Julian's death Her writings were preserved through various manuscripts with the Long Text first published in 1670 by Benedictine monk Serenus de Cressy The 19th century revival of her work led to multiple reprints and in 1901 Grace Warrack's translation introduced Julian's insights to a wider 20th century audience Revelations of Divine Love continues to be studied for its profound spiritual reflections and historical significance in Christian mysticism This case laminate collector's edition includes a Victorian inspired dust jacket

Women and Mystical Experience in the Middle Ages Frances Beer, 1992 Original and thought provoking study of three medieval women mystics based on writings and biographical material A wholly feminine voice within Catholicism they express the inexpressible better than any amount of rational thinking about God THE TIMES The three women who are the subject of this fascinating study left a rich legacy of medieval spirituality Frances Beer explores their writings and draws on available historical evidence to bring the experience of all three women closer to a 20th century audience She sees Hildegard's perception of her Creator as informed by the heroic ideal while Mechthild's erotic experience seems to show the influence of the minnesingers Julian's experience of tender intimacy with her Lord demonstrates an egalitarian confidence in the ability of the individual soul to progress towards oneness with the divine Their individual natures are also further revealed through the author's examination of their resolution of a number of theological problems In contrast the works of two medieval men writing for women are also explored

Balaam's Ass: Vernacular Theology Before the English Reformation Nicholas Watson, 2022-06-21 For over seven hundred years bodies of writing in vernacular languages served an indispensable role in the religious and intellectual culture of medieval Christian England yet the character and extent of their importance have been insufficiently recognized A longstanding identification of medieval western European Christianity with the Latin language and a lack of awareness about the sheer variety and quantity of vernacular religious writing from the English Middle Ages have hampered our understanding of the period exercising a tenacious hold on much scholarship Bringing together work across a range of disciplines including literary study Christian theology social history and the history of institutions Balaam's Ass attempts the first comprehensive overview of religious writing in early England's three most important vernacular languages Old English Insular French and Middle English between the ninth and sixteenth centuries Nicholas Watson argues not only that these texts comprise the oldest continuous tradition of European vernacular writing but that they are essential to our understanding of how Christianity shaped and informed the lives of individuals communities and polities in the Middle Ages This first of three volumes lays out the long post Reformation history of the false claim that the medieval Catholic Church was hostile to the vernacular It analyzes the complicated idea of the vernacular a medieval innovation instantiated in a huge body of surviving vernacular religious texts Finally it focuses on the first long generation of these writings in Old English and early Middle English

Miraculous Kevin Belmonte, 2012-10-01 For thousands of years the hope of heaven has called to people through miracles When we stop to

consider their stories God's voice calls to us as well In our age of constant innovation technological achievement and the sad tendency to see ourselves as the captains of our fate we may be tempted to make little time for miracles or give little credence to them But to live our lives without a sense of the miraculous is to live impoverished lives Our word for miracle comes from the Latin word *mirari* to wonder And well might we wonder when we consider the nature of miracles and their purpose It is here that a grand conversation beckons God has been our help in ages past He is our hope for years to come To learn of holy events and people supremely to look upon the Savior is to see the power of God and how He has always sought to draw us to Himself He is our eternal home Miracles point the way there Look at a night sky studded with numberless constellations of stars Each is a celestial shard of glory bestowing glimpses of the eternal Miracles in Scripture are like the stars They like the heavens declare the glory of God In these pages are scenes and lives touched by eternity settings of almighty declaration moments marked by deliverance by mercy or visionary unfoldings of God's divine intent Kevin Belmonte provides learned insight into the profoundly important history of miracles Miraculous is a richly researched text of wondrous things that have taken place from ancient times to the present
