Reviving The Spirit A Generation Of African Americans Goes Home To Church:

Reviving the Spirit Beverly Hall Lawrence, 1996 Looks at the social and political changes that have caused African Americans to refocus their churches as a power base and looks at the reasons for their return to the church Spirit Beverly Hall Lawrence, 1997 Drawing on her own experiences and those of the parishioners of Baltimore's Bethel African Methodist Episcopal Church the author traces and celebrates the current renaissance of religious feeling among **Reviving the Children of Nimrod** A. Pinn, 2019-06-12 As Anthony Pinn argues in his latest middle class blacks collection humanism comes in many colors When more attention is given to issues of race as connected to other forms of oppression it is easier to see the manner in which humanism has lived and functioned within African American communities Using the biblical figure Nimrod as symbol African American Humanist Principles demonstrates African American humanists intellectual and praxis related grounding in a history of rebellion against over determined and oppressive limitations on human doing and being Pinn maintains that it is this quest for a fuller sense of being for greater existential and ontological worth that informs the basic principles of African American humanism African American Humanist Principles is one of the only books to present the inner workings of humanist principles as the foundation for humanism from the African American perspective its form and content nature and meaning A Dream Unfinished Eleazar S. Fernandez, Fernando F. Segovia, 2007-05-11 Theologians on the margins reflect how their experience of ethnic and racial minority has influenced their theology and how this relates to the American Dream African American History Day by Day Karen Juanita Carrillo, 2012-08-22 The proof of any group's importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool One Nation Under God? Marjorie Garber, Rebecca Walkowitz, 2013-09-13 One Nation Under God is a remarkable consideration of how religion manifests itself Understanding and Transforming the Black Church Anthony B. Pinn, 2010-01-01 What is the nature and in America today purpose of the Black Church What is the relationship of the scholar of religion to the Black Church While black churches have been a major component of the religious landscape of African American communities for centuries little critical attention has been given to these questions outside an apologetic stance This book seeks to correct this trend by examining

some of the major issues facing black churches in the twenty first century From a challenge to traditional ways of addressing sexism within black churches to African American Christianity's relationship to popular culture this set of reflections seeks to offer new perspectives on what it might mean to be Black and Christian in the United States Anthony Pinn's volume seeks to critically understand and sympathetically transform the Black Church Carrying on in the tradition of William R Jones Pinn's perspective on the Black Church is suspicious loving critical committed exasperating and exhilarating One may not always agree with his conclusions but one cannot ignore his penchant for ferreting out the truth This book is a passionate yet balanced argument which must be heard by anyone who is interested in the future of the black church James H Evans JR Robert K Davies Professor of Systematic Theology Colgate Rochester Crozer Divinity School Pinn is required reading in every Black Church Studies department and theological curriculum that seeks self understanding transformation and healing and an indispensable interlocutor in the broader public conversation about the American dilemma and its democratic possibilities Walter Earl Fluker Coca Cola Professor of Leadership Studies Morehouse College

African American Christian Ethics Samuel K. Roberts, 2008-09-01 In Afrian American Christian Ethics Samuel K Roberts builds an ethic upon a Trinitarian foundation and explores scripture tradition human experience and reason as sources for such an ethic Using this framework he examines critical issues including human sexuality and family life medicine and bio ethics and the pursuit of justice

The African-American Male Jacob U. Gordon, 1999-07-30 The plight of the Black male in American society has been well documented by scholars and practitioners Although Black males represent only 6 percent of the American population they represent about 40 percent of the prison population the number of Black males in prison and jail exceeds the number of Black males in higher education The homicide rates for Black males were 72 5 percent per 100 000 nearly eight times higher than for White males This bibliographic volume explores the extent to which American academia has addressed these problems It will be an invaluable resource for researchers as well as practitioners in social service programs In addition to more than 400 annotated publications the book includes a selected list of works on the African American male and a compilation of doctoral dissertations This publication will serve as a reference in public as well as academic libraries human service agencies government policymaking agencies and in academic courses in gender and ethnic studies criminal justice and social psychology The Dictionary of Pan-African Pentecostalism, Volume One Estrelda Y. Alexander, 2018-06-22 This volume is the first in a series of volumes surveying the important names movements and institutions that have been significant in forging black renewal movements in various contexts worldwide In this volume the entries cover the more than 150 identifiable Holiness Pentecostal Charismatic Neo Pentecostal and quasi Pentecostal bodies within the United States and Canada In addition the dictionary contains entries on the important people places events and theological and secular issues that shaped these groups over their histories some of which go back more than a century This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism Christianity in Africa and the African

Diaspora Roswith Gerloff, Afe Adogame, Klaus Hock, 2011-05-12 An exploration of the rapid development of African Christianity offering an analysis and interpretation of its movements and issues **Embodiment and the New Shape of Black Theological Thought** Anthony B. Pinn, 2010-06-01 Black theology tends to be a theology about no body Though one might assume that black and womanist theology have already given significant attention to the nature and meaning of black bodies as a theological issue this inquiry has primarily taken the form of a focus on issues relating to liberation treating the body in abstract terms rather than focusing on the experiencing of a material fleshy reality By focusing on the body as a physical entity and not just a metaphorical one Pinn offers a new approach to theological thinking about race gender and sexuality According to Pinn the body is of profound theological importance In this first text on black theology to take embodiment as its starting point and its goal Pinn interrogates the traditional source materials for black theology such as spirituals and slave narratives seeking to link them to materials such as photography that highlight the theological importance of the body Employing a multidisciplinary approach spanning from the sociology of the body and philosophy to anthropology and art history Embodiment and the New Shape of Black Theological Thought pushes black theology to the Constructs of "home" in Gloria Naylor's Quartet Claudia Drieling, 2011 The Church on the Margins next level Mary R. Sawyer, 2003-07-24 Examines the state of the American Christian community from a cross cultural perspective

