Revelation Of Saint John An Open:

The Revelation of Saint John an Open Book Irving C. Tomlinson, 2016-06-21 Irving Tomlinson wrote The place which Mary Baker Eddy the Discoverer and Founder of Christian Science gives to the Revelation of St John is the place which every Christian should give to this book of the Bible This precieved importance fueled the desire to republish The Revelation of Saint John An Open Book The Open Book was one of several invaluable resources for understanding this particular canonical writing that so many Bible students have found to be mysterious After its publication in 1922 and revision in 1935 the Open Book was widely studied by thousands of earnest Christians as well as Christian Scientists who endorsed and appre ciated the metaphysical and spiritual illuminations on the Book of Revelation provided by this ground breaking work Our goal is to reintroduce this beautifully crafted guide for understanding Revelation and its illumination by the writings of Mary Baker Eddy to the contemporary generation of Christians Mary Baker Eddy makes clear that all Christians and Christian Scientists must discern spiritually the ideas for which Christ Jesus toiled She referred to these ideas which he conveyed to Saint John in the Apocalypse as being spiritually indispensable to fulfilling his mission for all mankind Christian Science as presented to the world in the Christian Science textbook Science and Health with Key to the Scriptures is in perfect alignment with the Bible and its prophecies The correlation is astounding and provides convincing evidence that there is a correct path to spiritual understanding and demonstration For this reason many today believe that Christian Science fulfills the prophetic requirements to be the final revelation as established in the Revelation of Saint John The Revelation of St. John an Open Book Irving Clinton Tomlinson, 1922 The Revelation of St. John an Open Book Irving Clinton Tomlinson, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt note in The Revelation of St John An Open Book the typography punctuation and also the use of quotations from the Bible follow Mrs Eddy's scientific practice in quoting Scripture Luke 4 18 Science and Health xi 19 21 All terms synonyms for Deity are capitalized I John 4 18 Science and Health 410 18 20 Personal pronouns referring to Deity are capitalized Science and Health 516 24 The titles for Christ Jesus also are capitalized Science and Health p 499 In parts ii and iii references from the Bible and from Mrs Eddy's writings are offered in connection with the words of Revelation The number of them in any instance does not exceed four therefore they are not exhaustive In the order of references the Bible is followed by Science and Health then Mrs Eddy's other writings When there is a cross reference in Revelation it is given last The line number in the reference is in harmony with the Concordances to Mrs Eddy s writings The numbers indicating page and line refer to the beginning of the explanatory citation When a reference runs into a new paragraph on the following page the last line is indicated e g Science and Health 111 26 15 The abbreviation n p for next page is used where it is needed An asterisk indicates that use of the index will guide the student to further light on that subject in The Revelation of St John An Open Book It is hoped that the citations will help the
