Riverman Ted Bundy And I Hunt For The Green River Killer:

The Riverman Robert Keppel,2010-06-15 After a search of over twenty years one of America s most elusive serial killers was finally apprehended Now read the true story of one man s attempt to get inside se mind of the Green River Killer July 15 1982 3 woman s strangled body was filed caught on the pilings of Washington state s Green River Before long the Green River Killer would be suspected in at least forty nine more homicides with no end in sight Then the authorities received an unbelievable letter from the infamous serial killer Ted Bundy then on Florida s death row offering to help catch the Green River Killer But he would only talk to one man Robert Keppel the former homicide detective who had helped track Bundy s cross county killing spree Now these conversations are revealed in which Bundy speculates about the motive and methods of the Green River Killer and reveals his own twisted secrets as well Now as never before we look into the face of evil and into the heart of a killer

Ted Bundy - The Serial Killer Next Door Joe Blake,2021-11-09 Ted Bundy is generally regarded to be the third most prolific American serial killer in history Those who knew Bundy as a young man considered him to be preppy and square They did not detect any dark heart or evil lurking in the body of Ted Bundy Yet this is a man who murdered women and children and bludgeoned victims with pipes and crowbars A man who shot and stabbed people and sexually abused the corpses of his victims This is a man who would leave his victims covered in bite marks and then saw off their heads By any standards this was an evil and ruthless man And yet Bundy didn t look like a serial killer at all He seemed alarmingly normal and kind to those who knew him How was Bundy able to fool so many people and hide his true nature from them Who exactly was Ted Bundy and why are we still fascinated by his harrowing story
