National Union Catalog Subcommittee,1972 **The Publishers' Circular and Booksellers' Record** ,1928 The Image of the River in Latin/o American Literature Jeanie Murphy,Elizabeth G. Rivero,2017-12-20 Although fictional and often fantastic representations of nature have been a distinguishing feature of Latin American literature for centuries ecocriticism understood as the study of literature as it relates to depictions of the natural world environmental issues and the ways in which human beings interact and identify with their natural surroundings did not emerge as a field of scholarly interest in the region until the end of the twentieth century This volume employs an ecocritical lens in order to explore and question the use of the river imagery in Latino and Latin American literature from the colonial period to our modern world creating a space in which to examine both its literal and figurative meanings associated as much with processes of a personal nature as with those of the collective experience in the region The slow meandering streams of nostalgia the raging currents of conflict or the stagnant waters of social decay are just a few of the ways in which the river has become an important symbol and inspiration to many of the region s writers This book offers a diverse collection of writings that through a trans historical and trans geographical perspective allows us from the vantage point of the twenty first century to reflect on the rich and dynamic image of the river and by extension on the vital context of Latin o America its people and societies *Rivers Under Threat* Paul Mason,2009 Why are rivers important How does farming affect rivers What can you do to help save our rivers For a global tour of Earth s threatened habitats explore World in Peril This series offers a striking panorama of endangered habitats around the world Stunning large format photographs show the damage caused to our planet but also the possible solutions that can lead to a greener future **Indo-China** Naval Intelligence Division,2013-01-11 Prepared by the British Naval Intelligence Division of the Admiralty during World War II and released in 1943 this handbook is now an important geographical and historical reference work documenting the region s environment and natural resources as they were before the developments of recent decades and describing traditional culture infrastructure administration and the extent of foreign influence as it then was It covers the areas of the present day countries of Cambodia Vietnam and Laos Unrivalled in the scope and the quality of information current at the time of first publication this volume is an essential foundation for all researchers and students interested in the history and background to the contemporary dynamics of the region Antiquarian Bookman ,1964 **Riversong of the Rhone** Charles Ferdinand Ramuz,2015-05-03 Nearly seventy years after the death of Charles Ferdinand Ramuz 1878 1947 it is safe to say that the reputation of Switzerland s legendary poet of the people is secure at least in French Since 2005 his 22 novels have appeared in a two volume Pl iade Edition from Gallimard Paris and ditions Slatkine in Geneva has completed 29 volumes of Ramuz s Oeuvres Compl tes Complete Works The author s slightly blurred face has been on the Swiss 200 franc

note for years and his *Histoire du Soldat A Soldier s Tale* written in collaboration with Igor Stravinsky in 1918 can easily be found on You Tube But only recently have English translations of Ramuz s novels begun to appear and until now his only epic prose poem has not been available in English Patti M Marxsen s translation of Ramuz s *Chant de Notre Rh* ne brings this unique work to Anglophone readers as *Riversong of the Rhone* in a well crafted bilingual edition that is ideal for students as well as general readers of poetry Part ode to nature part assertion of human freedom part celebration and entirely pure delight in language made musical Marxsen s *Riversong* promises to be as enduring as the river and the landscape it describes **American first editions; bibliographic check list of the works ...** Merle De Vore Johnson,1929
