Revelation 8 22:

When "The" Church Rides the Beast Franklin S. Fowler Jr.,2015-08-07 This book candidly unfolds Revelation 13 17 and 18 which describe who the apocalyptic antichrist is In the very heart of Johns end time prophetic narrative comes stunning imagery of the final three phases of this powerful being and his church They are the fulfillment of Daniels prophecies of the little horn vile person and king of the north With unreserved clarity John is told that this religious power would be centered in the city of the seven hills with stunning geopolitical ties to the leaders of the world The clues of when it begins are amazing It is inaugurated at a time when a woman and a beasta church and a state have merged There is no other conclusion that can be drawn than that this is when the Roman Catholic Church was awarded the Vatican City State in 1929 The papal leaders from that point on with its final forty two months of history are given in vivid detail In arresting detail God discloses the horrifying suppressive power this church will soon wield and the worlds gullible worship of its falsehoods This amazing document mines the very depths of truths God has revealed as never before for us today **Following the Lamb** Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost **I Saw the Lord** Abner Chou,2013-11-11 The visions of Isaiah Ezekiel Daniel Paul and John have captivated the people of God Could it be that we are drawn to these spectacular passages because they are all different angles of the same eschatological event This study explores the visions of these writers as they relate to their individual theology in light of the possibility that these writers saw different facets of the climax of history when the Son receives all glory Miracles, Signs, Symbols and Judgment God's Plan for the End Times David G. Brown,2012-11-07 Through the unique format of this text David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God The following is just a sample If Babylon was destroyed by the Persians how can it be destroyed again How important are truth and justice today But what is justice when it comes to God and us Just what does it mean to fear God Exactly who are the beast and false prophet When one thinks of heaven what is the picture that comes to mind How many people can heaven hold If over 2 000 years have passed without

Lie Greg Harris, 2021-10-26. If you have not seen the massive differences of interpretation between the premillennial understanding of Scripture versus the amillennial, we will clearly view both positions side by side with their supporting quotes from some of their stalwarts. We will set forth different approaches to Scripture as we study the Book of Revelation and these are not some minor issues. So much of how one interprets Scripture ties in with those views.
