River Of Death:

The River of Death (video). ,1984 **River of Life, River of Death** Victor Mallet,2017-10-20 India is killing the Ganges and the Ganges in turn is killing India The waterway that has nourished more people than any on earth for three millennia is now so polluted with sewage and toxic waste that it has become a menace to human and animal health Victor Mallet traces the holy river from source to mouth and from ancient times to the present day to find that the battle to rescue what is arguably the world s most important river is far from lost As one Hindu sage told the author in Rishikesh on the banks of the upper Ganges known to Hindus as the goddess Ganga If Ganga dies India dies If Ganga thrives India thrives The lives of 500 million people is no small thing Drawing on four years of first hand reporting and detailed historical and scientific research Mallet delves into the religious historical and biological mysteries of the Ganges and explains how Hindus can simultaneously revere and abuse their national river Starting at the Himalayan glacier where the Ganges emerges pure and cold from an icy cave known as the Cow s Mouth and ending in the tiger infested mangrove swamps of the Bay of Bengal Mallet encounters everyone from the naked holy men who worship the river to the engineers who divert its waters for irrigation the scientists who study its bacteria and Narendra Modi the Hindu nationalist prime minister who says he wants to save India s mother river for posterity Can they succeed in saving the river from catastrophe or is it too late *River of Death--The Chickamauga Campaign* William Glenn Robertson,2018-10-03 The Battle of Chickamauga was the third bloodiest of the American Civil War and the only major Confederate victory in the conflict s western theater It pitted Braxton Bragg s Army of Tennessee against William S Rosecrans s Army of the Cumberland and resulted in more than 34 500 casualties In this first volume of an authoritative two volume history of the Chickamauga Campaign William Glenn Robertson provides a richly detailed narrative of military operations in southeastern and eastern Tennessee as two armies prepared to meet along the River of Death Robertson tracks the two opposing armies from July 1863 through Bragg s strategic decision to abandon Chattanooga on September 9 Drawing on all relevant primary and secondary sources Robertson devotes special attention to the personalities and thinking of the opposing generals and their staffs He also sheds new light on the role of railroads on operations in these landlocked battlegrounds as well as the intelligence gathered and used by both sides Delving deep into the strategic machinations maneuvers and smaller clashes that led to the bloody events of September 19 20 1863 Robertson reveals that the road to Chickamauga was as consequential as the unfolding of the battle itself *Misty Mountain Murders and the River of Death* O. Ray Knapp,2012-11-20 Recently retired NCIS agent Billy Boy Boyd has just returned home to Tennessee Hes looking forward to enjoying some free time but that fantasy doesnt last long His friend Blinky an often drunk and bitter Vietnam veteran has just called about an apparent suicide down by the river There isnt a body yet just a suicide note and the remains of a hand A search party is formed and Blinky Boyd and his high school sweetheart Smokey start combing the area by the Nolichucky River for the victim But its soon apparent that this investigation may be more than they bargained for A
