The demise of the Soviet system

David M. Kotz with Fred Weir

Revolution From Above The Demise Of The Soviet System

David Kotz, Fred Weir

Revolution From Above The Demise Of The Soviet System:

Revolution from Above David Michael Kotz, Fred Weir, 1997 This book argues that the ruling state party in the USSR itself moved to dismantle the old system Research includes interviews with over 50 former Soviet government and Communist party leaders policy advisors trade unionists and businessmen

Revolution From Above Michael Kort, **Russia's Path from Gorbachev to Putin** David Kotz, Fred Weir, 2007-05-07 Over the past few years many of the former Communist rule countries of Central and Eastern Europe have taken a steady path toward becoming more or less normal capitalist countries with Poland and Hungary cases in point Russia on the other hand has experienced extreme difficulties in its attempted transition to capitalism and democracy The pursuit of Western endorsed policies of privatization liberalization and fiscal austerity have brought Russia growing crime and corruption a distorted economy and a trend toward authoritarian government In their 1996 book *Revolution from Above* David Kotz and Fred Weir shed light on the underlying reasons for the 1991 demise of the Soviet Union and the severe economic and political problems of the immediate post Soviet period in Russia In this new book the authors bring the story up to date showing how continuing misguided policies have entrenched a group of super rich oligarchs in alliance with an all powerful presidency while further undermining Russia's economic potential New topics include the origins of the oligarchs the deep penetration of crime and corruption in Russian society the financial crisis that almost destroyed the regime the mixed blessing of an oil dependent economy the atrophy of democracy in the Yeltsin years and the recentralization of political power in the Kremlin under President Putin

Revolution From Above David Kotz, Fred Weir, 2013-04-15 Controversially this book argues that the ruling party state elite in the USSR itself moved to dismantle the old system Topics discussed include the beginnings of economic decline in 1975 Gorbachev's efforts to democratize and decentralize the complex political battle through which the coalition favouring capitalism took power the flaws in economic policies intended to rapidly build capitalism the surprising resurgence of Communism Research includes interviews with over 50 former Soviet government and Communist party leaders policy advisors new private businessmen trade union leaders and intellectuals

Russia's Revolution from Above, 1985-2000 Gordon Hahn, 2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990-91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of

political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn s account this mode of revolutionary change from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia s Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars

The Demise of the Soviet Communist Party Atsushi Ogushi,2007-11-02 This book based on extensive original research in previously unexplored sources including the party archives provides a great deal of new information on the disintegration of the Soviet communist party in 1991 and the preceding years It argues that contrary to prevailing views the party was reformable in late Soviet times but that attempts to reform it failed reforms succeeded in preventing the party interfering in the state body and thereby abolished the party s traditional administrative functions but without creating an alternative power centre and without transforming the party from a vanguard party into a parliamentary party It demonstrates that the party having ceased to offer career paths for aspiring party members thereby lost its reason for existence that an exodus of party members then followed which in turn caused a financial crisis and that this financial crisis and the resulting engagement in commercial activity fragmented and dispersed party property It shows how the failed coup of 1991 was led by the military rather than the party and how having lost its reason for existence and its property the party had no choice but to accept the reality that it was de facto dead

The Collapse of the Soviet Union, 1985-1991 David R. Marples,2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who s Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history

The End of the Cold War and the Causes of Soviet Collapse N. Bisley,2004-04-30 Soviet efforts to end the Cold War were intended to help revitalize the USSR Instead

Nick Bisley argues they contributed crucially to its collapse Using historical sociological theory *The End of the Cold War and the Causes of Soviet Collapse* shows that international confrontation had been an important element of Soviet rule and that the retreat from this confrontational posture weakened institutional functional aspects of the state This played a vital role in making the USSR vulnerable to the forces of economic crisis elite fragmentation and nationalism which ultimately caused its collapse

Understanding Russian Politics Stephen White,2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world s largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic krizis and Russia s place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

The Demise of the Soviet Union Jan Hallenberg,2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general

Communist Parties Revisited Rüdiger Bergien,Jens Gieseke,2018-01-31 The ruling communist parties of the postwar Soviet Bloc possessed nearly unprecedented power to shape every level of society perhaps in part because of this they have been routinely depicted as monolithic austere and even opaque institutions *Communist Parties Revisited* takes a markedly different approach investigating everyday life within basic organizations to illuminate the inner workings of Eastern Bloc parties Ranging across national and transnational contexts the contributions assembled here reconstruct the rituals of party meetings functionaries informal practices intra party power struggles and the social production of ideology to give a detailed account of state socialist policymaking on a micro historical scale

