John F. MacArthur,2016-06-14 The people of Israel were carried away to Babylon where they lived as exiles and outcasts God sent this judgment on His people because of their continued unfaithfulness to His word but the day came when He called them to return to Jerusalem However when they arrived there they discovered things had dramatically changed for the worse The Temple was destroyed the city walls were torn down and the land had been taken over by people who did not want them back There was work to be done and it was not going to be easy In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Ezra s early return to Jerusalem continuing through the teachings of Israel s prophets during the time and concluding with Nehemiah and the people s rebuilding efforts in the city Studies include close up examinations of Ezra Nehemiah Haggai Zechariah and others as well as careful considerations of doctrinal themes such as Unequally Yoked and Worshiping God ABOUT THE SERIES The MacArthur Bible Study series is designed to

The Search for Order showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to *The End of the Beginning and Covenant and Creation* In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today
