work of the great Modernist poet Marianne Moore was hugely popular during her final two decades since her death critics have condemned it as trivial This book challenges that assessment with fresh readings of many of the late poems and of the iconic cross dressing public persona Moore developed to deliver them Apparition of Splendor demonstrates that Moore used

her late life celebrity in daring and innovative ways to activate egalitarian principles that had long animated her poetry Dressed as George Washington in cape and tricorn and writing about accessible topics like sports TV shows holidays love activism mortality and celebrity itself she reached a wide cross section of Americans encouraging them to consider what democracy means in their daily lives particularly around issues of gender sexuality racial integration class age and immigration Moore actively sought out publication in popular venues like Vogue The New Yorker and the Saturday Evening Post etc and wrote on material chosen to directly appeal to the audiences there influencing younger contemporaries including poets like Ashbery O Hara and Bishop and artists like Warhol Yoko Ono and Ray Johnson Published by the University of Delaware Press Distributed worldwide by Rutgers University Press
