Yohannan,2009-11 Step into the story of missionary statesman K P Yohannan and experience the world through his eyes You will hang on every word from the villages of India to the shores of Europe and North America Watch out His passion is contagious **Revolution in World Missions** K. P. Yohannon,1996-07-31 He was barefoot until the age of 16 In this exciting and fast moving narrative K P Yohannan shares how God brought him from his remote jungle village to become the founder of Gospel for Asia which now supports 7 000 native missionaries in ten Asian countries He challenges Western Christians from his unique Third World perspective to examine and change their life styles in view of the millions who have never heard the gospel This book could change your thinking and your life as of 1992 **The Coming Revolution in World Missions** K. P. Yohannan,1986 **A Survey of World Missions** Robin Hadaway,2020-05-01 Robin Hadaway presents a full survey of world missions addressing biblical theological and historical foundations as well as culture context philosophy and missions strategy **Missions** Gailyn Van Rheenen,2014-07-22 In a rapidly changing world the central missionary vision of the church must be constantly renewed lest its foundations become lost in the confusion of change or its practices trapped in missionary models of the past In this second edition of Missions long time missionary Gailyn Van Rheenen revises and updates his classic text on Christian missions laying sound theological and strategic foundations for the missionary of today and tomorrow Van Rheenen helps renew the missionary vision by discussing areas such as The history of Christian mission and how it affects where we are today Spiritual formation for God s mission The missionary cycle Cross cultural communication The character and calling of missionaries Types of missionaries Church maturation Selecting mission fields The role of money in missions Four levels of involvement in missions But Missions is more than blackboard theory Written by a long time missionary it carries the conviction and insights of one who has lived his subject Accessible to students practitioners and laypeople alike Missions provides a primary go to resource for understanding and becoming involved in the dynamic activity of world missions Factors Behind the Ukrainian Evangelical Missionary Surge from 1989 to 1999 John Edward White,2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What

motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges *World Missions from the Home Base* Joseph Ernest McAfee,1911 *The Story of Faith Missions* Klaus Fiedler,1994 *Missions and Money* Jon Bonk,2006 This revised edition of *Missions and Money* offers new reflections in the light of a changed situation in Christian missionary circles Bonk offers new reflections in the lights of a changed situation now marked by increases in the number of short term missionaries and increases in the numbers of Asians Africans and Latin Americans leaving their homelands to serves as missionaries to other people The conversation on the ambiguity of wealth and Christian missionary outreach is deepened with essays by Christopher J H Wright on the righteous rich in the Hebrew Bible and by Justo Gonzalez on faith and wealth in the Christian Bible and the early church Book jacket **Mission in the Way of Paul** Christopher R. Little,2005 What relevance does the Apostle Paul have for the mission of the church in the twenty first century By investigating his socioeconomic background examining his doxological orientation in mission delineating how and why he shared resources in the first century and then relating all this to what has been called the contemporary International Partnership Movement this book demonstrates that when the church engages in cross cultural mission and ignores Pauline orthopraxy it places unnecessary obstacles in the path of the missio Dei Therefore *Mission in the Way of Paul* Biblical Mission for the Church in the Twenty First Century is pertinent for any course devoted to learning from and implementing biblical models of mission today *Encountering Theology of Mission (Encountering Mission)* Craig Ott,Stephen J. Strauss,Timothy C. Tennent,2010-05-01 This fresh comprehensive text fills a need for an up to date theology of mission It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today The authors who are leading mission experts discuss biblical theology of mission provide historical overviews of the development of various viewpoints and address theologically current issues in global mission from an evangelical perspective This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting It also brings theology of mission into conversation with ecclesiology and eschatology Topics covered include contextualization the missionary vocation church and mission and theology of religions Sidebars and case studies enable readers to see how theology of mission touches real life mission practice **A Concise History of the Christian World Mission** Herbert J. Kane,1978-08-01 This volume comprises an excellent introductory survey of Christian missions from A D 30 to the twentieth century **The Second Part of the Equation** Martin Sim,2022-11-22 Martin Sim is a devout Christian with a heartfelt desire to help others know the truth of Christ and the importance of His Word In an inspirational guide Sim explores the art of missional giving by returning to one of Christ s most powerful commandments the Great Commission While encouraging
