Beyond the Secret Garden Ann Thwaite,2020-08-06 The definitive and revealing biography of the author of *The Secret Garden* Frances Hodgson Burnett s favourite theme in her fiction was the reversal of fortune and she herself knew extremes of poverty and wealth Born in Manchester in 1849 she emigrated with her family to Tennessee because of the financial problems caused by the cotton famine From a young age she published her stories to help the family make ends meet Only after she married did she publish *Little Lord Fauntleroy* that shot her into literary stardom On the surface Frances life was extremely successful hosting regular literary salons in her home and travelling frequently between properties in the UK and America But behind the colourful personal and social life she was a complex and contradictory character She lost both parents by her twenty first birthday Henry James called her the most heavenly of women although avoided her prominent people admired her and there were many friendships as well as an ill advised marriage to a much younger man that ended in heartache Her success was punctuated by periods of depression in one instance brought on by the tragic loss of her eldest son to consumption Ann Thwaite creates a sympathetic but balanced and eye opening biography of the woman who has enchanted numerous generations of children

Frances Hodgson Burnett's The Secret Garden Jackie C. Horne,Joe Sutliff Sanders,2011-07 Frances Hodgson Burnett gained fame not only as an author of social fictions and romances but also for writing the immensely popular children s novel *Little Lord Fauntleroy* She seemed an unlikely candidate to pen a quiet realistic and unsentimental paean to disagreeable children and the natural world which has the power to heal them But it is precisely these qualities that have garnered *The Secret Garden* both a continued audience and a central place in the canon of children s literature for a century In Frances Hodgson Burnett s *The Secret Garden* A Children s Classic at 100 some of the most respected scholars of children s literature consider Burnett s seminal work from modern critical perspectives Contributors examine the works and authors that influenced Burnett identify authors who have drawn on *The Secret Garden* in their writing and situate the novel in historical and theoretical contexts These essays push beyond the themes that have tended to occupy the majority of academic scholars who have written about *The Secret Garden* to date In doing so they approach the text from theoretical perspectives that allow new light to illuminate old debates Scholars and students of children s literature women s literature transcontinental literature and the Victorian Edwardian period will find in this collection refreshing new looks at a children s classic

The Secret Garden Frances Hodgson Burnett, 1911. Since its publication in 1911, *The Secret Garden*, a touchstone of children's literature, has been adapted for plays and movies over a dozen times. Charming generations of readers, the story centers around the healing power of friendship and the magic in the everyday. Burnett begins with a spoiled and unsympathetic heroine named Mary Lennox. When Mary is orphaned, she is shipped from her home in colonial India to a drab country house in Yorkshire. As she learns to tend the garden on the estate, Mary forms her first true friendships when they bring a secret garden back to life. Mary and her friends are also transformed.

The Secret Garden Margaret Eileen Meredith, 2005. This fascinating study grew out of the author's abiding interest in gardening as a metaphor for the process of individuation.

Literary Afterlife Bernard A. Drew, 2010-03-08. This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name; undisguised offshoots issued under the new writer's name; posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer; unauthorized pastiches and biographies of literary characters. The authors and works are entered under the following categories: Action and Adventure Classics, 18th Century and Earlier Classics, 19th Century Classics, 20th Century Crime and Mystery, Espionage, Fantasy and Horror, Humor, Juveniles, 19th Century Juveniles, 20th Century Poets, Pulps, Romances, Science Fiction and Westerns. Each original author entry includes a short biography, a list of original works, and information on the pastiches based on the author's characters.

The Secret Garden Frances Hodgson Burnett, 2011-03-10. It was the garden that did it, and Mary and Dickon and the creatures and the Magic. An orphaned girl, a grim moorland manor with hundreds of empty rooms, strange cries in the night, a walled garden with its door locked and the key buried, and a boy who talks to animals. These are the ingredients of one of the most famous and well-loved of children's classics. Through her discovery of the secret garden, Mary Lennox is gradually transformed from a spoilt and unhappy child into a healthy, unselfish girl who in turn redeems her neglected cousin and his gloomy Byronic father.

Frances Hodgson Burnett's inspiring story of regeneration and salvation gently subverted the conventions of a century of romantic and gothic fiction for girls. After a hundred years, *The Secret Garden's* critique of empire and of attitudes to childhood and gender, and its advocacy of a holistic approach to health, remains remarkably contemporary and relevant.