Lining Out the Word William T. Dargan, 2006-06-27 This book a milestone in American music scholarship is the first to take a close look at an important and little studied component of African American music one that has roots in Europe but was adapted by African American congregations and went on to have a profound influence on music of all kinds from gospel to soul to jazz Lining out also called Dr Watts hymn singing refers to hymns sung to a limited selection of familiar tunes intoned a line at a time by a leader and taken up in turn by the congregation From its origins in seventeenth century England to the current practice of lining out among some Baptist congregations in the American South today William Dargan s study illuminates a unique American music genre in a richly textured narrative that stretches from Isaac Watts to Aretha Franklin and Ornette Coleman Lining Out the Word traces the history of lining out from the time of slavery when African American slaves adapted the practice for their own uses blending it with other music such as work songs Dargan explores the role of lining out in worship and pursues the cultural implications of this practice far beyond the limits of the church showing how African Americans wove African and European elements together to produce a powerful and unique cultural idiom Drawing from an extraordinary range of sources including his own fieldwork and oral sources Dargan offers a compelling new perspective on the emergence of African American music in the United States Copub Center for Black Music Research

Terror and Triumph Anthony B. Pinn,2022-07-26 Given the unique history of African Americans and their diverse religious flowering in Black Christianity the Nation of Islam voodoo and others what is the heart and soul of African American religious life As a leader in both Black religious studies and theology Anthony Pinn has probed the dynamism and variety of

African American religious expressions In this work based on the Edward Cadbury Lectures at the University of Birmingham England he searches out the basic structure of Black religion tracing the Black religious spirit in its many historical manifestations Pinn finds in the terrors of enslavement of Black bodies and subsequent oppressions the primal experience to which the Black religious impulse provides a perennial and cumulative response Oppressions entailed the denial of personhood and creation of an object the negro Slave auctions punishments and later lynchings created an existential dread but also evoked a quest a search for complex subjectivity or authentic personhood that still fuels Black religion today In this 20th anniversary edition of Pinn's groundbreaking work the author offers a new reflection on the argument in retrospect and invites a panel of five contemporary scholars to examine what it means for current and future scholarship Contributors include Keri Day Sylvester Johnson Anthony G Reddie Calvin Warren and Carol Wayne White **Urban Transformation** Lowell W Livezey, 2023-11-21 American cities are in the midst of fundamental changes De industrialization of large aging cities has been enormously disruptive for urban communities which are being increasingly fragmented Though often overlooked religious organizations are important actors both culturally and politically in the restructuring metropolis Public Religion and Urban Transformation provides a sweeping view of urban religion in response to these transformations Drawing on a massive study of over seventy five congregations in urban neighborhoods this volume provides the most comprehensive picture available of urban places of worship from mosques and gurdwaras to churches and synagogues within one city Revisiting the primary site of research for the early members of the Chicago School of urban sociology the volume focuses on Chicago which provides an exceptionally clear lens on the ways in which religious organizations both reflect and contribute to changes in American pluralism From the churches of a Mexican American neighborhood and of the Black middle class to communities shared by Jews Christians Hindus and Muslims and the rise of megachurches Public Religion and Urban Transformation illuminates the complex interactions among religion urban structure and social change at this extraordinary episode in the history of urban America To Love the Wind and the Rain Dianne D. Glave, Mark Stoll, 2005-12-30 To Love the Wind and the Rain is a groundbreaking and vivid analysis of the relationship between African Americans and the environment in U S history It focuses on three major themes African Americans in the rural environment African Americans in the urban and suburban environments and African Americans and the notion of environmental justice Meticulously researched the essays cover subjects including slavery hunting gardening religion the turpentine industry outdoor recreation women and politics To Love the Wind and the Rain will serve as an excellent foundation for future studies in African American environmental history The Wiley Blackwell Companion to Religion and Politics in the U.S. Barbara A. McGraw, 2016-05-31 The Wiley Blackwell Companion to Religion and Politics in the U S provides a broad inclusive and rich range of chapters in the study of religion and politics Arranged in their historical context chapters address themes of history law social and religious movements policy and political theory Broadens the parameters of this timely subject and includes the latest work in the field Draws together newly commissioned essays by distinguished authors that are cogent for scholars while also being in a style that is accessible to students Provides a balanced and inclusive approach to religion and politics in the U S Engages diverse perspectives from various discourses about religion and politics across the political and disciplinary spectra while placing them in their larger historical context

The Juvenilization of American Christianity Thomas Bergler, 2012-04-20 Pop worship music Falling in love with Jesus Mission trips Wearing jeans and T shirts to church Spiritual searching and church hopping Faith based political activism Seeker sensitive outreach These now commonplace elements of American church life all began as innovative ways to reach young people yet they have gradually become accepted as important parts of a spiritual ideal for all ages What on earth has happened In The Juvenilization of American Christianity Thomas Bergler traces the way in which over seventy five years youth ministries have breathed new vitality into four major American church traditions African American Evangelical Mainline Protestant and Roman Catholic Bergler shows too how this juvenilization of churches has led to widespread spiritual immaturity consumerism and self centeredness popularizing a feel good faith with neither intergenerational community nor theological literacy Bergler's critique further offers constructive suggestions for taming juvenilization Watch the trailer
