Del Rosario,2011-05 Each of us experiences the vicissitudes of life in different ways Some it could be said never experience grief while others seem to have lives of grief alone I wrote this book the story of my life not to suggest my life is full of either just strife or just happiness Like anyone else I have experienced both joys and sorrows But I wrote this book so the reader can experience the reality of our great and awesome God speaking to us all in an audible voice and clear in our spirit No matter what occurred for me no matter what surprises life brought me it was always our God Creator of the Universe who kept His promises of the things He would do for me and that He will also do for you the reader of this book What He did for me He will do for you and you will see things happen one by one before your very eyes all your life if you are accepting Him as I am Once you see how our God dealt with a person like myself who is average and very ordinary a person like me full of imperfections and sins a person who even by my own standards would not be acceptable or qualified to be His servant yet still He called me to serve Him you will understand why I am very indebted and grateful to Him It is my hope that after your reading this book you will one day feel as indebted and grateful to Him as I am Our God used a nobody like me to heal a crippled woman to walk normally as you will see He used me to heal instantly a woman with back problems who had been going to chiropractors for years with no results He delivered drugs addicts from their bondage of addiction and fought for someone who was on the brink of Satan's possession casting out demons from a house that was haunted I was his vessel that showed how when someone prays believing in God that He will always answer Our God showed me His wonders His power for healing the manifestation of His gifts and His presence in my life and the lives of others God treated me as special and highly favored touching the hearts of men to do me favors He demonstrated His great love for me by sending His only Son to die in my place to save me from sins and the fires of hell He showed me how privileged I was and still am to be given an opportunity to accept Jesus into my heart to be my personal Savior and Lord of my life He gave me the right to become a

child of God and He will do the same for you He gave me a blessed assurance that I will go to heaven to be with my Lord Jesus forever and ever Here you will learn how to have that very close intimate and personal relationship with God that I have You will feel you know His plans and directions for you You will develop a very strong faith to believe that whatever His will for you it is acceptable and with the complete resignation that He is in control no matter what the circumstances are you find yourself in It makes no difference if you are sick or well dying or lively because you will understand the need and desire to put yourself in His hands as I have done You will completely trust in Him because you will believe in His sovereignty
