Return To The Lord

David J. McCarthy

Return To The Lord:

The Return of the Lord Jesus R. A. Torrey, 2012-07-02 What Will Happen to You Jesus could return at any moment Here are the scriptural answers to questions about the time manner and results of His return including What will be going on when Jesus returns Will non Christians have a chance to repent How can I be ready for the rapture When will I receive my heavenly reward When will I receive my new body Who will reign with Christ What will happen to believers who have died Many people view Christ s return to the earth as either improbable or dreadful However for those who know Him personally His return will be a day of joy transformation and reunion You can be ready for the greatest day the world has ever seen

The Return of the Lord Jesus ... Reuben Archer Torrey, 1913 *The Works* John Donne, 1839 *Why the Lord Has Not Returned* David J. McCarthy, 2013-10-29 This book is written to clarify the Biblical return of the Lord Many are looking for the Lords return based on Acts 1 11 as two angels speak Ye men of Galilee why stand ye gazing up into heaven This same Jesus which is taken up from you into heaven shall so come in like manner as ye have seen him go into heaven King James Version The error of the Lords return date is the Second Greatest deception among Christians We want all God kind to make their better eternal destiny God gave us an actual time line *Sermons* John Donne, 1839 *The Banner of Israel* , 1893

The Return of the Lord Jesus: The Key to the Scripture and the Solution of All Our Political and Social Problems (1913) Reuben Archer Torrey, 2009-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Return of the Lord Jesus** John H. Sammis, James Hall Brooks, R. A. Torrey, 2017-10-29 THE writer of this book is an optimist He is absolutely sure that a golden age is swiftly coming to this earth But he is not a blind optimist His optimism is not the result of shutting his eyes to unpleasant facts his eyes are wide open to the awful injustices that rule in human society as at present constituted He is fully aware that there is a storm coming He does not question that we are facing the wildest fiercest most appalling storm this old world ever passed through but the storm will be brief and beyond the storm there is a golden day such as philosophers and poets never dreamed of The writer is an optimist because he has deeply pondered and believes with his whole heart what the Bible teaches concerning the Second Coming of Christ If he did not believe that he could not but be a pessimist knowing what he does of social conditions and the trend of human society today In the Return of our Lord is the perfect solution and the only solution of the political and social and commercial problems that now vex us In the truth concerning our Lord s Return is the safeguard against all current heresies errors and falsehoods One error after another is arising to deceive if it were possible even the very elect One who knows the truth clearly revealed in God s Word concerning the Second Coming of Christ is proof against them all For example no one who knows the truth concerning the Second Coming of Christ could

possibly be misled by Christian Science Millennial Dawnism Occultism Theosophy or Behaism It is remarkable how all forms of error touch the doctrine of Christ s Second Coming and are shattered by the truth revealed about it in the Scriptures Those who are ignorant of what the Word teaches concerning the Second Coming of Christ may fancy that they see in Madame Besant s Order of the Star of the East a preparation for the coming of Christ but those who know the truth know that it is a preparation for the welcoming of the Antichrist the Devil s imitation Christ The truth of our Lord s Return is the most precious truth the Bible contains It fills the heart of the believer with joy and girds him with strength for the battle It lifts him above the sorrows and fears and necessities and trials and ambitions and greed of this world and makes him in all things more than conqueror
