Return Of The Maya:

Return of the Maya Thomas Hoepker, 1998 Latin America's longest civil war ended in 1996. The peace accord between Guatemala's conservative government and the Marxist guerrilla group the URNG brought an end to 36 years of conflict with almost 150 000 people killed and another 50 000 still missing. Most of the victims were the Mayan people who were brutally oppressed by both sides. Magnum photographer Thomas Hoepker visited Guatemala several times from 1991 onwards and in *Return of the Maya* he documented the Maya's rediscovery of their magnificent culture and history. Of special concern was the Maya's search through the killing fields for their dead and of the rituals both Catholic and Mayan that are central to their culture and which has helped them begin to heal their emotional and societal wounds. Hoepker captured many aspects of this remarkable period of transition and arranged them in an array of astonishing photographs that will disturb, enchant and amaze. *Return of the Maya* Gaspar Pedro González, 1998

Dividing the Isthmus Ana Patricia Rodríguez, 2009-05-01 In 1899 the United Fruit Company UFCO was officially incorporated in Boston, Massachusetts, beginning an era of economic, diplomatic and military interventions in Central America. This event marked the inception of the struggle for economic, political and cultural autonomy in Central America, as well as an era of homegrown inequities, injustices and impunities to which Central Americans have responded in creative and critical ways. This juncture also set the conditions for the creation of the Transisthmus, a material, cultural and symbolic site of vast intersections of people, products and narratives. Taking 1899 as her point of departure, Ana Patricia Rodríguez offers a comprehensive, comparative and meticulously researched book covering more than one hundred years between 1899 and 2007 of modern cultural and literary production and modern empire building in Central America. She examines the grand narratives of anti-imperialism, revolution, subalternity, globalization, impunity, transnational migration and diaspora, as well as other discursive, historical and material configurations of the region beyond its geophysical and political confines. Focusing in particular on how the material productions and symbolic tropes of cacao, coffee, indigo, bananas, canals, waste and transmigrant labor have shaped the transisthmian cultural and literary imaginaries, Rodríguez develops new methodological approaches for studying cultural production in Central America and its diasporas. Monumental in scope and relentlessly impassioned, this work offers new critical readings of Central American narratives and contributes to the growing field of Central American studies. Burgin,1994-07 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven around the poet s own account visible in her writings The book is divided into seven chapters

which reflect seven natural divisions in Parnok's life. This lends Burgin's work a particular poetic resonance owing to its structural affinity with one of Parnok's last and greatest poetic achievements: the cycle of love lyrics *Ursa Major*. Dedicated to her last lover, Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation. Parnok's poems translated here for the first time in English, added to a wealth of biographical material, make this book a fascinating and lyrical account of an important Russian poet. Burgin's work is essential reading for students of Russian literature, lesbian history, and women's studies.

Kingdoms of Sand: Books 1-3 Daniel Arenson, Game of Thrones meets Spartacus in an epic saga of sand and splendor. This bundle contains the first three novels of Kingdoms of Sand, a fantasy series from a USA Today bestselling author. That's over 1,000 pages of battles, intrigue, and magic. Sweeping from snowy forests to cruel deserts, from bazaars of wonder to fields of war, here is a tale of legionaries and lepers, priests and paupers, kings and crows. Here a girl travels across endless dunes seeking magic, a cruel prince struggles to claim a bloodstained throne, and a young soldier fights to hold back an overwhelming host. The fate of all civilization stands upon a knife's edge for under the storm of war, even the greatest nations are but kingdoms of sand.

Crowns of Rust Daniel Arenson, The noble House of Sela is shattered. Its five children, once heirs to a bustling port, are scattered around the Encircled Sea. Their kingdom, the ancient land of Zohar, lies in ruin following a devastating invasion. As the dust settles, new fires kindle. In a shattering world, the pieces are up for grabs. Here, fleets clash at sea and desert warriors battle among dunes and ancient ruins. Cloaked conspirators gather in shadowy alleyways, vowing to slay their emperor, and a girl seeks the magic of light beyond guardians of shadow. In a land of sand and splendor, glory will go to those with the sharpest steel and the hardest hearts. One war has ended. Now the world will burn. When the Encircled Sea storms, kingdoms are no sturdier than sandcastles. Rulers and rebels battle for golden thrones, but will they find only crowns of rust.

The Holdout Graham Moore, 2021-05-11. NEW YORK TIMES BESTSELLER. One juror changed the verdict. What if she was wrong? From the Academy Award-winning screenwriter of *The Imitation Game* and bestselling author of *The Last Days of Night*, an ID Book Club Selection. In development as a limited series starring and executive produced by Amy Adams. Exhilarating, a fiendishly slippery game of cat and mouse, suspense, and a provocative, urgent inquiry into American justice and injustice in the twenty-first century.

A.J. Finn, 1. New York Times bestselling author of *The Woman in the Window*. It's the most sensational case of the decade. The subsequent trial taps straight into America's most pressing preoccupations: race, class, sex, law enforcement, and the lurid sins of the rich and famous. It's an open and shut case for the prosecution, and a quick conviction seems all but guaranteed. Until Maya Seale, a young woman on the jury, convinced of Nock's innocence, persuades the rest of the jurors to return the verdict of not guilty, a controversial

decision that will change all their lives forever Flash forward ten years A true crime docuseries reassembles the jury with particular focus on Maya now a defense attorney herself When one of the jurors is found dead in Maya s hotel room all evidence points to her as the killer Now she must prove her own innocence by getting to the bottom of a case that is far from closed As the present day murder investigation entwines with the story of what really happened during their deliberation told by each of the jurors in turn the secrets they have all been keeping threaten to come out with drastic consequences for all involved