Social Transformation and State Governance in China Xianglin Xu,2020-06-08 This volume is a selection of Chinese political scholar Xianglin Xu s published works spanning nearly 20 years of research that explore and discuss the socio economic transition in China under state political reform Contextualized within the decades following the 80s the author analyzes patterns observed from empirical studies and breaks down the underlining reasoning conditions and functionalities

behind the incremental reform policies pushed forward by the Party and government The collection is broken up into four sections the first provides a general framework and theoretical historical introduction to social transition research in the case of China the second section discusses the underpinning logic behind political reform in China and practical concerns the third section follows with discussions on reform policy practices within China including application and trajectory the final section concludes with an analysis of reform within state institutional infrastructure and policy innovation **Russia's**

Stillborn Democracy? Graeme Gill, Roger D. Markwick, 2000-03-23 The decade and a half since Gorbachev came to power has been a tumultuous time for Russia It has seen the expectations raised by perestroika dashed the collapse of the Soviet superpower and the emergence of a new Russian state claiming to base itself on democratic market principles It has seen a political system shattered by a president turning tanks against the parliament and then that president configuring the new political structure to give himself overwhelming power These upheavals took place against a backdrop of social dislocations as the Russian people were ravaged by the effects of economic shock therapy This book explains how these momentous changes came about and in particular why political elites were able to fashion the new political system largely independent of the wishes of the populace at large It was this relationship between powerful elites and weak civil society forces which has led to Russian democracy under Yeltsin being still born **The Rise and Fall of the Soviet Union** Martin

McCauley, 2014-01-14 An expert in probing mafia type relationships in present day Russia Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin John Keep Professor Emeritus University of Toronto The birth of the Soviet Union surprised many its demise amazed the whole world How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 Marxism promised paradise on earth but the Communist Party never had true power instead allowing Lenin and Stalin to become dictators who ruled in its name The failure of the planned economy to live up to expectations led to a boom in the unplanned economy in particular the black market In turn this led to the growth of organised crime and corruption within the government The Rise and Fall of the Soviet Union examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics Including first person accounts anecdotes illustrations and diagrams to illustrate key concepts McCauley provides a seminal history of twentieth century Russia **Revolution and Reform in**

Russia and Iran Ghoncheh Tazmini, 2012-03-30 The Russian Revolutions of 1917 and the Iranian Revolution of 1979 are two examples of dramatic sudden and extraordinary political upheaval that significantly altered the nature of the state and society in the modern age Here Ghoncheh Tazmini provides an unprecedented comparative study of these two major revolutions of the twentieth century which although removed from each other both spatially and temporally have striking similarities Examining the roots events and impact of these two defining upheavals Tazmini analyses how they resemble each other stressing the continuity of the dilemma of modernisation for the Romanov Pahlavi Communist and Islamist rulers alike

This book is a significant contribution to both historical and contemporary debates concerning Russian and Iranian politics and to the discourse on the origins and consequences of modernisation and revolution themselves *Reinterpreting the End of the Cold War* Silvio Pons, Federico Romero, 2014-08-28 As the activities of individuals organizations and nations increasingly occur in cyberspace the security of those activities is becoming a growing concern Political economic and military leaders must manage and reduce the level of risk associated with threats from hostile states malevolent nonstate actors such as organized terrorist groups or individual hackers and high tech accidents The impact of the information technology revolution on warfare global stability governance and even the meaning of existing security constructs like deterrence is significant These essays examine the ways in which the information technology revolution has affected the logic of deterrence and crisis management definitions of peace and war democratic constraints on conflict the conduct of and military organization for war and the growing role of the private sector in providing security This book was previously published as a special issue of the journal Contemporary Security Policy *Soviet Politics* Richard Sakwa, 2012-11-12 *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics* an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader *Who Paid the Pipers of Western Marxism?* Gabriel Rockhill, 2025-12-01 *Who Paid the Pipers of Western Marxism* offers a crash course in the history of imperialist propaganda as well as in the Marxist method for analyzing culture and ideology Author Gabriel Rockhill demonstrates the explanatory and transformative superiority of a dialectical and historical materialist approach while elucidating how the world of ideas is a crucial site of class struggle He then engages in a meticulous counter history of the Frankfurt School which made a foundational contribution to Western Marxism by situating it within the global relations of class struggle and the imperialist war on actually existing socialism With the explicit and direct backing of powerful elements in the capitalist ruling class and the world's leading imperialist state the Frankfurt School developed a widely promoted form of compatible critical theory as an ersatz for dialectical and historical materialism The volume concludes by bringing to the fore the positive project that

