical and sociological perspectives and drawing with skill and imagination upon a variety of sources Blassingame offers fresh insights into an oft studied period of Southern history In both time and place the author has chosen an extraordinarily revealing vantage point from which to view his subject Neil R McMillen American Historical Review

Catalogue A. Dulau & Co, **Quarterly literary advertiser** ,1883 The Spectator ,1907 *Quarterly Journal - University of North Dakota* University of North Dakota,1925 *Academy, with which are Incorporated Literature and the English Review* ,1883 **"The" Academy** ,1883 **Edward Hopper** Gail Levin,2023-01-03 New York Times Notable Book Los Angeles Times Book Prize Finalist Wall Street Journal One of Five Best Artist Biographies Edward Hopper's canvasses are filled with stripped down spaces and unrelenting light evocative landscapes and the lonely aspects of men and women seemingly isolated in their surroundings What kind of man had this haunting vision and what kind of life engendered this art No one is better qualified to answer these questions than art historian Gail Levin author and curator of the major studies and exhibitions of Hopper's work In this intimate biography she reveals the true nature and personality of the man himself and of

the woman who shared his life the artist Josephine Nivison *MotorBoating* ,1951-07 The Union Soldier in Battle Earl J. Hess,1997-04-02 I saw enough to sicken the heart The scenes which I witnessed were enough to overthrow all imaginations concerning the glory of war but dreadful as they were I hope and believe that I would be willing to suffer the worst rather than prove a traitor to the trust which our country reposes in all her sons J Spangler Kieffer Pennsylvania Militia With its relentless bloodshed devastating firepower and large scale battles often fought on impossible terrain the Civil War was a terrifying experience for a volunteer army Yet as Earl Hess shows Union soldiers found the wherewithal to endure such terrors for four long years and emerge victorious A vivid reminder that the business of war is killing Hess s study plunges us into the hellish realms of Civil War combat a horrific experience crowded with brutalizing sights sounds smells and textures We share the terror of being shot at for the first time and hear the grating sound a minie ball makes when it hits a bone instead of the heavy thud when it strikes flesh We are assaulted by choruses of groans from the wounded and dying and come to understand why some soldiers returned to battle with great dread Drawing extensively upon the letters diaries and memoirs of Northern soldiers Hess reveals their deepest fears and shocks and also their sources of inner strength By identifying recurrent themes found in these accounts Hess constructs a multilayered view of the many ways in which these men coped with the challenges of battle He shows how they were bolstered by belief in God and country or simply by their sense of duty how they came to rely on the support of their comrades and how they learned to muster self control in order to persevere from one battle to the next Although our ability to appreciate war as it was conducted in the previous century has been clouded by our familiarity with modern conflicts Hess s study conveys that reality with an immediacy rarely matched by other books Even more it urges us to reconsider these soldiers not as victims of the battlefield but rather as victors over the worst that war can inflict The Great Triumvirate Merrill D. Peterson,1987 Enormously powerful intensely ambitious the very personifications of their respective regions Daniel Webster Henry Clay and John C Calhoun represented the foremost statemen of their age In the decades preceding the Civil War they dominated American congressional politics as no other figures have Now Merrill D Peterson one of our most gifted historians brilliantly re creates the lives and times of these great men in this monumental collective biography Arriving on the national scene at the onset of the War of 1812 and departing political life during the ordeal of the Union in 1850 52 Webster Clay and Calhoun opened and closed a new era in American politics In outlook and style they represented startling contrasts Webster the Federalist and staunch New England defender of the Union Clay the war hawk and National Republican leader from the West Calhoun the youthful nationalist who became the foremost spokesman of the South and slavery They came together in the Senate for the first time in 1832 united in their opposition of Andrew Jackson and thus gave birth to the idea of the Great Triumvirate Entering the history books this idea survived the test of time because these men divided so much of American politics between them for so long Peterson brings to life the great events in which the Triumvirate figured so prominently including the debates on Clay s American System the

Missouri Compromise the Webster Hayne debate the Bank War the Webster Ashburton Treaty the annexation of Texas and the Compromise of 1850 At once a sweeping narrative and a penetrating study of non presidential leadership this book offers an indelible picture of this conservative era in which statesmen viewed the preservation of the legacy of free government inherited from the Founding Fathers as their principal mission In fascinating detail Peterson demonstrates how precisely Webster Clay and Calhoun exemplify three facets of this national mind
