Verhoef, 2023-05-09 Taking a comprehensive approach to two central closely intertwined themes in the field of transport economics this illuminating Handbook recognizes the critical socioeconomic importance of transport pricing and financing

International Symposium on Theory and Practice in Transport Economics Key Issues for Transport beyond 2000 15th International Symposium on Theory and Practice in Transport Economics, Tessaaloniki, Greece, 7th - 9th June 2000 European Conference of Ministers of Transport, 2002-06-07 A clear dichotomy exists between an

European economy centred on international trade and the environmental damage to which this focus gives rise There is a need for a novel approach based on a shift away from the goal of ever faster travel and

Urban Road Pricing: Public and Political Acceptability Martin J. Whittles, 2017-11-22 Title first published in 2003 As more and more cities consider introducing urban road pricing schemes this book describes compares and contrasts arguments for and against using this transport policy instrument It investigates the acceptability of various forms of road pricing schemes by examining and contextualising actual schemes and hypothetical scenarios The resulting analysis provides a sociological theory of

acceptability carefully grounded in arguments about road pricing which demonstrates how professional discourses diverge from publicly acceptable arguments It also suggests ways in which consensus can be reached between the various road pricing options