serves as the guiding methodological framework for the work as a whole a thoroughly anticolonial and anti imperialist Marxism dedicated to building socialism in the real world Drawing on extensive archival research to pull back the curtain on ruling class machinations Rockhill s book elucidates how the intellectual world war on the socialist alternative has sought to shore up and promote a compatible left intelligentsia while misrepresenting maligning and trying to destroy the revolutionary left

Collapse Vladislav M. Zubok,2021-11-30 A major study of the collapse of the Soviet Union showing how Gorbachev s misguided reforms led to its demise A deeply informed account of how the Soviet Union fell apart Rodric Braithwaite Financial Times A masterly analysis Joshua Rubenstein Wall Street Journal In 1945 the Soviet Union controlled half of Europe and was a founding member of the United Nations By 1991 it had an army four million strong with five thousand nuclear tipped missiles and was the second biggest producer of oil in the world But soon afterward the union sank into an economic crisis and was torn apart by nationalist separatism Its collapse was one of the seismic shifts of the twentieth century Thirty years on Vladislav Zubok offers a major reinterpretation of the final years of the USSR refuting the notion that the breakup of the Soviet order was inevitable Instead Zubok reveals how Gorbachev s misguided reforms intended to modernize and democratize the Soviet Union deprived the government of resources and empowered separatism Collapse sheds new light on Russian democratic populism the Baltic struggle for independence the crisis of Soviet finances and the fragility of authoritarian state power

A Companion to Russian History Abbott Gleason,2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field

This is likewise one of the factors by obtaining the soft documents of this **Revolution From Above The Demise Of The Soviet System** by online. You might not require more mature to spend to go to the books opening as well as search for them. In some cases, you likewise pull off not discover the proclamation Revolution From Above The Demise Of The Soviet System that you are looking for. It will categorically squander the time.

However below, past you visit this web page, it will be appropriately unquestionably easy to get as with ease as download lead Revolution From Above The Demise Of The Soviet System

It will not acknowledge many grow old as we run by before. You can accomplish it even though comport yourself something else at home and even in your workplace. for that reason easy! So, are you question? Just exercise just what we pay for below as competently as evaluation **Revolution From Above The Demise Of The Soviet System** what you similar to to read!

Revolution From Above The Demise Of The Soviet System Introduction

Revolution From Above The Demise Of The Soviet System Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Revolution From Above The Demise Of The Soviet System Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Revolution From Above The Demise Of The Soviet System : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Revolution From Above The Demise Of The Soviet System : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Revolution From Above The Demise Of The Soviet System Offers a diverse range of free eBooks across various genres. Revolution From Above The Demise Of The Soviet System Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Revolution From Above The Demise Of The Soviet System Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Revolution From Above The Demise Of The Soviet System, especially related to Revolution From Above The Demise Of The Soviet System, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Revolution From Above The Demise Of The Soviet System, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Revolution From Above The Demise Of The Soviet System books or magazines might include. Look for these in online stores or libraries. Remember that while Revolution From Above The Demise Of The Soviet System, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook

lending services. Many libraries have digital catalogs where you can borrow Revolution From Above The Demise Of The Soviet System eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Revolution From Above The Demise Of The Soviet System full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Revolution From Above The Demise Of The Soviet System eBooks, including some popular titles.

FAQs About Revolution From Above The Demise Of The Soviet System Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolution From Above The Demise Of The Soviet System is one of the best book in our library for free trial. We provide copy of Revolution From Above The Demise Of The Soviet System in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolution From Above The Demise Of The Soviet System. Where to download Revolution From Above The Demise Of The Soviet System online for free? Are you looking for Revolution From Above The Demise Of The Soviet System PDF? This is definitely going to save you time and cash in something you should think about.
